Web Registration

1. Before you can use the online registration system to register for classes, you must be advised in your department and obtain your **Registration Personal Identification Number (PIN)**.
2. If you are planning to register for a class that is **Permission Required**, you will also need to visit the department offering the class and get an **Authorization Number (AN)** to enter into the system when prompted.
3. Log in to **IrishLink** by entering your **AFS ID/Username** and **AFS Password (the same as your E-Mail password)**. Click on the **Login** button and **IrishLink** will take you to a welcome page. On the left side column click on the **Spring Registration** tab.
4. You will be prompted to enter your **Registration PIN**. Click the **Continue** button.
5. Once your PIN has been validated, the **Web Registration** page will appear.
6. On the left side of the page are buttons that will allow you to **Add, Drop, Swap** and **Alter** classes.
7. The bottom of the page will show any classes for which you are already registered and will update as you make changes.

ADDING A CLASS

1. To add a class, click on the **Add Class** button. Enter the class call number in the blank provided and click the **Process Add** button. If you do not know the call number you can search for it by clicking on the **Find Class** button.
2. On the **Find Class** search screen, you can search by department, by course number, by day, or by time. After you have entered the criteria, click the **Process Find** button and you will be presented with a list of open classes matching your criteria. It may take several seconds for this list to appear. Repeatedly clicking the **Process Find** button will only slow down your search.
3. Once you locate a class on the open classes list, you can click the red double arrows to the left of the class name, or you can type the call number in the box at the top of the page. Once the call number has been entered, click the **Process Add** button. If you are approved for the class, a box will appear indicating that the class has been added and informing you of your total credits. Other communication boxes will appear if there are problems.

ADDING A "PERMISSION REQUIRED" CLASS

When you add a class that is **Permission Required** you will be prompted for a six digit **Authorization Number (AN)**. *To see if your class is in this category, check the **Comments and Restrictions** section in the class schedule.* This AN number can only be obtained from the department offering the class. Enter the AN in the blank and you will be authorized to register for that class.

ADDING A CLASS WITH "CO-REQ" REQUIREMENTS

When you add a class that has a **Co-Req(s)** required you must add the required **Co-Req(s)** during the same registration session, before selecting the **Save all work and Quit**. If you try to exit your session without adding the needed **Co-Req(s)** a warning notice will come onto the screen. You will be given a second chance to add the needed **Co-Req(s)**. Failure to add the required **Co-Req(s)** will result in the loss of the class which had the **Co-Req(s)** requirement. *To see if your class has a **Co-Req(s)** requirement, check the **Comments and Restrictions** section in the class schedule.*

SAVING YOUR SCHEDULE

When you have completed your work and are ready to exit the system, click on the **Save all work and quit** button to save your schedule and exit the registration screen.

DROPPING A CLASS

1. To drop a class, click on the **Drop Class** button. You can click on the double red arrows next to the class on your schedule that you wish to drop, or you can enter the course call number in the blank provided. Click the **Process Drop** button.
2. Once your class has been dropped, a confirmation box will appear informing you of the total number of credits after the change.
3. **NOTE:** If you drop a class that is a **Permission Required** class and needed an **Authorization Number (AN)**, you will not be able to add that class again without receiving a new AN from the department offering the class.

SWAPPING CLASSES

1. The **Swap Class** function allows you to perform a drop and an add at the same time.
2. Click on the **Swap Class** button, you will be given blanks for the call number of the class you wish to add and the class you wish to drop.
3. **NOTE:** If you need to search for the call number of the class you wish to add it is advised that you first type in the call number of the class you wish to drop and then to perform a search for the call number of the class you wish to add. The drop will not be processed unless the add is successful.
4. Once both numbers are entered, click the **Process Swap** button.
5. A confirmation box will appear informing you of your total credits after the change.

ALTERING A CLASS

The alter class function allows you to change the number of credits you wish to take in a variable credit class (i.e. independent study). Graduate students can also change to or from Auditing a class.

UNDO AND QUIT

If you wish to quit the registration screen and undo all the work you have done during the session, click on the **Undo all work and quit** button. This will delete all the adds and drops you have done during this registration session.

PRINTING YOUR SCHEDULE

Have the cursor in the area of your schedule. Go to the menu bar at the top of the Netscape space. Click on **File**. From the drop down menu select **Print Frame**.

SAINT MARY'S COLLEGE REGISTRATION INFORMATION

The entire Saint Mary's College Fall 2002 Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/TeachingResearch/>

REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met.

There are two methods of registering for Saint Mary's College classes:

1. Web Registration for Classes may be used to register for selected DANC, EDUC, RLST, and THTR classes. These courses are listed in this book.

Any Saint Mary's classes successfully registered for using the Web Registration system will immediately appear on the Notre Dame Student's schedule.

2. To register for other Saint Mary's classes, fill out a *Saint Mary's Intent* form, which is available in the Notre Dame Office of the Registrar.

In order to receive priority by student level, the intent form must be returned to the Notre Dame Office of the Registrar by Friday, April 19. Forms returned after this date are considered by Saint Mary's College only if space is available. However, after Friday, April 23 no forms will be processed until the first day of Fall 2002 classes.

Any Saint Mary's College classes successfully registered will appear on the Notre Dame student's schedule after registration.

ADDING SAINT MARY'S CLASSES

St. Mary's College classes may be added during the first seven class days of the semester. Notre Dame students must take a *St. Mary's Add Form* to the Saint Mary's department offering the course and obtain a signature of approval. This form must also be signed by the student's dean at Notre Dame, and then returned to the Notre Dame Registrar's office.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using Web Registration at anytime through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

Registration Appointment Emergency Schedule Fall 2002

[illegible]

The following are instructions ONLY IF Web Registration fails:

Staff will use REGISTER when registering students. With the exception of overseas students, it must be at the students appointment time or passed before you register the student. This information is not to be made known to anyone outside of our office. A list of student appointments will be made available.

All Students will have a PIN# with exception of 1st year law, MSA students, and MBAE ACCY, MBAC, MBA level 6, and Law level 6 they do not register (their department head registers for them).

St. Mary's students - Get exemption forms from department offering the class, bring form to 105 Main Building for processing. If no exemption form is needed they should go to 105 Main Building for help.

London Program Undergrads - will register themselves thru LITETERM at London headquarters.

Special Programs - Not part of the International Studies responsibility: This includes; Washington, Arch Rome, and Oracle, Arizona. These students will be instructed to call Kim or Jennie and they will register them.

Leave Students - Do not give out their PINs. They will get their PIN from their department or dean in hopes that they will receive some over the phone advising. They may call Peggy at 1-7993 and she will register them.

Continuing Local Students - They tried to use phone from 8 p.m. to midnight last night to add another class and could not get through. They come or call our office the next day and ask if we could do it for them. No, they should try again on the phones or wait for Web registration during the next open registration time. This way it gives everyone who tried to get through or call back phone from 5 to midnight the same chance.

Non-Resident Research Graduate Students - They may want to try using the phone lines from 5 to midnight after their appointment time, but if they cannot get through, they should call our office and we can register them through REGISTER (provided it is their appointment time or after). They must have their PIN. If students have conflicting appointment times (Doctor, interview, whatever) suggest someone they trust registering for them at their appointment time. If this cannot happen, ask the student to use the phones or Web registration after his/her appointment time has passed.

If a graduate student appointment conflicts with teaching, advise them to use open registration from 5 to midnight after their appointment time has passed or come to the Registration Center for us to help.
