## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

### *Notification of Rights Under the Family Educational Rights and Privacy Act*

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. "Education records" are those records, files, documents and other materials which contain information directly related to a student and which are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. The rights afforded by FERPA are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

The Office of the Vice President and General Counsel has been designated by the University to coordinate the inspection and review procedures for student education records. A student wishing to review the student's education records must make a written request to the Office of the Vice President and General Counsel listing the specific records the student wishes to inspect and review. The form for making such a written request may be obtained from the Office of the Vice President and General Counsel. Once such a request is received, the Office of the Vice President and General Counsel will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The rights to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U. S. Department of Education  
400 Maryland Avenue, S. W.  
Washington, DC 20202-4605

At its discretion, the University, without the student's permission, may provide directory information in accordance with the provisions of FERPA. Such directory information includes: student name, addresses and telephone numbers (local and permanent), e-mail address, date and place of birth, photograph(s) of student (not ID picture), major field(s) of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the registrar in writing. These requests will be honored by the University for one academic year; therefore, authorization to withhold directory information must be filed by students annually in the Office of the Registrar.

# DART APPOINTMENTS FOR CONTINUING STUDENTS

## REGISTRATION APPOINTMENTS

Registration appointments for degree-seeking students are scheduled by student level. Within each level, 15 minute appointment periods are randomly assigned at times which do not conflict with the student's current class schedule. Registration for non-degree students in Law, Graduate Business, or Graduate School, or St. Mary's College are scheduled throughout the 1st, 2nd and 3rd periods.

Appointments are scheduled 11:00 a.m. - 4:45 p.m., Monday - Friday. No appointments are scheduled on holidays. There are normally 23 appointment periods each day. On the average, 30 students are assigned to each appointment period.

1 <sup>st</sup> Period	Seniors and 3 <sup>rd</sup> year Law	November 17 - November 20
2 <sup>nd</sup> Period	Juniors, 2 <sup>nd</sup> year Law, and Graduate Business	November 21 - November 26
3 <sup>rd</sup> Period	Sophomores, 1 <sup>st</sup> year Law, and Graduate Business	December 1 - December 4
4 <sup>th</sup> Period	Freshmen	December 5 - December 10
1 <sup>st</sup> - 3 <sup>rd</sup> Periods	Graduate School and Non-degree	November 17 - December 4

Each student receives a Registration Appointment Mailer which contains the time and date of his/her registration appointment. It also lists the department or college location where the student should go for advising and to obtain the Personal Identification Number (PIN). The PIN is needed to gain access to the DART system.

During the assigned appointment period a student can dial in to the DART system at 4-3003 (219- 634-3003 from off-campus) and select classes. Seven DART terminals are also available in the Registrar's Office for use during the appointment periods. NOTE: If the DART phone lines are busy, keep dialing. It is rare that a student is not able to connect to the DART computer during the designated appointment period. However, if this should happen, call (631-7993) or come to the Registrar's Office immediately for assistance.

Once connected, each student will have seven and one-half minutes to register. It should take less than five minutes to register if the completed DART Worksheet is used. If a student is disconnected because he/she has used the allocated time, but his/her 15 minute registration appointment period is still active, he/she can call and re-connect to DART. After a student's scheduled appointment period, they can use the "call back" period to continue to make changes to their class schedule. See the following "call back" and the "continuing registration" times for more information.

DART is available during the following times		
Registration	11:00 a.m. - 5:00 p.m. Monday - Friday (by appointment only)	11/17 - 12/10
Call Back Times (during registration appointment period)	7:00 p.m. - 12 midnight Monday - Thursday & Friday 7:00 p.m. - 4:00 p.m. Sunday	11/17 - 12/10
Continuing Registration	12 noon - 12 midnight Monday - Thursday & Friday 12 noon - 4:00 p.m. Sunday	12/11 - 1/21

#### LEVEL CALCULATION FOR UNDERGRADUATES

DART appointments are scheduled by student level. Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters (excluding summer session) and the number of semesters the student's dean has allowed for other work completed (transfer courses). The number of credit hours completed is the total number of credit hours which have been earned. Students having questions about their level should contact the associate or assistant dean in their college who is responsible for academic affairs.

The minimum number of semesters and credit hours required for each level by college are listed below:

##### School of Architecture

(162 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 60 credits

Level 4 (Senior) = 6 semesters + at least 92 credits

Level 5 (5th Year) = 8 semesters + at least 120 credits

##### College of Arts and Letters

(120 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 54 credits

Level 4 (Senior) = 6 semesters + at least 84 credits

##### College of Business Administration

(126 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 54 credits

Level 4 (Senior) = 6 semesters + at least 84 credits

##### College of Engineering

(134 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 60 credits

Level 4 (Senior) = 6 semesters + at least 92 credits

**College of Science**  
**(124 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 56 credits**

**Level 4 (Senior) = 6 semesters + at least 86 credits**

**STUDENT ADVISING AND PIN's**

**FRESHMEN**

Freshmen are advised through the First Year of Studies Office. All questions about advising and PINs should be directed to the First Year of Studies (631-7421).

**UPPERCLASS**

Students should make an appointment for academic advising and to obtain their PIN. The advising process varies among the colleges and departments. Hence, students should contact their major department for guidelines. Do this early! Those who delay advising until immediately before the registration appointment may have difficulty obtaining their PIN, which is required to DART. Once obtained, the PIN will be valid through midnight January 21, 1998. Students who are returning from an official Leave of Absence will also have PINs available in the departmental office of their major.

It is the responsibility of each student to be aware of all rules, regulations and procedures governing students at the University. Sources for this information are the Du Lac: Student Life Policies and Procedures, the Schedule of Classes, and the Bulletin of Information.

**BUILDING A CLASS SCHEDULE**

The **DART Worksheet** can be found on the inside back cover. Once the Worksheet has been completed, it will contain all the information needed during a DART registration appointment. In addition, students may find the Worksheet helpful during the advising session.

The DARTed Spring 1998 classes, as of December 23rd, will be mailed with the Fall grade mailer. This information will be mailed to the undergraduate student's home address and the post-baccalaureate student's local address as soon as Fall grades are processed in December. Schedule information can also be obtained through the web at [http://www.nd.edu/~ais/student\\_data](http://www.nd.edu/~ais/student_data)

# REGISTRATION INFORMATION

## CLASS LOADS

Undergraduate students will not be allowed to register for an "overload" class schedule without permission of the student's assistant/associate dean for academic affairs. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant/associate dean for academic affairs will enter the new maximum directly into the DART system. The student can then use DART to obtain additional classes. The maximum number of credits allowed without special permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	15
Business (juniors, seniors)	18
Engineering	19
First Year of Studies	18
Science	18
Graduate Business	16
Graduate School	12
Law	17

The following courses do not count in the overload calculations: All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and most of the Center for Social Concerns seminars.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours in a semester is considered a **part-time** student. Full-time continuing students, who wish to convert to part-time status, must request permission from their associate/assistant dean for academic affairs before the start of the semester in which part-time status is desired. If permission is granted, the dean will notify the Office of Student Accounts of the change of status. Seniors who are in their last semester, and are planning to only enroll in the classes needed to complete degree requirements and need less than 12 hours, must still obtain permission to be part-time.

## RESTRICTED ACCESS TO CLASSES

Any restrictions requested by a department will be listed in the "Comments & Restrictions" column of the Schedule of Classes. There are a number of restrictions a department might place on a class for registration. For example, classes can be reserved for departmental majors (or non-majors); classes can be restricted to a certain level, such as freshmen; or a course can be reserved for a given group (major, degree, etc.) during registration, and later opened to other students. Most level or major restrictions will end at some point during registration. When the restriction has ended, the class will be open to any student (except freshmen). Following are examples of typical restrictions which appear in the Schedule of Classes and how to interpret each one.

**EXAMPLE 1:** The restriction of "*BA students only thru 1st period*" means that only BA seniors may register for this class during the 1st period of DART, November 17-20. The class opens on the first day of the 2nd period to any junior during his/her appointment time and the following "call back" period or to any senior during the "call back" hours.

**EXAMPLE 2:** The restriction of "*BA students only thru 2nd period*" means that only BA seniors and BA juniors may register for this class during the 1st and 2nd period of DART, November 17-26, at his/her DART appointment time or during the following "call back" hours. The class opens on the first day of the 3rd period to any sophomore during his/her appointment time and the following "call back" period or to any senior or junior during "call back" hours.

**EXAMPLE 3:** The restriction of "*BA students only thru 4th period*" means that only BA seniors, BA juniors, and BA sophomores may register for this class during the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> period of DART, November 17 - December 10, at his/her appointment time and the following "call back" hours. The class opens to all seniors, juniors, and sophomores on December 11 at noon.

### **"PERMISSION REQUIRED" CLASSES**

Permission required classes are those classes for which the academic department must determine the student's qualifications (educational background, knowledge, or skills) before permission is granted to register. Obtain authorization for each "Permission Required" course from the department offering the class.

Authorization Numbers (A.N.'s) are generated for each "Permission Required" class. If the department offering the class approves a student for a "Permission Required" class, he/she will be given a 6-digit A.N. which can be used to DART into the class during the registration appointment period or the "call back" times. See How To Use DART for more specific information about using the Authorization Numbers in the DART system.

An Authorization Number is only good for one use. If the A.N. is used and then the student drops the class, a new A.N. will be needed to add the class again.

### **PASS/FAIL OPTION**

**Undergraduates:** Juniors or seniors (only) may register for one Pass/Fail course per semester or three one-credit hour courses. The course may not be in or required by the student's program of study. Permission of the student's associate/assistant dean for academic affairs is required. The last day for all Pass/Fail Option changes for the 1998 Spring semester is January 21, 1998.

Students must first register for a class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option (or change), he/she will enter the information directly on the student data base.

No notice of the pass/fail option will be communicated to the instructor of the class. At final grade time, the Office of the Registrar will interpret the final grades of "A" through "D" as "pass" (P), which is not computed in the grade point average. If a final grade of "F" is earned, it will be computed in the grade point average as an "F."

**Law Students:** The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

### **AUDITING A CLASS**

Only graduate students are permitted to audit. All regulations and restrictions regarding admission to a class remain in effect, whether or not the class is taken for audit or credit.

### **ENROLLMENT AND REGISTRATION**

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

#### **ENROLLMENT**

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing for classes). By completing the Enrollment Form a student informs the University Registrar of his/her intention to pursue the classes for which they have registered. Enrollment must be completed by 5:00 p.m. on the 7<sup>th</sup> class day.

#### **REGISTRATION**

Registration is the process by which students reserve space in classes using the Direct Access Registration by Telephone (DART) system or the DART terminals in the Office of the Registrar. All students who have registered for classes must also "Enroll" during the designated Enrollment period.

# SAINT MARY'S COLLEGE REGISTRATION INFORMATION

## REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met. DART may be used to register for selected COMM, DANC, EDUC, RLST, and THTR courses listed in this book. To register for other Saint Mary's classes, fill out a *Saint Mary's Intent* form in the Notre Dame Registrar's office.

The entire Saint Mary's College *Spring 1998 Schedule of Classes* is available through "Campus Information" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/registrar/registra972.html>

In order to receive priority by classification in Saint Mary's classes not available through DART, Notre Dame students must complete and return the *Saint Mary's Intent* form to the Notre Dame Registrar's office by **Monday, November 17**. After this date, Notre Dame students will be added to St. Mary's College classes on a space available basis. The Saint Mary's course selection(s) will appear on the Notre Dame student's schedule after December 4. After November 17, no St. Mary's College classes may be added until the first day of class in the Spring semester.

## ADDING SAINT MARY'S CLASSES

To add St. Mary's College classes during the first seven days of classes in the Spring, Notre Dame students must take an *St. Mary's Add Form* to the Saint Mary's department offering the course to obtain the signature of approval. This form must also be signed by the student's dean at Notre Dame, and then returned to the Notre Dame Registrar's office.

## DROPPING SAINT MARY'S CLASSES

Saint Mary's classes may be dropped using DART at anytime through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

# NEW STUDENT INFORMATION

*This section applies to new graduate students and undergraduate transfer or re-admitted students.*

## ORIENTATION

There will be an optional orientation conducted by the Office of the Registrar on Monday, January 12, 1998 from 8:30 a.m. to 9:00 a.m. in 101 DeBartolo Hall.

## ACADEMIC ADVISING

All new graduate students should contact their department regarding academic advising. Undergraduate students should contact their associate/assistant dean for academic affairs for academic advising and review of transfer courses.

## ENROLLMENT AND REGISTRATION

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

**ENROLLMENT:** All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing for classes). By completing the Enrollment Form a student informs the University Registrar of his/her intention to pursue the classes for which they have registered. Enrollment must be complete by 5:00 p.m. on the 7<sup>th</sup> class day.

**REGISTRATION:** Registration is the process by which students reserve space in classes using the Direct Access Registration by Telephone (DART) system or the DART computers located in the Office of the Registrar. All students who have registered for classes must also "Enroll" during the designated Enrollment period.

## ENROLLMENT

Enrollment for "new students" will take place on **January 12, 1998** at the Office of the Registrar on the 2nd floor of Grace Hall between 9:00 a.m. and 4:30 p.m.

## REGISTRATION

A Personal Identification Number (PIN) is required to use the DART system. The PINs for new students can be obtained from your department.

To register for classes you may use any touchtone telephone or the DART computers located in the Office of the Registrar outside of room 224 Grace Hall. You may register on January 12 anytime until 4:30. After this date you will be able to use the DART telephone or DART computers, to change or check your academic schedule, without an appointment through January 21, 1998.

The DART phone lines are available from 12 noon until 12 midnight Monday - Thursday and then on Friday from 12 noon until 4:00 p.m. Sunday.

All registration ends at 12 midnight on January 21, 1998.

For complete instructions concerning registration see Registration Information and How To Use DART in this publication.

#### **STUDENT I.D. CARD**

The student ID card office is also located in the Office of the Registrar. New students should obtain their campus ID card while in the office for enrollment and registration. A student ID card will be issued after the new student has had his/her photograph and signature digitally captured on the student data base. New students should also obtain an ID card *Information and Regulations* sheet while in that office.

Note: Requests for changes to the final exam schedule, faculty should refer to paragraph 14.1 of the Faculty Handbook and students should refer to paragraphs 14.1, and 14.2 of the DuLac. If you are scheduled to give a departmental exam, (i.e. if your course is listed above), you must give the exam at that time rather than at the standard exam time. Changes regarding St. Marys courses need the permission of the Academic Affairs Office at SMC. The ENGL 110 and University Seminars will not conflict with other examinations and do not count in the "no more than three examinations in a 24 hour period rule."
