## FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

### *Notification of Rights Under the Family Educational Rights and Privacy Act*

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. "Education records" are those records, files, documents and other materials which contain information directly related to a student and which are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. The rights afforded by FERPA are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

The Office of the Vice President and General Counsel has been designated by the University to coordinate the inspection and review procedures for student education records. A student wishing to review the student's education records must make a written request to the Office of the Vice President and General Counsel listing the specific records the student wishes to inspect and review. The form for making such a written request may be obtained from the Office of the Vice President and General Counsel. Once such a request is received, the Office of the Vice President and General Counsel will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The rights to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office  
U. S. Department of Education  
400 Maryland Avenue, S. W.  
Washington, DC 20202-4605

At its discretion, the University, without the student's permission, may provide directory information in accordance with the provisions of FERPA. Such directory information includes: student name, addresses and telephone numbers (local and permanent), e-mail address, date and place of birth, photograph(s) of student (not ID picture), major field(s) of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the registrar in writing. These requests will be honored by the University for one academic year; therefore, authorization to withhold directory information must be filed by students annually in the Office of the Registrar.

---

### GRADUATION RATE

Of the students entering a full-time, first-year, bachelor degree-seeking program in the fall of 1994, 94 percent graduated within six years.

The complete IPEDS Graduation Rate survey may be found in the Office of Institutional Research.

#### APPOINTMENT ASSIGNMENTS:

Starting on Wednesday, March 28, your registration appointment time and date will be posted on **IrishLink** at <https://www2.nd.edu/irishlink/>. Click on "Fall Appointment Time" to see your appointment information. You can pick up your Personal Information Number (PIN) at the department of your major. You will need this PIN to access the Web Registration screens.

Registration appointments for students are scheduled by student level, as shown in the following table:

1 <sup>st</sup> Period	Seniors, 3 <sup>rd</sup> year Law, and Graduate Business	April 10 - 12
2 <sup>nd</sup> Period	Juniors, 2 <sup>nd</sup> year Law, and Graduate Business	April 15 - 17
3 <sup>rd</sup> Period	Sophomores	April 18 - 22
1 <sup>st</sup> - 3 <sup>rd</sup> Periods	Graduate School and Non-degree	April 10 - 22

#### STUDENT ADVISING AND PINS:

Students should make an appointment for academic advising and to obtain their Personal Identification Number (PIN). The advising process varies among the colleges and departments. Hence, students should contact their major department for guidelines. Do this early! Those who delay advising until immediately before the registration appointment may have difficulty obtaining their PIN, which is required for registration.

Once obtained, the PIN will be valid through midnight September 4, 2002. Students who are returning from an official Leave of Absence will also have PINs available in the departmental office of their major.

It is the responsibility of each student to be aware of all rules, regulations and procedures governing students at the University. Source for this information are the *du Lac: A Guide a Student Life*, the *Schedule of Classes*, and the *Bulletin of Information*.

## LEVEL CALCULATIONS FOR UNDERGRADUATES

Web Registration appointments are scheduled by student level. Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters (excluding summer session) and the number of semesters the student's dean has allowed for other work completed (transfer courses). The number of credit hours completed is the total number of credit hours which have been earned. Students having questions about their level should contact the associate or assistant dean in their college who is responsible for academic affairs.

You can check your student level at **IrishLink** at <https://www2.nd.edu/irishlink/>

The minimum number of semesters and credit hours required for each level by college are listed below:

### School of Architecture

(162 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 60 credits

Level 4 (Senior) = 6 semesters + at least 92 credits

Level 5 (5th Year) = 8 semesters + at least 120 credits

### College of Arts and Letters

(120 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 54 credits

Level 4 (Senior) = 6 semesters + at least 84 credits

### College of Business Administration

(126 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 54 credits

Level 4 (Senior) = 6 semesters + at least 84 credits

### College of Engineering

(134 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 60 credits

Level 4 (Senior) = 6 semesters + at least 92 credits

### College of Science

(124 credits for degree)

Level 2 (Sophomore) = 2 semesters + at least 24 credits

Level 3 (Junior) = 4 semesters + at least 56 credits

Level 4 (Senior) = 6 semesters + at least 86 credits

## CLASS LOADS

Undergraduate students will not be allowed to register for an "overload" class schedule without permission of the student's assistant/associate dean for academic affairs. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant/associate dean for academic affairs will enter the new maximum directly into the student system. The student can then use **Web Registration** to obtain additional classes. The maximum number of credits allowed without special permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	15
Business (juniors, seniors)	18
Engineering	19
First Year of Studies	18
Science	18
Graduate Business	16
Graduate School	12
Law	17

The following courses do not count in the overload calculations: All AS, MSCI, NSCI courses; MUS 100D (varsity band), MUS 101D (chamber orchestra), MUS 103D (glee club), MUS 104D (chapel choir), MUS 107D (concert band), MUS 121D (jazz ensemble), MUS 203D (choral), private music lessons, and most of the Center for Social Concerns seminars.

## FULL/PART-TIME STATUS

An undergraduate degree-seeking student **must be in full-time status each semester**. Any undergraduate student who is enrolled in at least 12 credit hours is considered **full-time**. A student who believes that special circumstances may require him/her to carry fewer than 12 semester hours in any semester (including a senior in his or her last semester), must seek approval to be part-time from his or her respective college. This request and conversion, if approved, must be made before the seventh class day of a Fall or Spring semester. If permission is granted, the dean will notify the Office of Student Accounts of the change of status and an adjustment to tuition will be made if necessary. No adjustment to tuition will be made without permission of the dean.

## "PERMISSION REQUIRED" CLASSES

Permission required classes are those classes for which the academic department must determine the student's qualifications (educational background, knowledge, or skills) before permission is granted to register. Obtain authorization for each "Permission Required" course from the department offering the class.

An **Authorization Number (AN)** is generated for each "Permission Required" class. If the department offering the class approves a student for a "Permission Required" class, he or she will be given a 6-digit AN which can be used to register into the class during the **Web Registration** appointment period or the "open registration" time. See **Web Registration Instructions** or **Telephone Access Instructions** for more specific information about using the Authorization Numbers in the registration system.

An Authorization Number is only good for one use. If the AN is used and then the student drops the class, a new AN will be needed to add the class again.

## RESTRICTED ACCESS TO CLASSES

Any restrictions requested by a department will be listed in the "Comments & Restrictions" column of the *Schedule of Classes*. There are a number of restrictions a department might place on a class for registration. For example, classes can be reserved for departmental majors (or non-majors); classes can be restricted to a certain level, such as sophomores; or a course can be reserved for a given group (major, degree, etc.) during registration, and later opened to other students. Most level or major restrictions will end at some point during registration. When the restriction has ended, the class will be open to any student. Following are examples of typical restrictions which appear in the *Schedule of Classes* and how to interpret each one:

**EXAMPLE 1:** The restriction of "*BA students only thru 1st period*" means that only BA seniors may register for this class during the 1st period of registration. The class opens on the first day of the 2nd period to any junior during his or her registration appointment time and the following "open registration" period or to any senior during the "open registration" times.

**EXAMPLE 2:** The restriction of "*BA students only thru 2nd period*" means that only BA seniors and BA juniors may register for this class during the 1st and 2nd period of registration at his or her registration appointment time or during the following "open registration" times. The class opens on the first day of the 3rd period to any sophomore during his or her registration appointment time and the following "open registration" period or to any senior or junior during "open registration" times.

**EXAMPLE 3:** The restriction of "*BA students only thru 3rd period*" means that only BA seniors, BA juniors, and BA sophomores may register for this class during the 1st, 2nd, and 3rd period of registration at his or her appointment time and the following "open registration" hours.

## PASS/FAIL OPTION

**Undergraduates:** Juniors or seniors (only) may register for one Pass/Fail course per semester or three one-credit hour courses. The course may not be in or required by the student's program of study. Permission of the student's associate/assistant dean for academic affairs is required. The last day for all Pass/Fail Option changes for the Fall 2002 semester is September 4, 2002.

Students must first register for a class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option (or change), he or she will enter the information directly on the student database.

No notice of the pass/fail option will be communicated to the instructor of the class. At final grade time, the Office of the Registrar will interpret the final grades of "A" through "D" as "pass" (P), which is not computed in the grade point average. If a final grade of "F" is earned, it will be computed in the grade point average as an "F."

**Law Students:** The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

## AUDITING A CLASS

Only graduate students are permitted to audit. All regulations and restrictions regarding admission to a class remain in effect, whether or not the class is taken for audit or credit.

## ENROLLMENT AND REGISTRATION

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

### ENROLLMENT

All students are required to complete an Enrollment Form each semester. This is a separate procedure from "registration". By completing the "Enrollment Form" a student informs the University Registrar of his or her intention to pursue the classes for which they have registered. Enrollment must be completed by 5:00 p.m. on the 7<sup>th</sup> class day.

### REGISTRATION

Registration is the process by which students reserve space in classes using Web Registration or the telephone system. All students who have registered for classes must also "Enroll" during the designated Enrollment period.

### BUILDING A CLASS SCHEDULE:

It will be helpful to fill out a *Registration Worksheet* (or something similar). It can be found on the inside back cover. Once the *Registration Worksheet* has been completed, it will contain all the information needed to register. In addition, students may find the worksheet helpful during the advising session.

Up-to-the-minute class status information (seats available, open/closed classes) can be found through **IrishLink** at <https://www2.nd.edu/irishlink/>.

Schedule information and real-time class status can be obtained through **IrishLink** at <https://www2.nd.edu/irishlink/>.

Your Fall 2002 class schedule, as of May 16th, will also be mailed with the Spring 2002 grades. This information will be mailed to the undergraduate student's home address and the post-baccalaureate student's local address. If you need to change your mailing address please do so before you leave for the semester break. If you need your final grades sent to a second address please contact the Office of the Registrar with the second address information. The mailing to the second address will be mailed as soon as possible after May 16th.

## SAINT MARY'S COLLEGE REGISTRATION INFORMATION

The entire Saint Mary's College Fall 2002 Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/TeachingResearch/>

### REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met.

There are two methods of registering for Saint Mary's College classes:

- A) Web Registration for Classes may be used to register for selected DANC, EDUC, RLST, and THTR classes. These courses are listed in this book.

Any Saint Mary's classes successfully registered for using the Web Registration system will immediately appear on the Notre Dame Student's schedule.

- B) To register for other Saint Mary's classes, fill out a *Saint Mary's Intent* form, which is available in the Notre Dame Office of the Registrar.

In order to receive priority by student level, the intent form must be returned to the Notre Dame Office of the Registrar by Friday, April 19. Forms returned after this date are considered by Saint Mary's College only if space is available. However, after Friday, April 23 no forms will be processed until the first day of Fall 2002 classes.

Any Saint Mary's College classes successfully registered will appear on the Notre Dame student's schedule after registration.

### ADDING SAINT MARY'S CLASSES

St. Mary's College classes may be added during the first seven class days of the semester. Notre Dame students must take a *St. Mary's Add Form* to the Saint Mary's department offering the course and obtain a signature of approval. This form must also be signed by the student's dean at Notre Dame, and then returned to the Notre Dame Registrar's office.

### DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using Web Registration at anytime through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

# Web Registration

1. Before you can use the online registration system to register for classes, you must be advised in your department and obtain your **Registration Personal Identification Number (PIN)**.
2. If you are planning to register for a class that is **Permission Required**, you will also need to visit the department offering the class and get an **Authorization Number (AN)** to enter into the system when prompted.
3. Log in to **IrishLink** by entering your **AFS ID/Username** and **AFS Password (the same as your E-Mail password)**. Click on the **Login** button and **IrishLink** will take you to a welcome page. On the left side column click on the **Spring Registration** tab.
4. You will be prompted to enter your **Registration PIN**. Click the **Continue** button.
5. Once your PIN has been validated, the **Web Registration** page will appear.
6. On the left side of the page are buttons that will allow you to **Add, Drop, Swap** and **Alter** classes.
7. The bottom of the page will show any classes for which you are already registered and will update as you make changes.

## ADDING A CLASS

1. To add a class, click on the **Add Class** button. Enter the class call number in the blank provided and click the **Process Add** button. If you do not know the call number you can search for it by clicking on the **Find Class** button.
2. On the **Find Class** search screen, you can search by department, by course number, by day, or by time. After you have entered the criteria, click the **Process Find** button and you will be presented with a list of open classes matching your criteria. It may take several seconds for this list to appear. Repeatedly clicking the **Process Find** button will only slow down your search.
3. Once you locate a class on the open classes list, you can click the red double arrows to the left of the class name, or you can type the call number in the box at the top of the page. Once the call number has been entered, click the **Process Add** button. If you are approved for the class, a box will appear indicating that the class has been added and informing you of your total credits. Other communication boxes will appear if there are problems.

## ADDING A "PERMISSION REQUIRED" CLASS

When you add a class that is **Permission Required** you will be prompted for a six digit **Authorization Number (AN)**. *To see if your class is in this category, check the **Comments and Restrictions** section in the class schedule.* This AN number can only be obtained from the department offering the class. Enter the AN in the blank and you will be authorized to register for that class.

## ADDING A CLASS WITH "CO-REQ" REQUIREMENTS

When you add a class that has a **Co-Req(s)** required you must add the required **Co-Req(s)** during the same registration session, before selecting the **Save all work and Quit**. If you try to exit your session without adding the needed **Co-Req(s)** a warning notice will come onto the screen. You will be given a second chance to add the needed **Co-Req(s)**. Failure to add the required **Co-Req(s)** will result in the loss of the class which had the **Co-Req(s)** requirement. *To see if your class has a **Co-Req(s)** requirement, check the **Comments and Restrictions** section in the class schedule.*

## SAVING YOUR SCHEDULE

When you have completed your work and are ready to exit the system, click on the **Save all work and quit** button to save your schedule and exit the registration screen.

## DROPPING A CLASS

1. To drop a class, click on the **Drop Class** button. You can click on the double red arrows next to the class on your schedule that you wish to drop, or you can enter the course call number in the blank provided. Click the **Process Drop** button.
2. Once your class has been dropped, a confirmation box will appear informing you of the total number of credits after the change.
3. **NOTE:** If you drop a class that is a **Permission Required** class and needed an **Authorization Number (AN)**, you will not be able to add that class again without receiving a new AN from the department offering the class.

## SWAPPING CLASSES

1. The **Swap Class** function allows you to perform a drop and an add at the same time.
2. Click on the **Swap Class** button, you will be given blanks for the call number of the class you wish to add and the class you wish to drop.
3. **NOTE:** If you need to search for the call number of the class you wish to add it is advised that you first type in the call number of the class you wish to drop and then to perform a search for the call number of the class you wish to add. The drop will not be processed unless the add is successful.
4. Once both numbers are entered, click the **Process Swap** button.
5. A confirmation box will appear informing you of your total credits after the change.

## ALTERING A CLASS

The alter class function allows you to change the number of credits you wish to take in a variable credit class (i.e. independent study). Graduate students can also change to or from Auditing a class.

## UNDO AND QUIT

If you wish to quit the registration screen and undo all the work you have done during the session, click on the **Undo all work and quit** button. This will delete all the adds and drops you have done during this registration session.

## PRINTING YOUR SCHEDULE

Have the cursor in the area of your schedule. Go to the menu bar at the top of the Netscape space. Click on **File**. From the drop down menu select **Print Frame**.
