## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

### *Notification of Rights Under the Family Educational Rights and Privacy Act*

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. "Education records" are those records, files, documents and other materials which contain information directly related to a student and which are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. The rights afforded by FERPA are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

The Office of the Vice President and General Counsel has been designated by the University to coordinate the inspection and review procedures for student education records. A student wishing to review the student's education records must make a written request to the Office of the Vice President and General Counsel listing the specific records the student wishes to inspect and review. The form for making such a written request may be obtained from the Office of the Vice President and General Counsel. Once such a request is received, the Office of the Vice President and General Counsel will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The rights to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U. S. Department of Education  
400 Maryland Avenue, S. W.  
Washington, DC 20202-4605

At its discretion, the University, without the student's permission, may provide directory information in accordance with the provisions of FERPA. Such directory information includes: student name, addresses and telephone numbers (local and permanent), e-mail address, date and place of birth, photograph(s) of student (not ID picture), major field(s) of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the registrar in writing. These requests will be honored by the University for one academic year; therefore, authorization to withhold directory information must be filed by students annually in the Office of the Registrar.

---

### GRADUATION RATE

Of the students entering a full-time, first-year, bachelor degree-seeking program in the fall of 1992, 94 percent graduated within six years.

The complete IPEDS Graduation Rate survey may be found in the Office of Institutional Research.

## LEVEL CALCULATION FOR UNDERGRADUATES

Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters (excluding summer session) and the number of semesters the student's dean has allowed for other work completed (transfer courses). The number of credit hours completed is the total number of credit hours which have been earned. Students having questions about their level should contact the associate or assistant dean in their college who is responsible for academic affairs.

The minimum number of semesters and credit hours required for each level by college are listed below:

### **School of Architecture**

**(162 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 60 credits**

**Level 4 (Senior) = 6 semesters + at least 92 credits**

**Level 5 (5th Year) = 8 semesters + at least 120 credits**

### **College of Arts and Letters**

**(120 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 54 credits**

**Level 4 (Senior) = 6 semesters + at least 84 credits**

### **College of Business Administration**

**(126 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 54 credits**

**Level 4 (Senior) = 6 semesters + at least 84 credits**

### **College of Engineering**

**(134 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 60 credits**

**Level 4 (Senior) = 6 semesters + at least 92 credits**

### **College of Science**

**(124 credits for degree)**

**Level 2 (Sophomore) = 2 semesters + at least 24 credits**

**Level 3 (Junior) = 4 semesters + at least 56 credits**

**Level 4 (Senior) = 6 semesters + at least 86 credits**

## CLASS LOADS

Undergraduate students will not be allowed to register for an "overload" class schedule without permission of the student's assistant/associate dean for academic affairs. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant/associate dean for academic affairs will enter the new maximum directly into the DART system. The student can then use DART to obtain additional classes. The maximum number of credits allowed without special permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	15
Business (juniors, seniors)	18
Engineering	19
First Year of Studies	18
Science	18
Graduate Business	16
Graduate School	12
Law	17

The following courses do not count in the overload calculations: All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and most of the Center for Social Concerns seminars.

## FULL/PART TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours in a semester is considered a **part-time** student. Full-time continuing students, who wish to convert to part-time status, must request permission from their associate/assistant dean for academic affairs before the start of the semester in which part-time status is desired. If permission is granted, the dean will notify the Office of Student Accounts of the change of status. Seniors who are in their last semester, and are planning to register only in the classes needed to complete degree requirements and need less than 12 hours, must still obtain permission to be part-time.

## "PERMISSION REQUIRED" CLASSES

Permission required classes are those classes for which the academic department must determine the student's qualifications (educational background, knowledge, or skills) before permission is granted to register. Obtain authorization for each "Permission Required" course from the department offering the class.

Authorization Numbers (A.N.'s) are generated for each "Permission Required" class. If the department offering the class approves a student for a "Permission Required" class, he/she will be given a 6-digit A.N. which can be used to DART into the class. See How To Use DART for more specific information about using the Authorization Numbers in the DART system.

An Authorization Number is only good for one use. If the A.N. is used and then the student drops the class, a new A.N. will be needed to add the class again.

## **PASS/FAIL OPTION**

**Undergraduates:** Juniors or seniors (only) may register for one Pass/Fail course per semester or three one-credit hour courses. The course may not be in or required by the student's program of study. Permission of the student's associate/assistant dean for academic affairs is required. The last day for all Pass/Fail Option changes for the 1999 Fall semester is September 1, 1999.

Students must first register for the desired class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option (or change), he/she will enter the information directly on the student data base.

No notice of the Pass/Fail Option will be communicated to the instructor of the class. At final grade time, the Office of the Registrar will interpret the final grades of "A" through "D" as "pass" (P), which is not computed in the grade point average. If a final grade of "F" is earned, it will be computed in the grade point average as an "F."

**Law Students:** The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

## **AUDITING A CLASS**

Only graduate students are permitted to audit. All regulations and restrictions regarding admission to a class remain in effect, whether or not the class is taken for audit or credit.

## **ENROLLMENT AND REGISTRATION**

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

### **ENROLLMENT**

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing for classes). By completing the Enrollment Form a student informs the University Registrar of his/her intention to pursue the classes for which they have registered, gives us your local address, and intent for graduation in January. Enrollment must be completed by 5:00 p.m. on the 7<sup>th</sup> class day.

### **REGISTRATION**

Registration is the process by which students reserve space in classes using the Direct Access Registration by Technology (DART) system by telephone or the DART terminals in the Office of the Registrar. All students who have registered for classes must also "Enroll" during the designated Enrollment period.

# SAINT MARY'S COLLEGE REGISTRATION INFORMATION

## REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met.

The entire Saint Mary's College *Fall 1999 Schedule of Classes* is available through "Campus Information" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/TeachingResearch/Registrar/registra99l.html>

## ADDING SAINT MARY'S CLASSES

St. Mary's College classes may be added during the first seven class days of the semester. Notre Dame students must get a *St. Mary's Add Form* from the Saint Mary's department offering the course and obtain the signature of approval. Return the form to the Notre Dame Office of the Registrar.

## DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using DART at anytime through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

# NEW STUDENT INFORMATION

This section applies to new graduate students and undergraduate transfer or re-admitted students.

## ACADEMIC ADVISING

All new graduate students should contact their department regarding academic advising. Undergraduate students should contact their associate/assistant dean for academic affairs for academic advising and review of transfer courses.

### Access to Web Information

Up-to-the-minute class status information is available on the web in *IrishLink* at <https://www2.nd.edu/irishlink>. To fully use this *IrishLink* website, you will need your AFS ID and your e-mail password authentication. You can obtain your AFS ID and e-mail password from the OIT Help Desk Center in 111 Computer Center and Math Building. Until you are able to acquire your authentication information, you can sign-in as a "guest" on *IrishLink* to view the class status information.

## ENROLLMENT AND REGISTRATION

"Enrollment" and "Registration" are two distinctly separate activities. Please read the following statements.

**ENROLLMENT:** All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing for classes). By completing the *Enrollment Form* a student informs the University Registrar of his/her intention to pursue the classes for which they have registered and gives us your local off-campus address. Enrollment must be completed by 5:00 p.m. on the 7th class day.

Enrollment for transfer or readmitted undergraduates will occur at orientation meetings at 1:00 p.m. on August 19. See your orientation schedule for locations.

Enrollment for "new graduate students" will take place on August 20, 1999 at their orientation meeting or at the Joyce Athletic and Convocation Center (enter gate 3) between 9:00 a.m. and 1:00 p.m.

**REGISTRATION:** Registration is the process by which students reserve space in classes using the Direct Access Registration by Technology (DART) system by telephone or the DART computers located in the Office of the Registrar. All students who have registered for classes must also "Enroll" during the designated Enrollment periods.

A Personal Identification Number (PIN) is required to use the DART system. The PINs for new students can be obtained at orientation or on *IrishLink* at <https://www2.nd.edu/irishlink>

To register for classes you may use any touchtone telephone or the DART computers located in the Office of the Registrar, 105 Main Building. The DART phone lines are available from 9:00 a.m. until 12 midnight Monday - Thursday, and then on Friday, August 20 from 9:00 a.m. until 4:00 p.m. Sunday, August 22. The DART computers in the Office of the Registrar are available 9:00 a.m. - 5:00 p.m. Friday, August 20, through Wednesday, September 1 (excluding weekends).

All registration ends at 12 midnight on September 1, 1999.

For complete instructions concerning registration see Registration Information and How To Use DART in this publication.
