FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT --- DIRECTORY INFORMATION

Notification of Rights Under the Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. "Education records" are those records, files, documents and other materials which contain information directly related to a student and which are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. The rights afforded by FERPA are:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

The Office of the Vice President and General Counsel has been designated by the University to coordinate the inspection and review procedures for student education records. A student wishing to review the student's education records must make a written request to the Office of the Vice President and General Counsel listing the specific records the student wishes to inspect and review. The form for making such a written request may be obtained from the Office of the Vice President and General Counsel. Once such a request is received, the Office of the Vice President and General Counsel will make arrangements for access and notify the student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write to the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The rights to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U. S. Department of Education
400 Maryland Avenue, S. W.
Washington, DC 20202-4605

At its discretion, the University, without the student's permission, may provide directory information in accordance with the provisions of FERPA. Such directory information includes: student name, addresses and telephone numbers (local and permanent), e-mail address, date and place of birth, photograph(s) of student (not ID picture), major field(s) of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold directory information by notifying the registrar in writing. These requests will be honored by the University for one academic year; therefore, authorization to withhold directory information must be filed by students annually in the Office of the Registrar.

GRADUATION RATE

Of the students entering a full-time, first-year, bachelor degree-seeking program in the fall of 1996, 95 percent graduated within six years.

The complete IPEDS Graduation Rate survey may be found in the Office of Institutional Research.

REGISTRATION INFORMATION

ENROLLMENT AND REGISTRATION

"*Enrollment*" and "*Registration*" are two distinctly separate activities. Please read the following statements.

ENROLLMENT - All students are required to Enroll using Web Enrollment each semester. This is a separate procedure from *registration*. By completing Web Enrollment a student informs the University Registrar of his or her intention to pursue the classes for which they have registered. Enrollment must be completed by midnight on the 7th class day.

REGISTRATION - Registration is the process by which students reserve space in classes using **Web Registration**. Students who have registered for classes must also *enroll* during the designated Enrollment period.

A student can register for Spring 2004 classes from any computer with web access. Enter **Web Registration** through IrishLink at <https://www2.nd.edu/irishlink/>.

All students are assigned an appointment date and time. Once connected to **Web Registration** each student will have fifteen (15) minutes to register within his/her appointment time. After the assigned appointment period, students can use the "Open Registration" times to access **Web Registration**.

Registration – Schedule

Registration - November 11 - December 3		
	Times	Dates
Appointments	Monday through Friday - 8:00 a.m. - 4:30 p.m. (by appointment only)	November 12 - December 3
Open Registration	Monday - Thursday 5:00 p.m. - midnight Friday 5:00 p.m. through Sunday midnight <u>Including holidays</u>	November 12 - December 3

Continuing Registration - December 4, 2003 - January 21, 2004		
	Times	Dates
Registration appointments have passed	Monday - Thursday 7:00 a.m. - midnight Friday 7:00 a.m. through Sunday midnight <u>Including holidays</u>	December 4 - January 21

APPOINTMENT ASSIGNMENTS

Beginning on Friday, November 7, registration appointment times and dates will be posted on IrishLink for each student at <https://www2.nd.edu/irishlink/>. After authentication into IrishLink, click on "Spring Appointment Time" to view registration appointment information. Personal Identification Numbers (PIN) are obtained from the department of your major. A PIN is necessary to access Web Registration.

Registration appointments for students are scheduled by student level, as shown in the following table:

1 st Period	Seniors, 3 rd year Law, and Graduate Business,	November 12-14
2 nd Period	Juniors, 2 nd year Law, and Graduate Business	November 17-19
3 rd Period	Sophomores	November 20-24
4 th Period	Freshmen	December 1-3
1 st - 3 rd Periods	Graduate School and Non-degree	November 12-December 3

STUDENT ADVISING AND PINS

Students should make an appointment for academic advising and to obtain their Personal Identification Number (PIN). The advising process varies among the colleges and departments. Hence, students should contact their major department for guidelines. Do this early! Those who delay advising until immediately before the registration appointment may have difficulty obtaining their PIN, which is required for registration.

Once obtained, the PIN will be valid through midnight January 21, 2004. Students who are returning from an official Leave of Absence will have PINs available in the departmental office of their major. Freshmen should follow the guidelines sent by the First Year of Studies.

LEVEL CALCULATIONS FOR UNDERGRADUATES

Web Registration appointments are scheduled by student level. Undergraduate levels are determined by using the number of semesters and the number of credit hours completed. The number of semesters are calculated by adding the Notre Dame semesters (excluding summer session) and the number of semesters the student's dean has allowed for other work completed (transfer courses). The number of credit hours completed is the total number of credit hours which have been earned. Students having questions about their level should contact the associate or assistant dean in their college.

To check your level, go to IrishLink at <https://www2.nd.edu/irishlink/>

The minimum number of semesters and credit hours required for each level by college are listed below:

School of Architecture

Level 2 (Sophomore) = 2 semesters + at least 24 credits
 Level 3 (Junior) = 4 semesters + at least 60 credits
 Level 4 (Senior) = 6 semesters + at least 92 credits
 Level 5 (5th Year) = 8 semesters + at least 120 credits

College of Arts and Letters

Level 2 (Sophomore) = 2 semesters + at least 24 credits
 Level 3 (Junior) = 4 semesters + at least 54 credits
 Level 4 (Senior) = 6 semesters + at least 84 credits

Mendoza College of Business

Level 2 (Sophomore) = 2 semesters + at least 24 credits
 Level 3 (Junior) = 4 semesters + at least 54 credits
 Level 4 (Senior) = 6 semesters + at least 84 credits

College of Engineering

Level 2 (Sophomore) = 2 semesters + at least 24 credits
 Level 3 (Junior) = 4 semesters + at least 60 credits
 Level 4 (Senior) = 6 semesters + at least 92 credits

College of Science

Level 2 (Sophomore) = 2 semesters + at least 24 credits
 Level 3 (Junior) = 4 semesters + at least 56 credits
 Level 4 (Senior) = 6 semesters + at least 86 credits

CLASS LOADS

Undergraduate students will not be allowed to register for an "overload" class schedule without permission of the student's assistant/associate dean. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant/associate dean will enter the new maximum directly into the student system. The student can then use **Web Registration** to obtain additional classes. The maximum number of credits allowed without overload permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	15
Business (juniors, seniors)	18
Engineering	19
First Year of Studies	18
Science	18
Graduate Business	16
Graduate School	12
Law	17

Classes that do not apply toward an overload are noted by "Does not apply to overload" in the comments and restrictions field.

FULL/PART-TIME STATUS

An undergraduate degree-seeking student **must be in full-time status each semester**. Any undergraduate student who is enrolled in at least 12 credit hours is considered **full-time**. A student who believes that special circumstances may require him/her to carry fewer than 12 semester hours in any semester (including a senior in his or her last semester), must seek approval to be part-time from his/her respective college. This request and conversion, if approved, must be made before the seventh class day of a Fall or Spring semester. If permission is granted, the dean will notify the Office of Student Accounts of the change of status and an adjustment to tuition will be made if necessary. There will be no adjustment of tuition unless permission is given by the dean and the class schedule is changed before the seventh class day of the Fall or Spring semester.

Graduate level students should see their advisor or department for more information.

"PERMISSION REQUIRED" CLASSES

"Permission required" classes are those classes for which the academic department must determine the student's qualifications (educational background, knowledge, or skills) before permission is granted to register. Obtain authorization for each "Permission Required" course from the department offering the class.

An **Authorization Number (AN)** is generated for each "Permission Required" class. If the department offering the class approves a student for a "Permission Required" class, he/she will be given a 6-digit AN which can be used to register into the class during the **Web Registration** appointment period or the "Open Registration" time.

An Authorization Number is good for only one use. **If the AN is used and then the student drops the class, a new AN will be needed to add the class again.**

RESTRICTED ACCESS TO CLASSES

Any restrictions requested by a department will be listed in the "Comments & Restrictions" column of the *Schedule of Classes*. There are a number of restrictions a department might place on a class for registration. For example, classes can be reserved for departmental majors (or non-majors); classes can be restricted to a certain level, such as sophomores; or a course can be reserved for a given group (major, degree, etc.) during registration, and later opened to other students. When the restriction has ended, the class may be open to any student.

PASS/FAIL OPTION

Undergraduates: According to the Academic Code, (19.1): "Each junior or senior undergraduate may file with their dean during the first seven class days of the semester the decision to take one elective course, outside the student's major department and not required by the student's program, per semester on a pass/fail basis. Such a filing is irrevocable and will result in conversion by the registrar of the instructor's final grade report into an entry of P ('pass') or F ('fail') on the student's record. The instructor will not be informed that the student has elected the pass/fail grading option. The registrar will interpret the final grades of 'A' through 'D' as 'pass'. If a final grade of 'F' is issued, it will be computed into the student's grade point average."

Students must first register for a class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option (or change), he or she will enter the information directly on the student database.

The last day for all Pass/Fail Option changes for the Spring 2004 semester is January 21, 2004.

Law Students: The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

AUDITING A CLASS

Only graduate level students are permitted to audit. All regulations and restrictions regarding registration to a class remain in effect, whether or not the class is taken for audit or credit.

SAINT MARY'S COLLEGE REGISTRATION INFORMATION

The entire Saint Mary's College **Spring 2004** Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/~regoff/>

REGISTERING FOR SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits and if the class prerequisites are met.

There are two methods of registering for Saint Mary's College classes:

- A) **Web Registration** may be used to register for selected EDUC, RLST, and THTR classes. These classes are listed in this book.

Any Saint Mary's classes successfully registered for using the **Web Registration** system will immediately appear on the Notre Dame student's schedule.

- B) To register for other Saint Mary's classes, fill out a *Saint Mary's Intent* form, which is available in the Notre Dame Office of the Registrar.

In order to receive priority, by student level, the intent form must be returned to the Notre Dame Office of the Registrar by Monday, November 24. Forms returned after this date are considered by Saint Mary's College only if space is available. However, after Friday, December 5 no forms will be processed until the first day of Spring 2004 classes.

Any Saint Mary's College classes successfully registered will appear on the Notre Dame student's schedule after appointment times end on December 5, 2003.

ADDING SAINT MARY'S CLASSES

Saint Mary's College classes may be added during the first seven class days of the semester. Notre Dame students must take a *Saint Mary's Add Form* to the Saint Mary's department offering the course and obtain a signature of approval. The form must also be approved by the Saint Mary's Registrar (161 LeMans). This form must also be signed by the student's dean at Notre Dame, and then returned to the Notre Dame Registrar's office.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using **Web Registration** at anytime after registering for the class through the first seven class days of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

Requests for changes to the final exam schedule: faculty should refer to paragraph 14.1 of the Faculty Handbook; and students should refer to paragraphs 14.1 and 14.2 of the *du Lac*. If you are scheduled to give a departmental exam, (i.e. if your course is listed above), you must give the exam at that time rather than at the standard exam time. Changes regarding Saint Mary's courses need the permission of the Academic Affairs Office at SMC. The FYC 110 and University Seminar 180 will not conflict with other examinations and do not count in the "no more than three examinations in a 24-hour period" rule.

Saint Mary's Students taking Notre Dame classes

They must obtain a PIN to use Web Registration. They request it through the Saint Mary's Registrar's Office by completing the Intent to Register for ND Course Form. They will then receive their appointment time and instructions from the Saint Mary's Registrar..

If a course has a prerequisite(s): They must obtain a Course Registration Exemption Form from the SMC Registrar's Office for SMC approval. The student must then go to the department in which they would like to take the class to obtain Notre Dame approval. They may NOT use web registration to register for these courses, they must take the form to the ND Registrar's Office (105 Main Building) to register for courses with prerequisites.

If they are planning to register for a class that is "Permission Required", they will also need to visit the department offering the class and get an "Authorization Number" (AN) to enter into the system when prompted.

IF THEY DO NOT HAVE AN AFS ID: They go to the following web address:
<http://www.nd.edu/~ndoit/afsid/> to receive one. Then they can login to IrishLink and use Web Registration.

If they have any questions, please contact the SMC Registrar's Office at 284-4560, or go to the office, 161 Le Mans or by e-mail to registrar@saintmarys.edu.

Notre Dame students taking Saint Mary's Classes

If a Saint Mary's class appears in the Schedule of Classes book, the student can web register just as if it is a Notre Dame class.

If the class does NOT appear in the Schedule of Classes book, the student needs to fill out the blue half sheet on the counter by the Transcript Department and turn it in to Jennie. Jennie sends them to Saint Mary's.

If the student is wanting to take a class at Saint Mary's that has pre-requisites, Carol Haag in the Saint Mary's Registrar's office has told us that they need to take the blue half sheet to the Saint Mary's department offering the class. There, the student will be asked about the prerequisites. Once the Saint Mary's department has signed the blue half sheet, the student can take the form directly to the Registrar's Office at Saint Mary's.

The class is not officially added until the Saint Mary's Registrar has signed the form and sent it back to Jennie.

These are the Notre Dame off-campus programs that have been scheduled to use Web Registration. The students in these programs are returning to Notre Dame campus for the Spring 2004 semester and have the assigned appointment times below:

Sophomores - November 20

Hi, Lora. Thanks for the heads-up. I am no longer the Acting Director, Educational Technologies but I will pass this along to the new Director, Molly Gordon, and to the Manager, Classroom and Cluster Support, Brian Burchett. My best -- Shiree

Shiree and Dave

Wednesday, Nov. 12, 2003 is the first day for students to register for their Spring 2004 classes. From Nov. 12 through Dec. 3 students have specific time appointments to register for classes (they also have a call back period). This is an urgent time for the HP and web registration to be up and running. Unfortunately, in the past, parts of the system (last spring it was the entire system) have had some difficulties and not worked well. Because of these past difficulties Notre Dame has had lap top computers at the ready for the registration appointment periods.

It is in this spirit of caution that I make these requests:

Shiree - please have the lap tops that the Registrar's Office has used for registration on alert and ready to be set up outside the Registrar's Office 105 Main Building. We also might need the wireless cart, although since this summer there is some wireless capability in our office. We will call you if we need them.

Dave - please contact AAY's Rental about the tables, cloths and table skirts and have them in the wings. We will let you know if they are needed.

Thanks to both of you for all your help in the past.

Lora

OPEN A "CLOSED" CLASS

From Reflections main Menu:

Go to "Course Entry"

Go to "Schedule"

Enter term

Enter call number

Input Edit Choice: line 22 "Enroll Max" and increase the count by one

If no other message is given: Press ENTER to complete

If message: "Room Size Exceeded" Override Y/N?

If, in line 49, one of the following buildings are listed then answer "Yes" and ENTER to complete

ARCH	DECI	LAW	RILY
BAND	GERM	LOFT	ROCK
COBA	HEAT	MSEM	STEP
CROW	HESB	RADI	WASH

If it is another building, answer "No", exit that class and send the student to Dawn, Stephanie, or Liz.

It is easiest if you have two Reflection screens open, one on "Schedule" and one in "Register" so you can flip back and forth between the two.
