FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Each year the University of Notre Dame is required to give notice of the various rights accorded to students with respect to your "education records" pursuant to the Family Educational Rights and Privacy Act (FERPA).

"Education records" are those records, files, documents and other materials that contain information directly related to a student and that are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. In accordance with FERPA, you are notified of the following:

1) **RIGHT TO INSPECT:** You have the right to review and inspect substantially all of your education records maintained by or at this institution. The Office of the General Counsel coordinates the inspection and review procedures for the University. To review your education records, you must make a written request to the Office of the General Counsel. You may obtain the form for making such a request from the Office of the General Counsel, 203 Main Building, or at <http://www.nd.edu/~gencoun/resources/>. You have a right to review your records within 45 days of making a written request.

2) **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of personally identifiable information contained in your education records to third parties with certain exceptions allowed by Federal regulations. Examples of such exceptions in which the University is allowed to disclose information contained in your education records include but are not limited to:

- when you have provided prior written consent for the disclosure
- when the University is disclosing the information to school officials who have a legitimate educational interest
- to officials of another institution of higher education to which you seek or intend to enroll
- when such information constitutes "directory information" (see below)

Directory Information: The University has designated certain information contained in the education records of its students as Directory Information for purposes of FERPA.

Directory Information at Notre Dame includes:

- (1) student name,
- (2) address (local and permanent),
- (3) personal telephone numbers,
- (4) e-mail address,
- (5) date and place of birth,
- (6) photograph(s) of student,
- (7) major field of study and class year at Notre Dame,
- (8) dates of attendance,
- (9) degrees and awards received,
- (10) the most recent previous educational agency or institution attended by the student,
- (11) participation in officially recognized activities and sports and
- (12) weight and height of members of athletic teams.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden disclosure of such information in writing. Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office. In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.

3) **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.

4) **RIGHT TO COMPLAIN TO FERPA OFFICE:** You have the right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-4605, concerning any alleged failure by this institution to comply with FERPA.

See the department offering the class for which you want to register which has the restriction **DEPARTMENT APPROVAL REQUIRED**.

Obtain any on-line **PERMIT-OVERRIDES** you may need.

Go to **ADD or DROP CLASSES** for your Spring 2010 schedule. If you do not meet the class restrictions you will receive an **ERROR**.

Make sure to add your **CO-REQUISITE** classes simultaneously into the Registration **WORKSHEET** before you "submit changes".

View or Print your **SCHEDULE**.

Complete Web **ENROLLMENT** for the semester - between August 19 and September 2, 2009.

REGISTRATION INFORMATION

ADD or DROP CLASSES

Add Classes

- Select "**Add or Drop Classes**" from the "Registration (DART)" link in the "Student Academic Services" channel in the "Student Academic" tab of insideND
- Select the appropriate term in the "Select a Term" drop down menu
- Click in the first field under "Add Classes Worksheet"
- Type the CRN of the first class for which you wish to register (you may enter up to 10)
- Click "Submit Changes" to register for all CRNs entered on the worksheet

Co-Requisites

All co-requisites must be added to the worksheet before clicking "Submit Changes". Failure to have all the co-requisite CRNs in the worksheet before you "Submit Changes" will result in a "Registration Add Error" for the class(es). To correct this error, enter the CRNs for each co-requisite on the "Registration Worksheet" and select "Submit Changes".

Adjusting Credit Hours of Variable Credit Classes

- Add the class using the "Add Classes" instructions
- Variable credit classes will appear with the minimum credit hour value underlined
- Click on the hyperlinked credit hours
- A pop-up window will display, click on the "Credit Hours" field of the Variable Credit class
- Enter the number of credit hours for which you wish to register
- Click "Submit Changes" (**Click only once** - any more than one time may cause an error to occur)
- **Select "Add or Drop Classes" link, at the bottom of the page, to take you back**

Drop Classes

- Locate the class you wish to drop in your "Current Schedule"
- Use the drop down menu, in the "Action" column, next to the class you wish to drop
- Select "Web Dropped"
- Click "Submit Changes"
- The class is now dropped and no longer appears on your schedule
- You will not be allowed to drop the last class on your schedule via registration. You must contact the Office of the Registrar as this may be considered a withdrawal from the university.

Exchange Classes

Warning: You must be certain that there are no schedule conflicts, unmet restrictions and that the class/tutorial/lab has openings before exchanging sections. This action is not a true "swap" function. The course you select to be Web Dropped will be removed from your schedule, whether or not you are able to add the requested section.

- Go to the Registration Worksheet
- Enter the CRN of the class/tutorial/lab that you want to add in the "Add Classes Worksheet" section
- In the "Current Schedule" section, change the status to "Web Dropped" in the Action column of the class to be dropped
- Click on "Submit Changes"
- The class/tutorial/lab may now be exchanged (see the above "Warning")

ADVISING

Students must make an appointment for academic advising and to obtain their **Registration Alternate PIN**, which may be required to register for classes. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time begins may have difficulty obtaining their **Registration Alternate PIN** in time.

AUDITING A CLASS - Graduate students only

Only graduate level students are permitted to audit. All regulations, restrictions, and charges regarding registration to a class remain in effect, whether or not the class is taken for audit or credit. This audit must be declared by the seventh class day of the semester.

- Register for the class in insideND
- Go to the Graduate School Office, 502 Main Building and request to Audit the class (Law School students follow the Hoynes Code and must go to the Law School Registrar)
- The Graduate School (or Law School Registrar) will modify your grade mode to "Audit"

CLASS LOADS AND OVERLOADS

Students will not be allowed to register for an "overload" class schedule without permission of the student's assistant or associate dean. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant or associate dean will enter the new credit hour maximum directly into the student's record. The student can then use **Add or Drop Classes** to obtain the additional class.

All classes, including ROTC, Music, and any audited classes (Graduate students only), count toward the maximum credits allowed by a college.

The maximum number of credits allowed without overload permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	17
Business (juniors, seniors)	19
Engineering	19
First Year of Studies	18
Science	18
Graduate Business (Degree seeking)	16
Graduate School	15
Law	17

CLASS SEARCHES

Three separate class searches can be accessed through insideND from the Student Academic Services channel:

"Class Search"

- Use the drop down boxes to select your search criteria
- Search results are displayed as a list of classes, with the following class information - Course, Section, Title, Credits, Status (Open/Closed), Maximum Allowed, Open Seats, Crosslisted class (Xlst), CRN, Syllabus available, Instructor, When class is offered, Begin and End dates, and Where (building and room)
- Restrictions - can be viewed by clicking on the underlined subject and course number in the class search results
- Seat Allocations - under "Registration Availability" section, if applicable
- Seat Availability - scroll down to "Registration Availability" to view available seats

"Schedule of Classes Search" (Advanced search with a more robust query criterion but lacking a clear summary display of information.)

- Use the drop down boxes to select your search criteria (must select at least one Subject)
- Sections that meet the selected criteria will be displayed by section
- Select "View Catalog Entry" to view more detail about the class, including the course description

Class Search while in Registration

- Go to the registration worksheet
- Next to the "Submit Changes" button, click on "Class Search"
- This class search functions in a very similar manner to the "Schedule of Classes Search"
- Select classes to add to the registration worksheet by placing a check in the box in the first column. (You may check more than one.)
- Click "Add to Worksheet" at the bottom of the page

CLASSIFICATION CALCULATIONS

Classification indicates whether a student is a Freshman, Sophomore, Junior, Senior, Fifth Year Architecture Senior, First Year Law Student, Second Year Graduate Business student, etc. Some classes are restricted by classification, and seats may be allocated within a section by classification.

Registration dates are scheduled by student Classification. Students having questions about their classification should contact the associate or assistant dean in their college. To check your classification, go to insideND and select **Registration Status and Holds** from your "Registration Tools" channel. Scroll down to look under "Curriculum Information".

CO-REQUISITE CLASSES

On the **Add or Drop Classes** registration worksheet, classes with co-requisite courses must be submitted at the same time. The CRNs for each co-requisite course must be present on the worksheet when the "Submit Changes" button is clicked. For example, if a course has a lab, the CRN of the main course must be on the worksheet AND the CRN of the lab must be on the worksheet prior to "Submit Changes" being clicked.

COURSE REFERENCE NUMBER (CRN)

CRN stands for "Course Reference Number" and is used when registering for classes. It is not the same as the Course Number. CRN's will be 4 digits long for Summer Session and 5 digits long for Fall and Spring semesters. In the Fall, CRN's will begin with a "1." In the Spring, CRN's will begin with a "2."

DEPARTMENTAL APPROVAL REQUIRED

See the department offering the course for approval to register for the course. Go to "**Registration Status and Holds**" to see the approvals that have been entered by the department. Then register for the class.

ENROLLMENT

Enrollment is accessed by selecting **Web Enrollment** from the "Registration Tools" channel on insideND. Enrollment is NOT the same as Registering for your classes. Enrollment is the process in which a student informs the University Registrar of his or her intention to pursue the classes for which they have registered and is used as census information. All students are required to Enroll each semester. Enrollment must be completed by midnight on the seventh class day. Students that have not enrolled by the seventh class day, and who have not made arrangements with their academic dean for late enrollment, are determined to be "Inactive" for the semester **and their classes will be removed from their schedule**. **Web Enrollment** is available a few days prior to the beginning of the semester.

ERROR (Registration Add Error)

When a student attempts to register into a class for which he or she is not eligible because of department restrictions a "Registration Add Error" will appear in the area just above the registration worksheet.

Any restrictions requested by a department will be listed in the "Class Search" or in "The Hours of Instruction" book. There are a number of restrictions a department might place on a class for registration. For example, classes can be restricted to a certain classification such as sophomores; or a course can be reserved for a given group (major, degree, etc.). If you encounter a "Registration Error" choose another class.

THE REGISTRATION ADD ERROR MESSAGE IS . . .	WHAT IT MEANS . . .

TIME CONFLICT + CRN of conflict	Student is attempting to register for two classes that meet at the same time or overlapping times.

FULL-TIME/PART-TIME STATUS

An undergraduate degree-seeking student **must be in full-time status each semester**. Any undergraduate student who is enrolled in at least 12 credit hours is considered **full-time**. A student who believes that special circumstances may require him/her to carry fewer than 12 semester hours in any semester (including a senior in his or her last semester), must seek approval from their respective college to be part-time. This request and conversion, if approved, must be made before the seventh class day of Fall or Spring semester. If permission is granted, the dean will make the modification in the student's record. The Office of Student Accounts will be notified of the change of status and, if necessary, an adjustment to tuition will be made. There will be no adjustment of tuition unless permission is given by the dean and the class schedule is changed before the seventh class day of the Fall or Spring semester.

Graduate School, Law School, and Graduate Business students should see their advisor or department for more information.

PASS/FAIL OPTION

Undergraduates: According to the Academic Code, (19.1): "Each junior or senior undergraduate may file with their dean during the first seven class days of the semester the decision to take one elective course, outside the student's major department and not required by the student's program, per semester on a pass/fail basis. Such a filing is irrevocable and will result in conversion by the registrar of the instructor's final grade report into an entry of P ('pass') or F ('fail') on the student's record. The instructor will not be

informed that the student has elected the pass/fail grading option. The registrar will interpret the final grades of 'A' through 'D' as 'pass'. If a final grade of 'F' is issued, it will be computed into the student's grade point average."

Students must first register for the class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option, he or she will enter the information directly onto the student's record.

The last day for all Pass/Fail Option changes for the Spring 2010 semester is January 20, 2010.

Law Students: The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

PERMIT-OVERRIDE

Electronic permissions and overrides are entered directly onto a student's record. This then allows them to attempt to register for a particular class. Permission for classes that are "Department Approval Required" will also be entered electronically. The permissions and overrides can be entered by departmental staff prior to registration, during the advising period which begins two weeks prior to the first day of registration for Seniors.

Receiving permission or an override does not register the student into the class. Students must still register for any courses for which they receive any permissions and overrides. Receiving permission or an override does not guarantee the student a seat in the class; it simply enables the student to attempt to register for the class.

REGISTRATION ALTERNATE PIN (PIN)

The **Registration Alternate PIN** is the terminology used for the **PIN** required to access registration. The PIN is a six digit number which changes each term. It is received from an academic advisor or department.

The **PIN** may be required for entry into registration for the Fall and Spring terms (no PIN is issued for Summer Session). Students must make an appointment for academic advising and to obtain their **PIN**. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time Ticket begins may have difficulty obtaining their **PIN** in time.

Once obtained, the **PIN** will be valid through 11:59 p.m. January 20, 2010 (except for Law and First Year students). Students who are returning from an official Leave of Absence will have PINs available in the departmental office of their major. Freshmen will follow the guidelines set by the First Year of Studies.

You may be required to enter your PIN each time you enter the **Add or Drop Classes** link. After you register for at least one class, you may retrieve your PIN by clicking the "Forgotten PIN" link at the bottom of the "Registration PIN Verification" page.

REGISTRATION STATUS and HOLDS

It is recommended that students check their registration status before attempting to register for classes.

- Select "**Registration Status and Holds**" from the "Registration DART" link in the "Student Academic Services" channel
- Select the appropriate term in the "Select a Term" drop down menu

- ❖ Registration DART Time Ticket will display
- Three boxes will display and all of the boxes must be checked before registration can take place
- ✓ Holds - if you have any registration "Holds" you must clear them with the office listed
- ✓ You must be in good Academic Standing
- ✓ Your Student Status must be eligible to register
- ❖ Department Permission or registration restriction overrides will display
- ❖ Degree information, including majors, will display

SAINT MARY'S (Notre Dame students registering for classes at Saint Mary's College)

The entire Saint Mary's College **Spring 2010** Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/~regoff/>

ADDING SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits, if the class prerequisites are met, and the class fits into the Notre Dame student's schedule.

There are two methods of registering for Saint Mary's College classes:

- A) **Add or Drop Classes** on insideND may be used to register for selected Saint Mary's classes. These classes are listed in this book. Any Saint Mary's classes successfully registered for using **Add or Drop Classes** will immediately appear on the Notre Dame student's schedule
- B) To register for other Saint Mary's classes, complete a *Saint Mary's Intent* form, which is available online at <http://registrar.nd.edu> by clicking on the SMC Intent Form link.

In order to receive priority, by student classification, the intent form must be submitted electronically to the Saint Mary's Registrar's Office or returned to the Notre Dame Office of the Registrar by Monday, November 30. Forms returned after this date will be processed by Saint Mary's College on the first day of Spring 2010 classes at Saint Mary's College and only if space is available.

Any Saint Mary's College classes for which the Notre Dame student has been approved will appear on the Notre Dame student's schedule after the student's time ticket assignment has started.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using **Add or Drop Classes** on insideND through the seventh class day of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

SCHEDULE (VIEW OR PRINT)

After registering for classes, students can view their class schedule using the "Week at a Glance" link in the Student Academic channel in insideND. The "Week at a Glance" view defaults to "today." If a student wants to view how their summer (or fall) classes line up, they will need to use the "Jump To" feature in the upper right-hand corner and enter a date that falls during the semester they would like to view. Students can print this view directly from their browser using either File, Print, or the Print icon.

For example: Students register on 4/16/07 for Fall 2007 and they click "Week at a Glance." It displays the week of 4/16/2007, with no information about their courses. Students would enter 8/25/2007 in the "Jump To" box to display a week when their classes begin.

SEAT ALLOCATION

"Seat Allocation" is a feature of the registration system. Departments are able to allocate seats based on Level, Major, or Classification of the students. To view the Seat Allocations of a class, if applicable, use the Class Search function.

Also, it is important to note that there may not be an "overflow" capability from one allocation to another. For example, if a course has 15 seats allocated to majors and all 15 seats are filled by students who are majors, then the 16th Anthropology major would NOT be able to register for the class even if there were seats available in the "unallocated" portion of the class. In addition, seats that are allocated by major may only be taken by students with the major listed as their primary (first) major.

TIME TICKET ASSIGNMENTS (Registration DART Time)

A student's Time Ticket (Registration DART Time) indicates when they are able to start registering for classes. Registration then continues until the seventh class day (except for law and first year students) of the semester for which they are registering.

On Friday, October 30, 2009 Registration DART dates and times were posted for each eligible student. Students may view their Time Ticket for Spring 2010 by selecting **Registration Status and Holds** from the "Registration DART" link in the Student Academic Services channel.

Registration DART Times for students are scheduled by the student's classification as of Spring 2010, as shown in the following table:

Undergraduate Seniors (including 5th year ARCH)	November 16 and 17
Graduate, Law Students (third and second year), and Master of Non-Profit Administration	November 18
Undergraduate Juniors	November 19 and 20
Undergraduate Sophomores	November 23 and 24
Undergraduate Freshmen	November 30 and December 1
Non-degree and students going to Fremantle, Australia; Puebla, Mexico; or Washington D.C.	December 2

TUTORIALS (Class Search and Registration tutorials)

Online FAQ's and Tutorials available at <http://registrar.nd.edu/registration.shtml>

WORKSHEET (Registration Worksheet)

Classes can be added to the registration worksheet in two ways:

- 1) Type the CRN of the course. Students can add up to ten CRN's at the same time and then clicking "Submit Changes." Students will **not** be allowed to exceed the maximum number of credits allowed per semester.
- 2) Perform a "class search." With the results displayed, click the check box to the left of the CRN for the class or classes you wish to add to your worksheet. Clicking "Add to Worksheet" does not register you into those classes. Only "Submit Changes" processes the registration. CRN's added to the worksheet will stay on the worksheet for the entire session that you are logged in, even through multiple class searches. Clicking "Submit Changes" will process the CRN's and clear the worksheet.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Each year the University of Notre Dame is required to give notice of the various rights accorded to students with respect to your "education records" pursuant to the Family Educational Rights and Privacy Act (FERPA).

"Education records" are those records, files, documents and other materials that contain information directly related to a student and that are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. In accordance with FERPA, you are notified of the following:

1) **RIGHT TO INSPECT:** You have the right to review and inspect substantially all of your education records maintained by or at this institution. The Office of the General Counsel coordinates the inspection and review procedures for the University. To review your education records, you must make a written request to the Office of the General Counsel. You may obtain the form for making such a request from the Office of the General Counsel, 203 Main Building, or at <http://www.nd.edu/~gencoun/resources/>. You have a right to review your records within 45 days of making a written request.

2) **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of personally identifiable information contained in your education records to third parties with certain exceptions allowed by Federal regulations. Examples of such exceptions in which the University is allowed to disclose information contained in your education records include but are not limited to:

- when you have provided prior written consent for the disclosure
- when the University is disclosing the information to school officials who have a legitimate educational interest
- to officials of another institution of higher education to which you seek or intend to enroll
- when such information constitutes "directory information" (see below)

Directory Information: The University has designated certain information contained in the education records of its students as Directory Information for purposes of FERPA.

Directory Information at Notre Dame includes:

- (1) student name,
- (2) address (local and permanent),
- (3) personal telephone numbers,
- (4) e-mail address,
- (5) date and place of birth,
- (6) photograph(s) of student,
- (7) major field of study and class year at Notre Dame,
- (8) dates of attendance,
- (9) degrees and awards received,
- (10) the most recent previous educational agency or institution attended by the student,
- (11) participation in officially recognized activities and sports and
- (12) weight and height of members of athletic teams.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden disclosure of such information in writing. Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office. In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.

3) **RIGHT TO REQUEST AMENDMENT:** You have the right to seek to have corrected any parts of an education record which you believe to be inaccurate, misleading or otherwise in violation of your rights. This right includes the right to a hearing to present evidence that the record should be changed if this institution decides not to alter the education records according to your request.

4) **RIGHT TO COMPLAIN TO FERPA OFFICE:** You have the right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-4605, concerning any alleged failure by this institution to comply with FERPA.

GRADUATION RATE

Of the students entering a full-time, first-year, bachelor degree-seeking program in the fall of 2001, 95 percent graduated within six years.

See the department offering the class for which you want to register which has the restriction **DEPARTMENT APPROVAL REQUIRED**.

Obtain any on-line **PERMIT-OVERRIDES** you may need.

Go to **ADD or DROP CLASSES** for your Spring 2010 schedule. If you do not meet the class restrictions you will receive an **ERROR**.

Make sure to add your **CO-REQUISITE** classes simultaneously into the Registration **WORKSHEET** before you "submit changes".

View or Print your **SCHEDULE**.

Complete Web **ENROLLMENT** for the semester - between August 19 and September 2, 2009.

REGISTRATION INFORMATION

ADD or DROP CLASSES

Add Classes

- Select "**Add or Drop Classes**" from the "Registration (DART)" link in the "Student Academic Services" channel in the "Student Academic" tab of insideND
- Select the appropriate term in the "Select a Term" drop down menu
- Click in the first field under "Add Classes Worksheet"
- Type the CRN of the first class for which you wish to register (you may enter up to 10)
- Click "Submit Changes" to register for all CRNs entered on the worksheet

Co-Requisites

All co-requisites must be added to the worksheet before clicking "Submit Changes". Failure to have all the co-requisite CRNs in the worksheet before you "Submit Changes" will result in a "Registration Add Error" for the class(es). To correct this error, enter the CRNs for each co-requisite on the "Registration Worksheet" and select "Submit Changes".

Adjusting Credit Hours of Variable Credit Classes

- Add the class using the "Add Classes" instructions
- Variable credit classes will appear with the minimum credit hour value underlined
- Click on the hyperlinked credit hours
- A pop-up window will display, click on the "Credit Hours" field of the Variable Credit class
- Enter the number of credit hours for which you wish to register
- Click "Submit Changes" (**Click only once** - any more than one time may cause an error to occur)
- **Select "Add or Drop Classes" link, at the bottom of the page, to take you back**

Drop Classes

- Locate the class you wish to drop in your "Current Schedule"
- Use the drop down menu, in the "Action" column, next to the class you wish to drop
- Select "Web Dropped"
- Click "Submit Changes"
- The class is now dropped and no longer appears on your schedule
- You will not be allowed to drop the last class on your schedule via registration. You must contact the Office of the Registrar as this may be considered a withdrawal from the university.

Exchange Classes

Warning: You must be certain that there are no schedule conflicts, unmet restrictions and that the class/tutorial/lab has openings before exchanging sections. This action is not a true "swap" function. The course you select to be Web Dropped will be removed from your schedule, whether or not you are able to add the requested section.

- Go to the Registration Worksheet
- Enter the CRN of the class/tutorial/lab that you want to add in the "Add Classes Worksheet" section
- In the "Current Schedule" section, change the status to "Web Dropped" in the Action column of the class to be dropped
- Click on "Submit Changes"
- The class/tutorial/lab may now be exchanged (see the above "Warning")

ADVISING

Students must make an appointment for academic advising and to obtain their **Registration Alternate PIN**, which may be required to register for classes. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time begins may have difficulty obtaining their **Registration Alternate PIN** in time.

AUDITING A CLASS - Graduate students only

Only graduate level students are permitted to audit. All regulations, restrictions, and charges regarding registration to a class remain in effect, whether or not the class is taken for audit or credit. This audit must be declared by the seventh class day of the semester.

- Register for the class in insideND
- Go to the Graduate School Office, 502 Main Building and request to Audit the class (Law School students follow the Hoynes Code and must go to the Law School Registrar)
- The Graduate School (or Law School Registrar) will modify your grade mode to "Audit"

CLASS LOADS AND OVERLOADS

Students will not be allowed to register for an "overload" class schedule without permission of the student's assistant or associate dean. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant or associate dean will enter the new credit hour maximum directly into the student's record. The student can then use **Add or Drop Classes** to obtain the additional class.

All classes, including ROTC, Music, and any audited classes (Graduate students only), count toward the maximum credits allowed by a college.

The maximum number of credits allowed without overload permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	17
Business (juniors, seniors)	19
Engineering	19
First Year of Studies	18
Science	18
Graduate Business (Degree seeking)	16
Graduate School	15
Law	17

CLASS SEARCHES

Three separate class searches can be accessed through insideND from the Student Academic Services channel:

"Class Search"

- Use the drop down boxes to select your search criteria
- Search results are displayed as a list of classes, with the following class information - Course, Section, Title, Credits, Status (Open/Closed), Maximum Allowed, Open Seats, Crosslisted class (Xlst), CRN, Syllabus available, Instructor, When class is offered, Begin and End dates, and Where (building and room)
- Restrictions - can be viewed by clicking on the underlined subject and course number in the class search results
- Seat Allocations - under "Registration Availability" section, if applicable
- Seat Availability - scroll down to "Registration Availability" to view available seats

"Schedule of Classes Search" (Advanced search with a more robust query criterion but lacking a clear summary display of information.)

- Use the drop down boxes to select your search criteria (must select at least one Subject)
- Sections that meet the selected criteria will be displayed by section
- Select "View Catalog Entry" to view more detail about the class, including the course description

Class Search while in Registration

- Go to the registration worksheet
- Next to the "Submit Changes" button, click on "Class Search"
- This class search functions in a very similar manner to the "Schedule of Classes Search"
- Select classes to add to the registration worksheet by placing a check in the box in the first column. (You may check more than one.)
- Click "Add to Worksheet" at the bottom of the page

CLASSIFICATION CALCULATIONS

Classification indicates whether a student is a Freshman, Sophomore, Junior, Senior, Fifth Year Architecture Senior, First Year Law Student, Second Year Graduate Business student, etc. Some classes are restricted by classification, and seats may be allocated within a section by classification.

Registration dates are scheduled by student Classification. Students having questions about their classification should contact the associate or assistant dean in their college. To check your classification, go to insideND and select **Registration Status and Holds** from your "Registration Tools" channel. Scroll down to look under "Curriculum Information".

CO-REQUISITE CLASSES

On the **Add or Drop Classes** registration worksheet, classes with co-requisite courses must be submitted at the same time. The CRNs for each co-requisite course must be present on the worksheet when the "Submit Changes" button is clicked. For example, if a course has a lab, the CRN of the main course must be on the worksheet AND the CRN of the lab must be on the worksheet prior to "Submit Changes" being clicked.

COURSE REFERENCE NUMBER (CRN)

CRN stands for "Course Reference Number" and is used when registering for classes. It is not the same as the Course Number. CRN's will be 4 digits long for Summer Session and 5 digits long for Fall and Spring semesters. In the Fall, CRN's will begin with a "1." In the Spring, CRN's will begin with a "2."

DEPARTMENTAL APPROVAL REQUIRED

See the department offering the course for approval to register for the course. Go to "**Registration Status and Holds**" to see the approvals that have been entered by the department. Then register for the class.

ENROLLMENT

Enrollment is accessed by selecting **Web Enrollment** from the "Registration Tools" channel on insideND. Enrollment is NOT the same as Registering for your classes. Enrollment is the process in which a student informs the University Registrar of his or her intention to pursue the classes for which they have registered and is used as census information. All students are required to Enroll each semester. Enrollment must be completed by midnight on the seventh class day. Students that have not enrolled by the seventh class day, and who have not made arrangements with their academic dean for late enrollment, are determined to be "Inactive" for the semester **and their classes will be removed from their schedule**. **Web Enrollment** is available a few days prior to the beginning of the semester.

ERROR (Registration Add Error)

When a student attempts to register into a class for which he or she is not eligible because of department restrictions a "Registration Add Error" will appear in the area just above the registration worksheet.

Any restrictions requested by a department will be listed in the "Class Search" or in "The Hours of Instruction" book. There are a number of restrictions a department might place on a class for registration. For example, classes can be restricted to a certain classification such as sophomores; or a course can be reserved for a given group (major, degree, etc.). If you encounter a "Registration Error" choose another class.

THE REGISTRATION ADD ERROR MESSAGE IS . . .	WHAT IT MEANS . . .

TIME CONFLICT + CRN of conflict	Student is attempting to register for two classes that meet at the same time or overlapping times.

FULL-TIME/PART-TIME STATUS

An undergraduate degree-seeking student **must be in full-time status each semester**. Any undergraduate student who is enrolled in at least 12 credit hours is considered **full-time**. A student who believes that special circumstances may require him/her to carry fewer than 12 semester hours in any semester (including a senior in his or her last semester), must seek approval from their respective college to be part-time. This request and conversion, if approved, must be made before the seventh class day of Fall or Spring semester. If permission is granted, the dean will make the modification in the student's record. The Office of Student Accounts will be notified of the change of status and, if necessary, an adjustment to tuition will be made. There will be no adjustment of tuition unless permission is given by the dean and the class schedule is changed before the seventh class day of the Fall or Spring semester.

Graduate School, Law School, and Graduate Business students should see their advisor or department for more information.

PASS/FAIL OPTION

Undergraduates: According to the Academic Code, (19.1): "Each junior or senior undergraduate may file with their dean during the first seven class days of the semester the decision to take one elective course, outside the student's major department and not required by the student's program, per semester on a pass/fail basis. Such a filing is irrevocable and will result in conversion by the registrar of the instructor's final grade report into an entry of P ('pass') or F ('fail') on the student's record. The instructor will not be

informed that the student has elected the pass/fail grading option. The registrar will interpret the final grades of 'A' through 'D' as 'pass'. If a final grade of 'F' is issued, it will be computed into the student's grade point average."

Students must first register for the class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option, he or she will enter the information directly onto the student's record.

The last day for all Pass/Fail Option changes for the Spring 2010 semester is January 20, 2010.

Law Students: The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

PERMIT-OVERRIDE

Electronic permissions and overrides are entered directly onto a student's record. This then allows them to attempt to register for a particular class. Permission for classes that are "Department Approval Required" will also be entered electronically. The permissions and overrides can be entered by departmental staff prior to registration, during the advising period which begins two weeks prior to the first day of registration for Seniors.

Receiving permission or an override does not register the student into the class. Students must still register for any courses for which they receive any permissions and overrides. Receiving permission or an override does not guarantee the student a seat in the class; it simply enables the student to attempt to register for the class.

REGISTRATION ALTERNATE PIN (PIN)

The **Registration Alternate PIN** is the terminology used for the **PIN** required to access registration. The PIN is a six digit number which changes each term. It is received from an academic advisor or department.

The **PIN** may be required for entry into registration for the Fall and Spring terms (no PIN is issued for Summer Session). Students must make an appointment for academic advising and to obtain their **PIN**. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time Ticket begins may have difficulty obtaining their **PIN** in time.

Once obtained, the **PIN** will be valid through 11:59 p.m. January 20, 2010 (except for Law and First Year students). Students who are returning from an official Leave of Absence will have PINs available in the departmental office of their major. Freshmen will follow the guidelines set by the First Year of Studies.

You may be required to enter your PIN each time you enter the **Add or Drop Classes** link. After you register for at least one class, you may retrieve your PIN by clicking the "Forgotten PIN" link at the bottom of the "Registration PIN Verification" page.

REGISTRATION STATUS and HOLDS

It is recommended that students check their registration status before attempting to register for classes.

- Select **"Registration Status and Holds"** from the "Registration DART" link in the "Student Academic Services" channel
- Select the appropriate term in the "Select a Term" drop down menu

- ❖ Registration DART Time Ticket will display
- Three boxes will display and all of the boxes must be checked before registration can take place
- ✓ Holds - if you have any registration "Holds" you must clear them with the office listed
- ✓ You must be in good Academic Standing
- ✓ Your Student Status must be eligible to register
- ❖ Department Permission or registration restriction overrides will display
- ❖ Degree information, including majors, will display

SAINT MARY'S (Notre Dame students registering for classes at Saint Mary's College)

The entire Saint Mary's College **Spring 2010** Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/~regoff/>

ADDING SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits, if the class prerequisites are met, and the class fits into the Notre Dame student's schedule.

There are two methods of registering for Saint Mary's College classes:

- A) **Add or Drop Classes** on insideND may be used to register for selected Saint Mary's classes. These classes are listed in this book. Any Saint Mary's classes successfully registered for using **Add or Drop Classes** will immediately appear on the Notre Dame student's schedule
- B) To register for other Saint Mary's classes, complete a *Saint Mary's Intent* form, which is available online at <http://registrar.nd.edu> by clicking on the SMC Intent Form link.

In order to receive priority, by student classification, the intent form must be submitted electronically to the Saint Mary's Registrar's Office or returned to the Notre Dame Office of the Registrar by Monday, November 30. Forms returned after this date will be processed by Saint Mary's College on the first day of Spring 2010 classes at Saint Mary's College and only if space is available.

Any Saint Mary's College classes for which the Notre Dame student has been approved will appear on the Notre Dame student's schedule after the student's time ticket assignment has started.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using **Add or Drop Classes** on insideND through the seventh class day of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

SCHEDULE (VIEW OR PRINT)

After registering for classes, students can view their class schedule using the "Week at a Glance" link in the Student Academic channel in insideND. The "Week at a Glance" view defaults to "today." If a student wants to view how their summer (or fall) classes line up, they will need to use the "Jump To" feature in the upper right-hand corner and enter a date that falls during the semester they would like to view. Students can print this view directly from their browser using either File, Print, or the Print icon.

For example: Students register on 4/16/07 for Fall 2007 and they click "Week at a Glance." It displays the week of 4/16/2007, with no information about their courses. Students would enter 8/25/2007 in the "Jump To" box to display a week when their classes begin.

SEAT ALLOCATION

"Seat Allocation" is a feature of the registration system. Departments are able to allocate seats based on Level, Major, or Classification of the students. To view the Seat Allocations of a class, if applicable, use the Class Search function.

Also, it is important to note that there may not be an "overflow" capability from one allocation to another. For example, if a course has 15 seats allocated to majors and all 15 seats are filled by students who are majors, then the 16th Anthropology major would NOT be able to register for the class even if there were seats available in the "unallocated" portion of the class. In addition, seats that are allocated by major may only be taken by students with the major listed as their primary (first) major.

TIME TICKET ASSIGNMENTS (Registration DART Time)

A student's Time Ticket (Registration DART Time) indicates when they are able to start registering for classes. Registration then continues until the seventh class day (except for law and first year students) of the semester for which they are registering.

On Friday, October 30, 2009 Registration DART dates and times were posted for each eligible student. Students may view their Time Ticket for Spring 2010 by selecting **Registration Status and Holds** from the "Registration DART" link in the Student Academic Services channel.

Registration DART Times for students are scheduled by the student's classification as of Spring 2010, as shown in the following table:

Undergraduate Seniors (including 5 th year ARCH)	November 16 and 17
Graduate, Law Students (third and second year), and Master of Non-Profit Administration	November 18
Undergraduate Juniors	November 19 and 20
Undergraduate Sophomores	November 23 and 24
Undergraduate Freshmen	November 30 and December 1
Non-degree and students going to Fremantle, Australia; Puebla, Mexico; or Washington D.C.	December 2

TUTORIALS (Class Search and Registration tutorials)

Online FAQ's and Tutorials available at <http://registrar.nd.edu/registration.shtml>

WORKSHEET (Registration Worksheet)

Classes can be added to the registration worksheet in two ways:

- 1) Type the CRN of the course. Students can add up to ten CRN's at the same time and then clicking "Submit Changes." Students will **not** be allowed to exceed the maximum number of credits allowed per semester.
- 2) Perform a "class search." With the results displayed, click the check box to the left of the CRN for the class or classes you wish to add to your worksheet. Clicking "Add to Worksheet" does not register you into those classes. Only "Submit Changes" processes the registration. CRN's added to the worksheet will stay on the worksheet for the entire session that you are logged in, even through multiple class searches. Clicking "Submit Changes" will process the CRN's and clear the worksheet.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Each year the University of Notre Dame is required to give notice of the various rights accorded to students with respect to your "education records" pursuant to the Family Educational Rights and Privacy Act (FERPA).

"Education records" are those records, files, documents and other materials that contain information directly related to a student and that are maintained by the University, including admissions, disciplinary records, personal academic and financial aid files, employment records and placement records. In accordance with FERPA, you are notified of the following:

1) **RIGHT TO INSPECT:** You have the right to review and inspect substantially all of your education records maintained by or at this institution. The Office of the General Counsel coordinates the inspection and review procedures for the University. To review your education records, you must make a written request to the Office of the General Counsel. You may obtain the form for making such a request from the Office of the General Counsel, 203 Main Building, or at <http://www.nd.edu/~gencoun/resources/>. You have a right to review your records within 45 days of making a written request.

2) **RIGHT TO PREVENT DISCLOSURES:** You have the right to prevent disclosure of personally identifiable information contained in your education records to third parties with certain exceptions allowed by Federal regulations. Examples of such exceptions in which the University is allowed to disclose information contained in your education records include but are not limited to:

- when you have provided prior written consent for the disclosure
- when the University is disclosing the information to school officials who have a legitimate educational interest
- to officials of another institution of higher education to which you seek or intend to enroll
- when such information constitutes "directory information" (see below)

Directory Information: The University has designated certain information contained in the education records of its students as Directory Information for purposes of FERPA.

Directory Information at Notre Dame includes:

- (1) student name,
- (2) address (local and permanent),
- (3) personal telephone numbers,
- (4) e-mail address,
- (5) date and place of birth,
- (6) photograph(s) of student,
- (7) major field of study and class year at Notre Dame,
- (8) dates of attendance,
- (9) degrees and awards received,
- (10) the most recent previous educational agency or institution attended by the student,
- (11) participation in officially recognized activities and sports and
- (12) weight and height of members of athletic teams.

Directory information may be disclosed by this institution for any purpose, without the prior consent of a student, unless the student has forbidden disclosure of such information in writing. Students wishing to prevent disclosure of the designated directory information must file written notification to this effect with the Registrar's Office. In the event that such written notification is not filed, the University assumes that the student does not object to the release of the directory information.

Complete Web **ENROLLMENT** for the semester - between August 19 and September 2, 2009.

REGISTRATION INFORMATION

ADD or DROP CLASSES

Add Classes

- Select "**Add or Drop Classes**" from the "Registration (DART)" link in the "Student Academic Services" channel in the "Student Academic" tab of insideND
- Select the appropriate term in the "Select a Term" drop down menu
- Click in the first field under "Add Classes Worksheet"
- Type the CRN of the first class for which you wish to register (you may enter up to 10)
- Click "Submit Changes" to register for all CRNs entered on the worksheet

Co-Requisites

All co-requisites must be added to the worksheet before clicking "Submit Changes". Failure to have all the co-requisite CRNs in the worksheet before you "Submit Changes" will result in a "Registration Add Error" for the class(es). To correct this error, enter the CRNs for each co-requisite on the "Registration Worksheet" and select "Submit Changes".

Adjusting Credit Hours of Variable Credit Classes

- Add the class using the "Add Classes" instructions
- Variable credit classes will appear with the minimum credit hour value underlined
- Click on the hyperlinked credit hours
- A pop-up window will display, click on the "Credit Hours" field of the Variable Credit class
- Enter the number of credit hours for which you wish to register
- Click "Submit Changes" (**Click only once** - any more than one time may cause an error to occur)
- **Select "Add or Drop Classes" link, at the bottom of the page, to take you back**

Drop Classes

- Locate the class you wish to drop in your "Current Schedule"
- Use the drop down menu, in the "Action" column, next to the class you wish to drop
- Select "Web Dropped"
- Click "Submit Changes"
- The class is now dropped and no longer appears on your schedule
- You will not be allowed to drop the last class on your schedule via registration. You must contact the Office of the Registrar as this may be considered a withdrawal from the university.

Exchange Classes

Warning: You must be certain that there are no schedule conflicts, unmet restrictions and that the class/tutorial/lab has openings before exchanging sections. This action is not a true "swap" function. The course you select to be Web Dropped will be removed from your schedule, whether or not you are able to add the requested section.

- Go to the Registration Worksheet
- Enter the CRN of the class/tutorial/lab that you want to add in the "Add Classes Worksheet" section
- In the "Current Schedule" section, change the status to "Web Dropped" in the Action column of the class to be dropped
- Click on "Submit Changes"
- The class/tutorial/lab may now be exchanged (see the above "Warning")

ADVISING

Students must make an appointment for academic advising and to obtain their **Registration Alternate PIN**, which may be required to register for classes. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time begins may have difficulty obtaining their **Registration Alternate PIN** in time.

AUDITING A CLASS - Graduate students only

Only graduate level students are permitted to audit. All regulations, restrictions, and charges regarding registration to a class remain in effect, whether or not the class is taken for audit or credit. This audit must be declared by the seventh class day of the semester.

- Register for the class in insideND
- Go to the Graduate School Office, 502 Main Building and request to Audit the class (Law School students follow the Hoynes Code and must go to the Law School Registrar)
- The Graduate School (or Law School Registrar) will modify your grade mode to "Audit"

CLASS LOADS AND OVERLOADS

Students will not be allowed to register for an "overload" class schedule without permission of the student's assistant or associate dean. The number of credits constituting an "overload" varies by college or school. If permission for an "overload" is granted, the assistant or associate dean will enter the new credit hour maximum directly into the student's record. The student can then use **Add or Drop Classes** to obtain the additional class.

All classes, including ROTC, Music, and any audited classes (Graduate students only), count toward the maximum credits allowed by a college.

The maximum number of credits allowed without overload permission is:

<u>College</u>	<u>Maximum Credits</u>
Architecture	19
Arts and Letters	17
Business (sophomores)	17
Business (juniors, seniors)	19
Engineering	19
First Year of Studies	18
Science	18
Graduate Business (Degree seeking)	16
Graduate School	15
Law	17

CLASS SEARCHES

Three separate class searches can be accessed through insideND from the Student Academic Services channel:

"Class Search"

- Use the drop down boxes to select your search criteria
- Search results are displayed as a list of classes, with the following class information - Course, Section, Title, Credits, Status (Open/Closed), Maximum Allowed, Open Seats, Crosslisted class (Xlst), CRN, Syllabus available, Instructor, When class is offered, Begin and End dates, and Where (building and room)
- Restrictions - can be viewed by clicking on the underlined subject and course number in the class search results
- Seat Allocations - under "Registration Availability" section, if applicable
- Seat Availability - scroll down to "Registration Availability" to view available seats

"Schedule of Classes Search" (Advanced search with a more robust query criterion but lacking a clear summary display of information.)

- Use the drop down boxes to select your search criteria (must select at least one Subject)
- Sections that meet the selected criteria will be displayed by section
- Select "View Catalog Entry" to view more detail about the class, including the course description

Class Search while in Registration

- Go to the registration worksheet
- Next to the "Submit Changes" button, click on "Class Search"
- This class search functions in a very similar manner to the "Schedule of Classes Search"
- Select classes to add to the registration worksheet by placing a check in the box in the first column. (You may check more than one.)
- Click "Add to Worksheet" at the bottom of the page

CLASSIFICATION CALCULATIONS

Classification indicates whether a student is a Freshman, Sophomore, Junior, Senior, Fifth Year Architecture Senior, First Year Law Student, Second Year Graduate Business student, etc. Some classes are restricted by classification, and seats may be allocated within a section by classification.

Registration dates are scheduled by student Classification. Students having questions about their classification should contact the associate or assistant dean in their college. To check your classification, go to insideND and select **Registration Status and Holds** from your "Registration Tools" channel. Scroll down to look under "Curriculum Information".

CO-REQUISITE CLASSES

On the **Add or Drop Classes** registration worksheet, classes with co-requisite courses must be submitted at the same time. The CRNs for each co-requisite course must be present on the worksheet when the "Submit Changes" button is clicked. For example, if a course has a lab, the CRN of the main course must be on the worksheet AND the CRN of the lab must be on the worksheet prior to "Submit Changes" being clicked.

COURSE REFERENCE NUMBER (CRN)

CRN stands for "Course Reference Number" and is used when registering for classes. It is not the same as the Course Number. CRN's will be 4 digits long for Summer Session and 5 digits long for Fall and Spring semesters. In the Fall, CRN's will begin with a "1." In the Spring, CRN's will begin with a "2."

DEPARTMENTAL APPROVAL REQUIRED

See the department offering the course for approval to register for the course. Go to "**Registration Status and Holds**" to see the approvals that have been entered by the department. Then register for the class.

ENROLLMENT

Enrollment is accessed by selecting **Web Enrollment** from the "Registration Tools" channel on insideND. Enrollment is NOT the same as Registering for your classes. Enrollment is the process in which a student informs the University Registrar of his or her intention to pursue the classes for which they have registered and is used as census information. All students are required to Enroll each semester. Enrollment must be completed by midnight on the seventh class day. Students that have not enrolled by the seventh class day, and who have not made arrangements with their academic dean for late enrollment, are determined to be "Inactive" for the semester **and their classes will be removed from their schedule.** **Web Enrollment** is available a few days prior to the beginning of the semester.

ERROR (Registration Add Error)

When a student attempts to register into a class for which he or she is not eligible because of department restrictions a "Registration Add Error" will appear in the area just above the registration worksheet.

Any restrictions requested by a department will be listed in the "Class Search" or in "The Hours of Instruction" book. There are a number of restrictions a department might place on a class for registration. For example, classes can be restricted to a certain classification such as sophomores; or a course can be reserved for a given group (major, degree, etc.). If you encounter a "Registration Error" choose another class.

TIME CONFLICT + CRN of conflict	Student is attempting to register for two classes that meet at the same time or overlapping times.

FULL-TIME/PART-TIME STATUS

An undergraduate degree-seeking student **must be in full-time status each semester**. Any undergraduate student who is enrolled in at least 12 credit hours is considered **full-time**. A student who believes that special circumstances may require him/her to carry fewer than 12 semester hours in any semester (including a senior in his or her last semester), must seek approval from their respective college to be part-time. This request and conversion, if approved, must be made before the seventh class day of Fall or Spring semester. If permission is granted, the dean will make the modification in the student's record. The Office of Student Accounts will be notified of the change of status and, if necessary, an adjustment to tuition will be made. There will be no adjustment of tuition unless permission is given by the dean and the class schedule is changed before the seventh class day of the Fall or Spring semester.

Graduate School, Law School, and Graduate Business students should see their advisor or department for more information.

PASS/FAIL OPTION

Undergraduates: According to the Academic Code, (19.1): "Each junior or senior undergraduate may file with their dean during the first seven class days of the semester the decision to take one elective course, outside the student's major department and not required by the student's program, per semester on a pass/fail basis. Such a filing is irrevocable and will result in conversion by the registrar of the instructor's final grade report into an entry of P ('pass') or F ('fail') on the student's record. The instructor will not be

informed that the student has elected the pass/fail grading option. The registrar will interpret the final grades of 'A' through 'D' as 'pass'. If a final grade of 'F' is issued, it will be computed into the student's grade point average."

Students must first register for the class before the Pass/Fail Option can be applied. All Pass/Fail Option changes are processed in the dean's office. If the dean approves the Pass/Fail Option, he or she will enter the information directly onto the student's record.

The last day for all Pass/Fail Option changes for the Spring 2010 semester is January 20, 2010.

Law Students: The Pass/Fail Option is also available to students in the Law School, but is limited to a total of two non-required courses, and only with the permission of the course instructor. These courses cannot be taken in the same semester. Permission must be obtained from the Law School Registrar.

PERMIT-OVERRIDE

Electronic permissions and overrides are entered directly onto a student's record. This then allows them to attempt to register for a particular class. Permission for classes that are "Department Approval Required" will also be entered electronically. The permissions and overrides can be entered by departmental staff prior to registration, during the advising period which begins two weeks prior to the first day of registration for Seniors.

Receiving permission or an override does not register the student into the class. Students must still register for any courses for which they receive any permissions and overrides. Receiving permission or an override does not guarantee the student a seat in the class; it simply enables the student to attempt to register for the class.

REGISTRATION ALTERNATE PIN (PIN)

The **Registration Alternate PIN** is the terminology used for the **PIN** required to access registration. The PIN is a six digit number which changes each term. It is received from an academic advisor or department.

The **PIN** may be required for entry into registration for the Fall and Spring terms (no PIN is issued for Summer Session). Students must make an appointment for academic advising and to obtain their **PIN**. The advising process varies among the colleges and departments. Students should contact the department of their first major for guidelines. **Do this early!** Those who delay advising until immediately before their Registration DART Time Ticket begins may have difficulty obtaining their **PIN** in time.

Once obtained, the **PIN** will be valid through 11:59 p.m. January 20, 2010 (except for Law and First Year students). Students who are returning from an official Leave of Absence will have PINs available in the departmental office of their major. Freshmen will follow the guidelines set by the First Year of Studies.

You may be required to enter your PIN each time you enter the **Add or Drop Classes** link. After you register for at least one class, you may retrieve your PIN by clicking the "Forgotten PIN" link at the bottom of the "Registration PIN Verification" page.

REGISTRATION STATUS and HOLDS

It is recommended that students check their registration status before attempting to register for classes.

- Select **"Registration Status and Holds"** from the "Registration DART" link in the "Student Academic Services" channel
- Select the appropriate term in the "Select a Term" drop down menu

- ❖ Registration DART Time Ticket will display
- Three boxes will display and all of the boxes must be checked before registration can take place
- ✓ Holds - if you have any registration "Holds" you must clear them with the office listed
- ✓ You must be in good Academic Standing
- ✓ Your Student Status must be eligible to register
- ❖ Department Permission or registration restriction overrides will display
- ❖ Degree information, including majors, will display

SAINT MARY'S (Notre Dame students registering for classes at Saint Mary's College)

The entire Saint Mary's College **Spring 2010** Schedule of Classes is available through "PRISM" at the Saint Mary's web site. The URL is: <http://www.saintmarys.edu/~regoff/>

ADDING SAINT MARY'S CLASSES

Notre Dame students are permitted to register for Saint Mary's College classes if space permits, if the class prerequisites are met, and the class fits into the Notre Dame student's schedule.

There are two methods of registering for Saint Mary's College classes:

- A) **Add or Drop Classes** on insideND may be used to register for selected Saint Mary's classes. These classes are listed in this book. Any Saint Mary's classes successfully registered for using **Add or Drop Classes** will immediately appear on the Notre Dame student's schedule
- B) To register for other Saint Mary's classes, complete a *Saint Mary's Intent* form, which is available online at <http://registrar.nd.edu> by clicking on the SMC Intent Form link.

In order to receive priority, by student classification, the intent form must be submitted electronically to the Saint Mary's Registrar's Office or returned to the Notre Dame Office of the Registrar by Monday, November 30. Forms returned after this date will be processed by Saint Mary's College on the first day of Spring 2010 classes at Saint Mary's College and only if space is available.

Any Saint Mary's College classes for which the Notre Dame student has been approved will appear on the Notre Dame student's schedule after the student's time ticket assignment has started.

DROPPING SAINT MARY'S CLASSES

Saint Mary's College classes may be dropped using **Add or Drop Classes** on insideND through the seventh class day of the semester. After this date, and through the last day to discontinue classes, any drop must be completed on a form and signed by the student's dean at Notre Dame. Check the academic calendar for specific class change deadlines.

SCHEDULE (VIEW OR PRINT)

After registering for classes, students can view their class schedule using the "Week at a Glance" link in the Student Academic channel in insideND. The "Week at a Glance" view defaults to "today." If a student wants to view how their summer (or fall) classes line up, they will need to use the "Jump To" feature in the upper right-hand corner and enter a date that falls during the semester they would like to view. Students can print this view directly from their browser using either File, Print, or the Print icon.

For example: Students register on 4/16/07 for Fall 2007 and they click "Week at a Glance." It displays the week of 4/16/2007, with no information about their courses. Students would enter 8/25/2007 in the "Jump To" box to display a week when their classes begin.

SEAT ALLOCATION

"Seat Allocation" is a feature of the registration system. Departments are able to allocate seats based on Level, Major, or Classification of the students. To view the Seat Allocations of a class, if applicable, use the Class Search function.

Also, it is important to note that there may not be an "overflow" capability from one allocation to another. For example, if a course has 15 seats allocated to majors and all 15 seats are filled by students who are majors, then the 16th Anthropology major would NOT be able to register for the class even if there were seats available in the "unallocated" portion of the class. In addition, seats that are allocated by major may only be taken by students with the major listed as their primary (first) major.

TIME TICKET ASSIGNMENTS (Registration DART Time)

A student's Time Ticket (Registration DART Time) indicates when they are able to start registering for classes. Registration then continues until the seventh class day (except for law and first year students) of the semester for which they are registering.

On Friday, October 30, 2009 Registration DART dates and times were posted for each eligible student. Students may view their Time Ticket for Spring 2010 by selecting **Registration Status and Holds** from the "Registration DART" link in the Student Academic Services channel.

Registration DART Times for students are scheduled by the student's classification as of Spring 2010, as shown in the following table:

Undergraduate Seniors (including 5 th year ARCH)	November 16 and 17
Graduate, Law Students (third and second year), and Master of Non-Profit Administration	November 18
Undergraduate Juniors	November 19 and 20
Undergraduate Sophomores	November 23 and 24
Undergraduate Freshmen	November 30 and December 1
Non-degree and students going to Fremantle, Australia; Puebla, Mexico; or Washington D.C.	December 2

TUTORIALS (Class Search and Registration tutorials)

Online FAQ's and Tutorials available at <http://registrar.nd.edu/registration.shtml>

WORKSHEET (Registration Worksheet)

Classes can be added to the registration worksheet in two ways:

- 1) Type the CRN of the course. Students can add up to ten CRN's at the same time and then clicking "Submit Changes." Students will **not** be allowed to exceed the maximum number of credits allowed per semester.
- 2) Perform a "class search." With the results displayed, click the check box to the left of the CRN for the class or classes you wish to add to your worksheet. Clicking "Add to Worksheet" does not register you into those classes. Only "Submit Changes" processes the registration. CRN's added to the worksheet will stay on the worksheet for the entire session that you are logged in, even through multiple class searches. Clicking "Submit Changes" will process the CRN's and clear the worksheet.
