LEVEL CALCULATION FOR UNDERGRADUATES

Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters, (excluding summer session) and the number of semesters the dean has allowed for other work completed (ex. transfer work). The number of credit hours completed is the total number of credit hours which you have earned. If you have any questions about your level see your dean.

The number of semesters and credit hours required for each level depends on your college as follows:

School of Architecture (162 credits for degree)

Sophomore	2 semesters	24 cr	level 2
Junior	4 semesters	60 cr	level 3
Senior	6 semesters	92 cr	level 4
5th Year	8 semesters	120 cr	level 5

College of Arts and Letters (120 credits for degree)

Sophomore	2 semesters	24 cr	level 2
Junior	4 semesters	54 cr	level 3
Senior	6 semesters	84 cr	level 4

College of Business Administration (126 credits for degree)

Sophomore	2 semesters	24 cr	level 2
Junior	4 semesters	54 cr	level 3
Senior	6 semesters	84 cr	level 4

College of Engineering (134 credits for degree)

Sophomore	2 semesters	24 cr	level 2
Junior	4 semesters	60 cr	level 3
Senior	6 semesters	92 cr	level 4

College of Science (124 credits for degree)

Sophomore	2 semesters	24 cr	level 2
Junior	4 semesters	56 cr	level 3
Senior	6 semesters	86 cr	level 4

REGISTRATION APPOINTMENTS

Registration appointments for degree-seeking students will be scheduled in order of student level. Within each level, appointments will be made randomly at times which don't conflict with your current class schedule.

The level and appointment periods are as follows:

Graduate School		level 9	4/07-4/22
Law School	3rd yr	level 8	4/07-4/10
	2nd yr	level 7	4/11-4/16
Graduate Business	2nd yr	level 7	4/11-4/16
Senior		level 4	4/07-4/10
Junior		level 3	4/11-4/16
Sophomore		level 2	4/17-4/22

The *Registration Appointment Mailer* contains the time and date of your registration appointment. It also includes the personal data which the Registrar's Office currently has on record and lists the department or college location where you may obtain the Personal Identification Number (PIN) which you will need to gain access to DART.

Your appointment will be a 15 minute period during which you can dial **DART at 219-634-3003 (4-3003 from the Dorms)** to select courses or you may use the terminals in the Registrar's Office. If you get a busy signal when you call, keep trying. It should take less than five minutes to register for your courses if you prepare in advance. Your registration session will be cut off after 7.5 minutes. You may re-enter DART immediately if there is still time left within your 15 minute appointment. You can use the unrestricted call back periods, after your appointment has expired, during registration (Monday through Thursday 7:00 p.m. - midnight and Friday 7:00 p.m. through 4:00 p.m. Sunday). After registration, you can use DART from Monday through Thursday from 12 noon to 12 midnight, and from 12 noon on Friday until 4:00 p.m. Sunday to select courses or ones that have been opened.

STUDENT ADVISING, PIN, & WORKSHEET

Your PIN, which you obtain in your department or college office, will be valid through midnight September 3, 1997 (Students returning from an official Leave of Absence should contact their major departments to obtain their PIN and to arrange for advising.)

A **Registration Worksheet** is shown on page 18.

The worksheet contains a section for your desired schedule and a space for alternative courses or sections. Bring the worksheet to your advisor when obtaining your PIN. Be sure to fill in the Call Number and the Authorization Number (if required) for each course you desire before calling DART.

After Registration, you will be sent a copy of the courses for which you registered. Duplicate copies will also be sent to your department and your Dean's Office. Course drops must be approved by your dean after the September 3, 1997 deadline.

REGISTRATION BY PERMISSION

Obtain authorization for each "Permission Required" course from the department offering the course.

DART generates a sequence of Authorization Numbers (AN's) for each "Course Requiring Permission to Register". Write the AN, obtained from the department offering the course, on your Registration Worksheet.

Directions for registering for a permission required course are on page 15. If your AN matches one of the un-used ANs for that course, you will be allowed to register for the course.

Note: The AN is good for one use only. If you drop a course that required an AN, a new AN will be necessary to add it again.

PASS/FAIL OPTION

Juniors and Seniors only may take one Pass/Fail course per semester or three 1-credit mini courses. The course may not be in or required by your program. **Permission of your dean is required.** The last day for all Pass/Fail Option changes for the 1997 Fall semester is September 3, 1997.

You must register for the course before you can choose the Pass/Fail Option. All Pass/Fail Option changes are processed at your Dean's Office.

When your dean approves your Pass/Fail Option (or change), they will enter the information directly into the DART computer (you will not have to come to the Registrar's Office). At final grade time, the registrar will convert the grade reported by the instructor to an entry of *pass* or *fail* on your record. No notice of the pass/fail decision will be communicated to the instructor.

The Pass/Fail option is also available to students in the Law School but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Coordinator of Admissions and Registration.

CLASS LOADS

DART will not allow you to register for an overload course schedule without permission from your dean. The number of credits constituting an overload depends on your college or school. After granting permission, the dean will enter your new maximum directly into the DART computer. You may then use DART to obtain the desired courses. The maximum number of credits allowed is:

<u>College</u>	<u>Maximum Credits</u>
AL	17
BA (sophomores)	15
BA (juniors, seniors)	18
EG	19
FY	17
SC	18
GB	16
GR	12
LW	17

The following courses do not count in the overload calculation:

All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and Urban Plunge.

FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours per semester is considered to be a **part-time** student. Full-time students, already enrolled in the University, who wish to convert to part-time status, must request permission from their dean before the start of the semester in which part-time status is desired. If such permission is granted, the dean must notify the Office of Student Accounts before the start of the semester.

RESTRICTED ACCESS TO COURSES

There are a number of restrictions a department might place on a course during registration. For example, courses can be reserved for departmental majors (or non-majors) or, e.g., ROTC students; courses can be restricted to a certain level, such as freshman; or a course can be reserved for a given group (major, degree, etc.) during registration and later opened to other students.

Any restrictions requested by a department will be listed with the prerequisites associated with the course. These will be found in the University Course Schedule section starting on page 23.

ENROLLMENT

You must enroll in person. Enrollment Day is Monday, August 25, 1997, between 8:30 a.m. and 3:15 p.m., at the Joyce Center. After August 25, you must enroll at the Registrar's Office. The deadline to enroll is September 3, 1997.

To enroll, you complete an Enrollment Form: write and/or marksense all the information requested and sign the form. Give the completed form to an enrollment clerk.

Note: Students who do not enroll by Wednesday, September 3, will be removed from their courses.

COURSE AUDITS

Only graduate students are permitted to audit.

All regulations and restrictions regarding admission to a course remain in effect, whether or not the course is taken for audit or credit.

SAINT MARY'S COLLEGE COURSES

REGISTERING FOR SAINT MARY'S COURSES

Notre Dame students are permitted to register for Saint Mary's College courses if space permits and if the course prerequisites are met. DART may be used to register for selected EDUC, RLST, and THTR courses listed in this book. To register for other Saint Mary's courses, fill out a Saint Mary's Intent form in the Notre Dame registrar's office through April 22nd.

NOTE: S.M.C. has changed pre-registration dates to April 14-16. In order to receive priority by classification in Saint Mary's courses, Notre Dame students must complete and return the Saint Mary's Intent form to the ND registrar's office by Friday, April 11. After this date, ND students will be added to S.M.C. courses on a space available basis. The Saint Mary's course selection(s) will appear on the student's schedule after April 24th. After this date no S.M.C. courses may be added until the first day in the Fall semester (August 26th).

ADDING SAINT MARY'S COURSES

To add S.M.C. courses during the first seven days of classes in the Fall (through September 3rd), Notre Dame students must take an Add form to the Saint Mary's department offering the course to obtain the signature of approval. This form must also be signed by the student's dean, and then returned to the ND registrar's office.

DROPPING SAINT MARY'S COURSES

Saint Mary's courses may be dropped using DART at anytime through the first seven class days of the semester (through September 3rd). After this date and through the last day to discontinue courses, any drop must be completed on a form and signed by the student's dean. Check the academic calendar for specific course change deadlines.

NEW STUDENTS

INTRODUCTION

This section applies to New Graduate Students, Undergraduate Transfer, and Re-admitted Students.

A separate enrollment and course registration process has been arranged to ease your entry or return to the University of Notre Dame. You will receive academic counselling, select courses, and enroll before all continuing students enroll.

ACADEMIC ADVISING

Contact your department regarding any academic advising.

ENROLLMENT

You must enroll for each semester you wish to receive credit at the University of Notre Dame. This is the official notification that you are in attendance for that particular semester.

Enrollment will take place at the Joyce Center on Friday, August 22, at the following times:

GRADUATES: 9:00 a.m. to noon.

UNDERGRADUATES: noon to 3:00 p.m.

To enroll, write and/or marksense on the Enrollment Form all the pertinent information requested. Sign the completed form and give it to an enrollment clerk.

STUDENT I.D. CARD

We will be implementing a new ID card system for the FALL semester. Complete details will be provided when they become available.

REGISTRATION FOR COURSES

You will receive your Personal Identification Number (PIN), to access the computerized registration system (DART), with your I.D. card packet at the time you enroll.

To register for classes you may use any touch tone telephone or the DART terminal room in the Office of the Registrar (215 Main Building) which will be reserved for your use on Friday, August 22, 1997 from 9:00 a.m. to 4:30 p.m. After this date you will be able to use the DART telephone or terminal system, to change or check your academic schedule, without an appointment.

The registration instructions are listed in the regulations and information section (pages 9-11).

HOW TO USE DART

These directions apply to both telephone and terminal registration (unless otherwise noted)

The return key [Return] on the terminal is equivalent to the # sign on the telephone

Transcripts may also be picked up by the student in the Office of the Registrar 2 to 3 days after receipt of the request, but will be stamped **ISSUED TO STUDENT**.

The University issues transcripts only of the academic work done at Notre Dame. Requests for transcripts of courses taken at other institutions should be directed to those institutions.

In general, **evaluative** information such as courses completed, grades earned, etc., cannot be issued to an outside party unless the student has given the Registrar written permission to release it to that specific party. The Registrar may, however, disclose **directory information** without the student's stated permission as allowed under The Family Educational Rights & Privacy Act.

- 3) **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.
- 4) **RIGHT TO COMPLAIN TO FERPA OFFICE:** You have the right to file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202, concerning any alleged failure by this institution to comply with FERPA.

Note: Requests for change to the final exam schedule, faculty should refer to paragraph 14.1 of the Faculty Handbook and students should refer to paragraphs 14.1 and 14.2 of the DuLac. If you are scheduled to give a departmental exam (i.e. if your course is listed above), you must give the exam at that time rather than at the standard exam time. Changes regarding St. Mary's courses need the permission of the Academic Affairs Office at SMC. **All Notre Dame Freshman examinations are departmental examinations.** The time listed for ENGL 109, and University Seminar 180 indicates when final written assignments are due and is not in conflict with other examinations and does not count in the "no more than three examinations in a 24 hour period rule."
