FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

Notification of Rights Under the Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. "Education records" are those records, files, documents and other materials which contain information directly related to a student and which are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. The rights afforded by FERPA are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

The Office of the Vice President and General Counsel has been designated by the University to coordinate the inspection and review procedures for student education records. A student wishing to review the student's education records must make a written request to the Office of the Vice President and General Counsel listing the specific records the student wishes to inspect and review. The form for making such a written request may be obtained from the Office of the Vice President and General Counsel. Once such a request is received, the Office of the Vice President and General Counsel will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The rights to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, S. W.
Washington, DC 20202-4605

At its discretion, the University, without the student's permission, may provide directory information in accordance with the provisions of FERPA. Such directory information includes: student name, addresses and telephone numbers (local and permanent), e-mail address, date and place of birth, photograph(s) of student (not ID picture), major field(s) of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the registrar in writing. These requests will be honored by the University for one academic year; therefore, authorization to withhold directory information must be filed by students annually in the Office of the Registrar.

GRADUATION RATE

Of the students entering a full-time, first-year, bachelor degree-seeking program in the fall of 1992, 94 percent graduated within six years.

The complete IPEDS Graduation Rate survey may be found in the Office of Institutional Research.

Students,

During the last two registrations and drop/add periods we have had problems keeping the DART phone lines functioning properly during heavy use. To help you avoid the frustrations of an unreliable phone registration system, we will follow a different plan for Spring registration. A temporary DART Registration Center will be open November 8 - December 4 in the basement of the Hesburgh Library (G184) with thirty-five DART terminals. We ask that you go to this temporary DART Registration Center in the basement of the Library for your registration appointment. DART phone lines will not be available for registration appointments (9:00 a.m. - 4:45 p.m).

We have always provided DART terminals as an alternative to phone registration and some tell us that they prefer to use the DART terminals. Since there are more terminals available (35) in G184 than students assigned at any given registration appointment, there should never be a wait. As you enter the Hesburgh Library by the west doors, signs will guide you to the basement DART Registration Center. Because of limited space in the basement area, we ask that you come to the Center no earlier than 10 minutes before your appointment time.

For your access to DART after your registration appointment ("call back times"), the DART Registration Center will be open from 5:00 p.m. - 8:00 p.m. Monday - Friday from November 8 - December 1 (except for the Thanksgiving holidays). Since the problems with the DART phone lines have most often occurred when several students try to access the phone lines at the same time (i.e. DART appointments and heavy drop/add periods), we will open access to the DART phone lines from 8:00 p.m. - mid-night each day of the registration period and over the weekends and holidays. With fewer users we expect the phone lines to function properly during these periods.

We are working on a web registration system and fully expected it to be ready for use in Spring 2001 registration. Unfortunately, technical problems with software delayed completion of the system. Because we are concentrating all of our resources in developing web registration, we chose to not invest in new phone technology. We are still confident that we will have web registration up and running in the near future and it will replace the DART phone and terminal registration. However, we will not release web registration until we are completely satisfied that it will work properly for you.

I apologize for any inconvenience these special registration conditions may cause you as you register for Spring 2001 classes. We are committed to helping you complete your Spring registration under these special conditions. If you foresee a unique registration problem caused by the DART phone lines not being available, please come to our office (105 Main Building) or contact our office registration staff to see how we can help you.

Sincerely,

Harold L. Pace
University Registrar

DART REGISTRATION INFORMATION

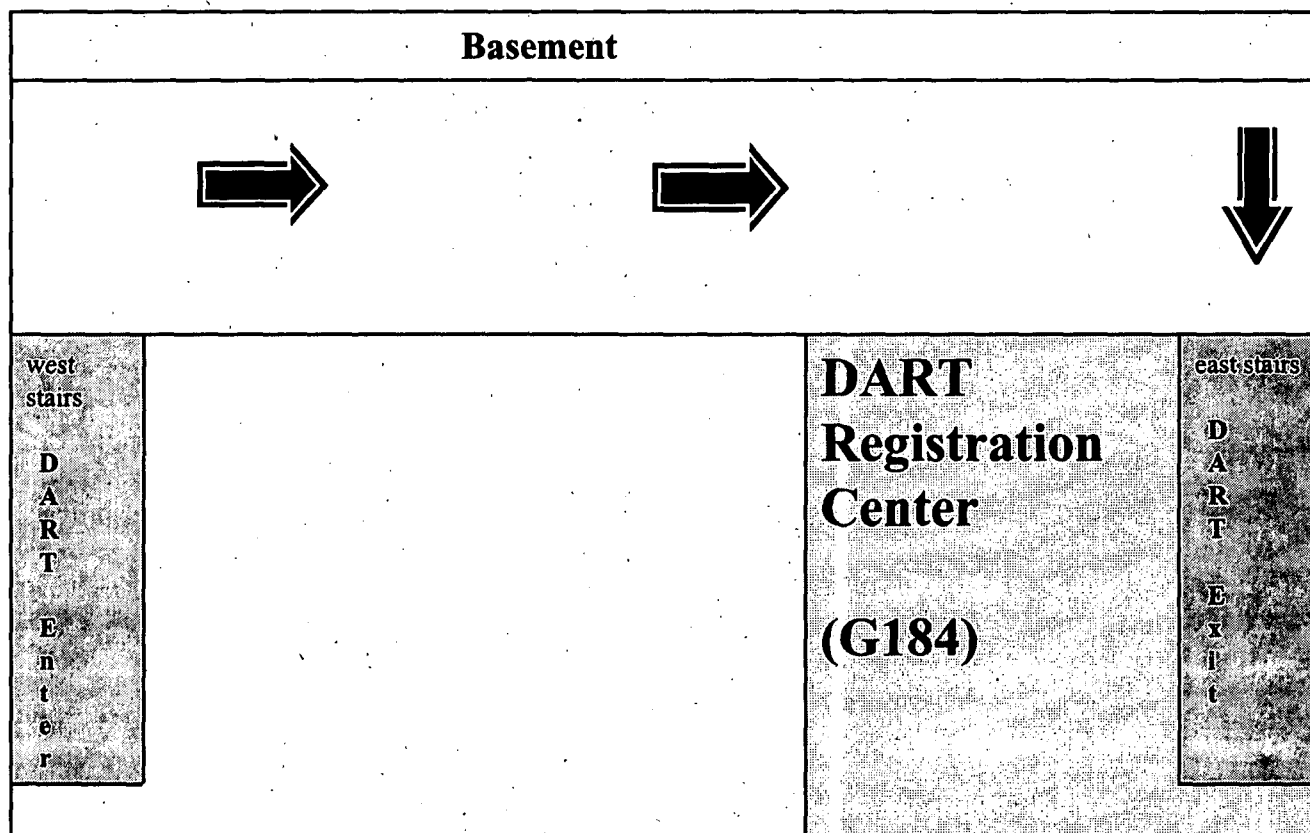

DART REGISTRATION CENTER ROOM G-184 HESBURGH LIBRARY BASEMENT

Due to problems with the DART phone lines, they will NOT be available during DART appointments.

For the Spring 2001 DART registration period each student must go to the temporary DART Registration Center, Room G184, in the basement of the Hesburgh Library during his/her assigned appointment period. Thirty-five (35) DART terminals are available for students to use during this registration period. There will be a terminal for each student during his/her assigned appointment time. If you need help with your registration, there will be assistance available in the DART Registration Center. (See the map below for directions to Room G184, Hesburgh Library)

Hesburgh Library

Please use the doors located on the west side of the building (the side facing "Stonehenge")

As before, once connected to the DART registration system, each student will first have seven and one-half (7 ½) minutes to register. If a student is disconnected because he/she has used the allocated time, but are still within the fifteen (15) minute assigned appointment period, he/she can log back into DART and reconnect for another seven and one-half (7 ½) minutes.

After a student's assigned appointment period, he/she can use the "call back" times to go back to the DART Registration Center and make changes to his/her class schedule. The DART Registration Center will be open from November 8 through December 4 (Monday through Friday). Beginning December 5 the DART terminals in the Office of the Registrar will be available for students to make class schedule changes. (See the following tables for dates and times)

APPOINTMENT ASSIGNMENTS:

Your registration assigned appointment time and date can be found through IrishLink at <https://www2.nd.edu/irishlink>

Registration appointments for students are scheduled by student level, as shown in the following table:

1st Period	Seniors, 3 rd year Law, and Graduate Business	November 8 - 13
2nd Period	Juniors, 2 nd year Law, and Graduate Business	November 14 - 17
3rd Period	Sophomores	November 20 - 27
4th Period	Freshmen	November 28 - December 1
1st - 3rd Periods	Graduate School and Non-degree	November 8 - 27

STUDENT ADVISING AND PINS:

Students should make an appointment for academic advising and to obtain their PIN. The advising process varies among the colleges and departments. Hence, students should contact their major department for guidelines. Do this early! Those who delay advising until immediately before the registration appointment may have difficulty obtaining their PIN, which is required to DART. Once obtained, the PIN will be valid through midnight January 24, 2001. Students who are returning from an official Leave of Absence will also have PINs available in the departmental office of their major.

It is the responsibility of each student to be aware of all rules, regulations and procedures governing students at the University. Source for this information are the *du Lac: A Guide a Student Life*, the *Schedule of Classes*, and the *Bulletin of Information*.

BUILDING A CLASS SCHEDULE:

It will be helpful to fill out a *DART Worksheet* (or something similar). The *DART Worksheet* can be found on the inside back cover. Once the *DART Worksheet* has been completed, it will contain all the information needed to DART. In addition, students may find the *DART Worksheet* helpful during the advising session.

Up-to-the-minute class status information (seats available, open/closed classes) can be found in IrishLink at <https://www2.nd.edu/irishlink>

The DARTed Spring 2001 classes, as of December 20, will be mailed with the Fall grades. This information will be mailed to the undergraduate student's home address and the post-baccalaureate student's local address as soon as Fall grades are processed in December. Schedule information can also be obtained through the web at <https://www2.nd.edu/irishlink>. This web site also shows real-time class status.

GENERAL REGISTRATION INFORMATION

LEVEL CALCULATIONS FOR UNDERGRADUATES

DART appointments are scheduled by student level. Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters (excluding summer session) and the number of semesters the student's dean has allowed for other work completed (transfer courses). The number of credit hours completed is the total number of credit hours which have been earned. Students having questions about their level should contact the associate or assistant dean in their college who is responsible for academic affairs.

The minimum number of semesters and credit hours required for each level by college are listed below:

School of Architecture (162 credits for degree)

- Level 2** (Sophomore) = 2 semesters + at least 24 credits
- Level 3** (Junior) = 4 semesters + at least 60 credits
- Level 4** (Senior) = 6 semesters + at least 92 credits
- Level 5** (5th Year) = 8 semesters + at least 120 credits

College of Arts and Letters (120 credits for degree)

- Level 2** (Sophomore) = 2 semesters + at least 24 credits
- Level 3** (Junior) = 4 semesters + at least 54 credits
- Level 4** (Senior) = 6 semesters + at least 84 credits

College of Business Administration (126 credits for degree)

- Level 2** (Sophomore) = 2 semesters + at least 24 credits
- Level 3** (Junior) = 4 semesters + at least 54 credits
- Level 4** (Senior) = 6 semesters + at least 84 credits

College of Engineering (134 credits for degree)

- Level 2** (Sophomore) = 2 semesters + at least 24 credits
- Level 3** (Junior) = 4 semesters + at least 60 credits
- Level 4** (Senior) = 6 semesters + at least 92 credits

College of Science (124 credits for degree)

- Level 2** (Sophomore) = 2 semesters + at least 24 credits
- Level 3** (Junior) = 4 semesters + at least 56 credits
- Level 4** (Senior) = 6 semesters + at least 86 credits

CLASS LOADS

Undergraduate students will not be allowed to register for an "overload" class schedule without permission of the student's assistant/associate dean for academic affairs. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant/associate dean for academic affairs will enter the new maximum directly into the DART system. The student can then use DART to obtain additional classes. The maximum number of credits allowed without special permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	15
Business (juniors, seniors)	18
Engineering	19
First Year of Studies	18
Science	18
Graduate Business	16
Graduate School	12
Law	17

The following courses do not count in the overload calculations: All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and most of the Center for Social Concerns seminars.

FULL/PART-TIME STATUS

An undergraduate degree-seeking student carrying fewer than 12 credit hours in a semester is considered a **part-time** student. Full-time continuing students, who wish to convert to part-time status, must request permission from their associate/assistant dean for academic affairs before the start of the semester in which part-time status is desired. If permission is granted, the dean will notify the Office of Student Accounts of the change of status. Seniors who are in their last semester, and are planning to register only in the classes needed to complete degree requirements and need less than 12 hours, must still obtain permission to be part-time.

"PERMISSION REQUIRED" CLASSES

Permission required classes are those classes for which the academic department must determine the student's qualifications (educational background, knowledge, or skills) before permission is granted to register. Obtain authorization for each "Permission Required" course from the department offering the class.

An Authorization Number (AN) is generated for each "Permission Required" class. If the department offering the class approves a student for a "Permission Required" class, he/she will be given a 6-digit AN which can be used to DART into the class during the registration appointment period or the "call back" times. See How To Use DART for more specific information about using the Authorization Numbers in the DART system.

An Authorization Number is only good for one use. If the AN is used and then the student drops the class, a new AN will be needed to add the class again.

RESTRICTED ACCESS TO CLASSES

Any restrictions requested by a department will be listed in the "Comments & Restrictions" column of the *Schedule of Classes*. There are a number of restrictions a department might place on a class for registration. For example, classes can be reserved for departmental majors (or non-majors); classes can be restricted to a certain level, such as sophomores; or a course can be reserved for a given group (major, degree, etc.) during registration, and later opened to other students. Most level or major restrictions will end at some point during registration. When the restriction has ended, the class will be open to any student. Following are examples of typical restrictions which appear in the *Schedule of Classes* and how to interpret each one:

EXAMPLE 1: The restriction of "*BA students only thru 1st period*" means that only BA seniors may register for this class during the 1st period of DART. The class opens on the first day of the 2nd period to any junior during his/her appointment time and the following "call back" period or to any senior during the "call back" hours.

EXAMPLE 2: The restriction of "*BA students only thru 2nd period*" means that only BA seniors and BA juniors may register for this class during the 1st and 2nd period of DART at his/her DART appointment time or during the following "call back" hours. The class opens on the first day of the 3rd period to any sophomore during his/her appointment time and the following "call back" period or to any senior or junior during "call back" hours.

EXAMPLE 3: The restriction of "*BA students only thru 3rd period*" means that only BA seniors, BA juniors, and BA sophomores may register for this class during the 1st, 2nd, and 3rd period of DART at his/her appointment time and the following "call back" hours.

PASS/FAIL OPTION

Undergraduates: Juniors or seniors (only) may register for one Pass/Fail course per semester or three one-credit hour courses. The course may not be in or required by the student's program of study. Permission of the student's associate/assistant dean for academic affairs is required. The last day for all Pass/Fail Option changes for the Spring 2001 semester is January 24, 2001.

Students must first register for a class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option (or change), he/she will enter the information directly on the student database.

No notice of the pass/fail option will be communicated to the instructor of the class. At final grade time, the Office of the Registrar will interpret the final grades of "A" through "D" as "pass" (P), which is not computed in the grade point average. If a final grade of "F" is earned, it will be computed in the grade point average as an "F."

Law Students: The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

AUDITING A CLASS

Only graduate students are permitted to audit. All regulations and restrictions regarding admission to a class remain in effect, whether or not the class is taken for audit or credit.

ENROLLMENT AND REGISTRATION

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

ENROLLMENT

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration" (DARTing for classes). By completing the Enrollment Form a student informs the University Registrar of his/her intention to pursue the classes for which they have registered. Enrollment must be completed by 5:00 p.m. on the 7th class day.

REGISTRATION

Registration is the process by which students reserve space in classes using the Direct Access Registration by TERMINAL (DART) system. All students who have registered for classes must also "Enroll" during the designated Enrollment period.

SAINT MARY'S COLLEGE REGISTRATION INFORMATION

The entire Saint Mary's College *Spring 2001 Schedule of Classes* is available through "Campus Information" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/registrar/registra002.html>

REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met.

There are two methods of registering for Saint Mary's College classes:

- A) DART may be used to register for selected DANC, EDUC, RLST, and THTR classes. These courses are listed in the book.

Any Saint Mary's classes successfully registered for using the DART system will immediately appear on the Notre Dame Student's schedule.

- B) To register for other Saint Mary's classes, fill out a *Saint Mary's Intent* form, which is available in the Notre Dame Office of the Registrar.

In order to receive priority by student level, the intent form must be returned to the Notre Dame Office of the Registrar by Tuesday, November 14. Forms returned after this date are considered by Saint Mary's College only if space is available. However, after Friday, December 1, no forms will be processed until the first day of Spring 2001 classes.

Any Saint Mary's College classes successfully registered will appear on the Notre Dame student's schedule after registration.

ADDING SAINT MARY'S CLASSES

St. Mary's College classes may be added during the first seven class days of the semester. Notre Dame students must take a *St. Mary's Add Form* to the Saint Mary's department offering the course and obtain the signature of approval. This form must also be signed by the student's dean at Notre Dame, and then returned to the Notre Dame Registrar's office.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using DART at anytime through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

ROMANCE LANGUAGES AND LITERATURES

ROOM 343 O'SHAUGHNESSY HALL

In order to register for Romance Language courses 102, 102A, 103, 201, or 241, students must be in the language sequence and have taken the course prerequisites. In French or Spanish, students may receive advanced placement into a course by taking either the CEEB, AP or Notre Dame exams. If you have previous language experience in French or Spanish, but are not in a language sequence and have not taken a placement exam, you must sign up for the department exam by sending an email to Carter.30@nd.edu. Registration began on Monday, October 23rd and ends on Friday, October 27th at 5:00 p.m. Juniors and Seniors who miss the deadline need to register in person in the department office on Monday, October 30th. Exams will be given from 7:00 p.m. to 9:00 p.m. on Tuesday, October 31st. Results may be looked up on Irishlink (check "cr" for credits), with hard copies mailed by the Registrar. Students will be able to use DART to register for classes. If you have questions, please call the Department of Romance Languages and Literatures at 1-6887 or come to the department office, 343 O'Shaughnessy Hall.

Frequently asked questions:

It is my DART appointment time, I just called but I cannot get through.

Registration by phone is only available this semester for "call back" (on a limited schedule) after your original DART appointment has passed. Go to the Registration Center or Registrar's office (see pages 11-14)

I went to the Registrar's office to register but all of the DART terminals were taken

While there are only six terminals at the Registrar's office there are 35 at the DART Registration Center in the Hesburgh Library. (See pages 12 & 13 for times)

Where should I take my exemption form?

Registrar staff are available at the Dart Registration Center (see pages 12 & 13 for times)

I missed my appointment time - when/where should I register?

You can register by going to the Dart Registration Center between 5:00 p.m. and 8:00 p.m. Monday through Friday or by calling 634-3003 during the call back times (see pages 12 & 13).

I lost my PIN number

Continuing students can obtain your PIN number from your department. First Year students can obtain your PIN number from First Year Studies.

I recently changed my major and my new department does not have my PIN number?

If you have changed your major AFTER November 1, 2000 your OLD department will have your PIN number.

I am a senior but my appointment time is for a junior. What should I do?

If your level is incorrect see the dean of your college for a Student Status Update form. Bring this completed form to the Registration Center so that the Registrar's staff can correct your appointment time.

I will be unavailable during my assigned appointment time.

A DART appointment WILL NOT be changed unless it is scheduled during a class for which you are properly registered.

My allotted credit hours are 12 but I need to take 13 credit hours this semester.

If you need to register for more than your allotted credit hours you must get permission from your dean. Your dean will enter the change in the system which will allow you to register for all of your classes.

How can I sign up to take a class pass/fail?

See page 17

How can I get a copy of my schedule?

You can get your schedule from IrishLink and print it from any computer cluster.

I am a Notre Dame student, how do I register for a class at Saint Mary's?

See page 19.

How can I change my major?

You need to see the dean of your college for a major change form.

How long do I have to add/drop a class?

You have until the seventh class (January 24) day to add/drop a class through DART. January 24 is the last day to add a class. To drop a class after January 24 you will need to use an Academic Course Change form which you can obtain from your academic department.

If you are scheduled to give a departmental exam, (i.e. if your course is listed above), you must give the exam at that time rather than at the standard exam time. Changes regarding Saint Mary's courses need the permission of the Academic Affairs Office at SMC. The FYC 110 and University Seminar 180 will not conflict with other examinations and do not count in the "no more than three examinations in a 24-hour period" rule.
