

IRISH WALK OVER INDIANA 8 TO 0

**CAPTAIN SHEEHAN FEATURES
VICTORY WITH BRILLIANT
WORK AT THE PLATE.**

Hammering out a pair of two baggers and counting three hits in four times at bat on which he scored two runs, Captain Billy Sheehan led the Notre Dame attack on the Indiana nine Tuesday afternoon in which the Crimson visitors were defeated, 8 to 0.

The game was a slow, one-sided combat in which the Keoganites were masters of the situation at all times. The close work of Notre Dame stood out prominently in comparison with the loose playing of the Indiana squad, and not once during the entire game did the Bloomington lads threaten to score.

Frank McGrath on the mound for Notre Dame pitched an elegant game for nine innings, allowing but five hits, striking out six men and permitting none of the Indiana crew to reach first on four balls. Les Manns conscripted two twirlers to puzzle the Keoganites but neither man had anything to

Seniors Announce Patrons of Ball

The patrons and patronesses chosen for the Senior Ball are as follows: Mr. and Mrs. Knute K. Rockne; Mr. and Mrs. A. R. Erskine; Professor and Mrs. Joseph Reichert; Dr. and Mrs. H. B. Boran; and Mrs. Frank Coughlin.

Arrangements are about completed to bring an out-of-town orchestra here for the Thursday night Dinner Dance during Ball Week. The contract will not be signed however, until the rest of the seniors necessary to fill the quota have paid deposits.

Special Meeting of Seniors Today

A special meeting of the Senior class has been called for tomorrow noon at 12:30 o'clock, in the library. Important information concerning graduation will be given out, and it is essential that every man who will graduate with the class of 1924 be present at this meeting. Further information about the retreat will be announced by Ted Huether who has charge of this affair. It will be conducted solely for the members of the Senior class. It is important that every senior be present at this meeting.

Last Scholarship Dance on May 12

The Scholarship club of South Bend will give its final dance of the year, May 12. This club, organized in 1921 for the purpose of helping ambitious and worthy men through the university, is at present providing sixteen men with scholarships. The usual method of raising funds for this purpose is by dances, and so far this has been very satisfactory. At this dance a new venture will be introduced, and a light-six Studebaker sedan, will be awarded. It is hoped that by the sale of tickets and the returns of the dance, a working fund for the opening of school next year will be provided.

This dance will be in the nature of a guest party and many South Bend friends of the club have been invited to attend. The Big Five Orchestra as well as the regular Palais Royale Orchestra will furnish the music for the occasion. Other entertainment will also be provided.

Dome Printed, Sent to Binders Today

The last form of the Dome was shipped down to Chicago to the Brock & Rankin company, where the entire book will be bound in a handsome Malloy cover. These binders have promised a five day service, and if they live up to their contract the Dome will be in the hands of the students on the day scheduled. Jack Scallan, the editor, and Mr. Kubiak of the McClave Printing company will make a trip to Chicago tomorrow to oversee the work.

A new system of distribution is being planned so that the waiting in the long lines will be eliminated. Those who have ordered a Dome but have not yet paid for it should arrange this matter with the secretary of the University within the next few days.

FROSH WILL OPPOSE VARSITY SATURDAY

**BASEBALL TEAM AT INDIANA
FRIDAY; N. D. TRACKSTERS
IN DUAL MEET.**

The sport card for Notre Dame will run light this week as compared with the numerous activities that were run off last week. The Keoganites will travel to Bloomington, Thursday evening to play a return game with the Indiana University club on Friday afternoon while Coach Rockne's varsity and yearling track teams will stage a dual meet on Cartier field Saturday afternoon.

The slug fest enjoyed by the Irish batters in the game with Indiana last Tuesday afternoon while it displayed a superiority of ball playing on the part of the Irish may be dampened somewhat when the Blue and Gold squad invades Bloomington. Woodward, Indiana's star pitcher, should he draw the mound assignment against the Notre Dame squad will offer a more puzzling brand of ball than did the two slabmen who graced the hill in Tuesday's fracas.

The practice meet between the varsity and freshmen track teams will serve as a good conditioner before the Michigan Aggie meet on Saturday, May 17, which will precede by one week the Indiana intercollegiate meet which will be held on Cartier field as a feature of Senior week May 24. The Aggies, while not a strong well balanced track squad, boasts of several individual performers who should be able to make the meet rather interesting for the Notre Dame runners. The Aggies came to Notre Dame last year for a dual meet and lost the encounter by a large margin.

The State meet this year will be the feature track classic of Indiana and several schools including Wabash and Butler are making intensive preparations to triumph over Coach Rockne's squad which has held the state title every year since 1915. Indiana beaten by De Pauw will not be able to offer competition comparable with the Little Giants from Wabash, the latter being particularly strong in the sprints and middle distance runs. Jones of De Pauw is slated to be the spot light performer, having excelled in the indoor and outdoor meets all season in competition with some of the best track athletes in the central west.

MOTHERS' DAY CARDS.

It was announced yesterday that "Mothers' Day" cards would be put on sale in all the halls on the campus last night. These cards are suitable engraved in appropriate style for the occasion. The price of the cards is ten cents. The proceeds of the sale will be given to the Bengalese mission fund.

GLEE CLUB SINGS AT PALACE THEATER

**CONCERT AND DANCE GIVEN
FRIDAY AT PALAIS ROYALE
FOR SOUTH BEND.**

The Glee club of the University sang several numbers at the Palace theater last evening as a part of the special program for National Music Week. The three offerings of the club, "Drink to me only with thine eyes," "Love's Old Sweet Song" and "Hike, hike, Notre Dame" were well received by a typical Palace audience. Vernon Rickard and George Koch, soloists in the first number, were accorded much applause.

Last night's songs were in the nature of a final rehearsal for the Glee club's annual South Bend concert which will be presented at the Palais Royale on Friday evening. Indications point to a highly successful concert as much interest has been shown in South Bend musical and social circles. For, following the concert will be a ball, played by Harry Denny's Collegians. As more than fifty of the most prominent families in South Bend are already on the list of patrons, the affair seems sure of due recognition. Single tickets, admitting the holder to both the concert and dance, went on sale downtown yesterday.

The program to be presented Friday night will be substantially the same as the one sung with such success on the recent Easter tour through Ohio. The program blends satisfactorily the classical and modern things in music. The concert will be directed by Dr. Browne, well-known as a composer and organist. This will be the first opportunity that the people of South Bend have had to hear a complete concert by this year's club. Dr. Browne has pronounced the acoustics at the Palais Royale to be especially well-suited to the purpose of a chorus such as the Glee club.

The concert will begin at 8:15 p. m. Dancing will follow the musical numbers, and will continue until one o'clock. Tickets will be on sale at the door for those who are unable to procure them at downtown stores.

Chicagoans Elect Corney President

William Corney was elected the new president of the Chicago club at the last regular meeting held Tuesday evening at 8 p. m. in Carroll "rec" room. Walter Metzger is the newly elected vice-president. The other officers that were chosen at the meeting were Frank McFadden, secretary and Charles Collins, treasurer.

President Desmond opened the meeting with a reading of the yearly financial report of the club. He then emphasized the fact that the club has given three dances this year, and that were all splendid successes both socially and financially. This is the first time in the history of the club that such an achievement has been accomplished.

Before the meeting adjourned each of the seniors of the club was called upon for a short talk. Every one of the departing members of the organization spoke of the benefits of the club and expressed the desire to see a bigger and better Chicago club in the future. The entire body of senior members assured the club of their support in helping any activity in Chicago.

The Notre Dame unit of the Mission Crusade will meet tonight in the south room of the library at 7:30. Every crusader is asked to be at this meeting.

Father Collentine Delivers Sermon

Rev. Richard Collentine, C. S. C., formerly of the Mission Unit of the order, and at present Master of Novices, gave the May devotion, sermon last evening in the Sacred Heart Church. His subject was "The Blessed Virgin."

The entire theme of the sermon was wound about the fact that a student, especially a Notre Dame student, who attends a university named after the divine mother, spends his college life disadvantageously unless he learns to recognize Mary as a real mother who is always willing to help him. He mentioned that a fellow may have excellent home training, congenial and lovable parents, and other niceties of this world, but unless he knows the meaning of Mary as a Mother he is only an orphan. Benediction followed the sermon.

GOLF TEAM OPENS SEASON TOMORROW

**NORTHWESTERN MEETS IRISH
GOLFERS IN INITIAL MEET
AT CHAIN-O, LAKES.**

A new sport will make its debut at Notre Dame tomorrow when the Notre Dame golf team meets the Northwestern club from Evanston on the Chain o' Lakes country club. The date of the match was moved up one day due to the beginning of the Chain o' Lakes tournament on Saturday.

Prospects for a Notre Dame victory over the strong Purple team are not overly inviting, but the condition of the local club and the several star performers, who have been with the team since its formation last fall, indicate the fact that the visitors will be given an interesting afternoon. The Purple squad recently defeated Wisconsin, 12 to 8, and several of the members of the Evanston team are regarded as the most competent golfers in the conference. Dan Heppes held the low score in the match with the Badgers, shooting an 81 over the Westernmoreland course at Chicago. The par on this course is 73, while the par on the Chain o' Lakes course is 72. G. A. Asterlund, captain of the Purple outfit will play No. 2, H. Skaer will play No. 3, while J. Larson will tee off at No. 4.

While the personnel of the Notre Dame team was not announced at a late hour last night, four men will be chosen to start from the following: Joe Foglia, Tyrill Bulger, George Ward, Jack Adams, Charley Mouch, Jim Corbett and Dan Harris.

An interurban leaving downtown at 10 o'clock will arrive at the links in time for the morning round while a car leaving at 2 o'clock will arrive in time for the afternoon play.

CATALOGUE OUT.

The new Bulletin of the University is nearly all printed. A noticeable change is the complete revision of the courses in the Arts and Letters college. Changes have also been made in the other colleges.

FRESHMEN SELECT OFFICERS FOR 1925

**GREEN AND RILEY SELECTED
AS CANDIDATES FOR
1925 PRESIDENCY.**

Thomas Green, of Freshman hall, and Charles Riley, of Brownson, were selected by the Freshman Class as candidates for the Presidency of the class of 1927, for next year at the meeting held yesterday in Washington hall. Approximately three hundred and fifty were present at the meeting, at which the candidates were formally introduced. Vince McNally of Carroll hall and John Butler of Freshman were nominated for the vice-presidency, and Joseph Benda of Brownson and O'Donnell of Freshman hall came out highest in the primaries for the position of secretary. Hogan of Brownson and McManmon, freshman living in Sophomore hall, are the surviving candidates for Treasurer's office.

These men will be voted upon for the positions at the final election which will be held tomorrow at 12:30 in Washington hall.

Sophomores Name 1925 Officers Today

The Sophomore Class will meet today at 12:30 in the south room of the library to hold the primary election for next year's class officers: Mark Mooney, Andy Conlon, Judge McQuigan, and Gov. Walsh are the present officers whose terms expire in June. Much advance interest has already been aroused in the coming election and two or three candidates for officers have been mentioned. Interest in the Sophomore Class has developed rapidly in recent months, as has been evidenced at the recent meeting to elect the 1925 Dome staff.

Notre Dame to Have New Mascot

The Toledo club held its regular bimonthly meeting Tuesday evening in the library. It was decided to purchase another Irish Terrier mascot for Coach Rockne and the Athletic Association, to take the place of "Terry" who was killed in an accident last week.

Plans were furthered on the semi-formal dance to be given at the Toledo Yacht club on June 20. The feature of this June dance is the loving cup which is awarded to the couple doing the best dancing. Clever novelties are also to be given.

Each year before the close of the year the club gives a banquet to its members. This banquet is to be held in the Oliver the latter part of this month.

New Scholastic Is The Best of Year

The forthcoming issue of the Scholastic which will appear on the campus soon promises to be the most distinguished of the year. A portrait and an account of the Laetare medalist for 1924 appear first in the issue. An important article on Rev. John Talbot Smith, by Rev. John Cavanaugh, C. S. C., stating Father Smith's position is another feature. There is also a sonnet by the Rev. Charles O'Donnell, C. S. C., and essays by Brother Barnabas, Father Chevrete, C. S. C., and editor. The speeches of the affirmative members of the World Court debating team will also appear in this number along with the other regular features which are up to the usual standard.

THE DAILY'S STAND FOR NOTRE DAME

A union building to be built as soon as possible.
 A well-organized student body, residing on the campus.
 True recognition of good scholarship and a better appreciation for the efforts of men in campus activities.

IN A NEW FIELD.

Notre Dame will enter varsity competition in a new sport tomorrow when the golf team tackles Northwestern in a match at the Chain o' Lakes links. The tennis team has recently begun an intensive schedule. The entrance of university teams in these sports is an indication of the growth of Notre Dame and of its activities. It is a good thing to see men further the interests of the university in any line in which they are active. The tennis and golf teams should add to the fame of Notre Dame.

ON MOTHER'S DAY.

Next Sunday the entire nation commemorates Mothers' Day. Those mothers who are living and those who have been called by their Maker from this worldly routine will be remembered in some special way on that day. Usually a box of candy, a bouquet of roses, or a sentimental bit of verse is given to those living mothers as a token of gratitude and appreciation from their children. A visit to the cemetery is the customary method of paying respect to the memory of a deceased mother. And as an outward manifestation of the love felt for mothers, a carnation is worn in the coat lapel.

All of these conventional methods are splendid ways of paying the degree of homage which our mothers rightly are due. The world without such conventionalities would be dull and uninteresting, and an insipid place in which to live. But when we actually wish to display our thankfulness for the insatiable fondness, the ever constant devotion, and the tender affection which our mothers always have shown us, we should do so not forgetting the spiritual essence of love. It was Scott who said that love is heaven and heaven is love. Certainly a mother's love is the purest, the noblest, and the most sacred—similar to that Virgin love for the Christ Child,—and if this love finds its origin in heaven, it is godly, and we can best show our appreciation of it by remembering our mothers next Sunday in our prayers.

Father O'Hara has had neat and appropriate spiritual bouquet cards printed for this Mothers' Day custom, and every mother of a Notre Dame man should receive one from her son.

IT PAYS TO SMILE.

The winning of a \$40,000 home in a popularity contest by a traffic policeman seems to be an anomaly. Ordinarily traffic cops are supposed to be without friends. For it is their privilege, and no doubt too often their pleasure, to reprimand loudly both the lowly and the mighty on slight provocation.

Yet in New York City a traffic policeman recently won first place in a voting contest conducted by a candy concern. And the secret back of this extraordinary result was his smile. It was this that made him a man from the others engaged in the same kind of trying and irritating work. He believed that the smile behind the forbidding hand would secure the most willing co-operation and he proved his theory to be correct, to the satisfaction of both his superiors and the public. And in the fifteen years that he has directed traffic at Lafayette and Grand streets, this human lighthouse in a swirl of passing cars has never been known to lose his temper.

The kindness, coolness and intelligence displayed by him at all times could not fail to attract favorable attention. So during the contest, many admirers voted for the genial officer without even knowing his name. They simply sent their ballots for "the traffic cop at Lafayette and Grand streets."

Not only surly traffic policemen the country over, but also peevish individuals in all activities, might well take notice of the winning power of the honest and persistent smile. It cannot bring a \$40,000 prize to everyone, but it can bring an infinite amount of happiness and satisfaction into the lives of those who smile and those who live and work with them.

Many a man poses as hard-boiled when he is merely a small fry.

The man who invented taxi-meters discovered the principle of perpetual motion.

Official Bulletins

CLASS ORATORICAL CONTESTS—The regular annual class oratorical contests will be held in Washington hall, at four p. m. starting May 12. The Junior contest will be on May 12, the Sophomore contest, on May 13, and the Freshman contest, May 14. All contestants must hand in their names at the office of the Director of Studies before Saturday, May 10.

CAP AND GOWN—Measurements taken in 110 Corby for all seniors who graduate in June. Must be done by May 15.

S. A. C.—There will be a meeting today at 12:30 at the usual place.

SENIORS—Special meeting at 12:30 Friday noon in the library. Important.

FORT WAYNE CLUB—Will meet at 10 Sunday morning in the Journalism room of the library. There will be elections of officers for next year.

VILLAGERS—Important dinner-meeting at 6:30, Monday night, at the Chambers of Commerce. There will be nominations of officers for next year. Plans will be made for summer dance. Music. Notify committee for reservation.

New Offerings on Stage and Screen

BLACKSTONE—“Borrowed Husbands” and vaudeville.
ORPHEUM—“Flowing Gold.”
OLIVER—“The Amber Fluid.”
PALACE—“The Daring Years” and vaudeville.

“Flowing Gold,” the feature picture at the Orpheum during the entire week, is about as good a two-hour entertainment as has been offered in some time. It is typical Rex Beach story, this time describing an oil rush instead of the usual gold rush, anyway, it is a rush. Milton Sills and Ann Q. Nilson play the leads, supported by an unusually clever cast. The play runs the entire emotional scale, from humor to pathos, with a dash of piquant excitement here and there sufficient to lift it out of the common place.

Florence Vidor and Rockliffe Fellowes, in “Borrowed Husbands,” give us a shadow thesis on the art of lending and borrowing other halves, and of the extraordinarily high rate of interest that incidentally follows. The “J. Francis Haney Revue” will be the high spot on the boards at the Blackstone.

For three days, ending Saturday, John E. Keller in “The Amber Fluid” will occupy the stage at the Oliver. The play was written by Arthur J. Lamb and is supposed to be one of his best. It is a romantic mystery drama, with thrills, comedy, and pathos.

The Palace offers “The Daring Years,” a story of a mother's love and devotion for her son, who has an unhappy faculty for jumping from the frying pan into the fire and back again. Mildred Harris and Mary Carr portray the principle characters. A comedy-classic, christened “Change Your Act,” with Victor More and Emma Littlefield, will be unveiled on the stage.—P. C. M.

At Other Colleges

INDIANA UNIVERSITY—Defective concrete work has been exposed lately by the crumbling of seats on the university's new \$250,000 athletic stadium, which is now under construction. Although this

will mean a great financial loss to the university, the repairs will not delay the dedication of the stadium next fall.

ILLINOIS UNIVERSITY—Miss Dorothy Naylor, '24 was elected May Queen early this week by her class. She will be crowned at the May Fete, May 10.

WISCONSIN UNIVERSITY—Three hundred and thirty-eight students dropped from the college of letters and science at the end of the first semester. This is about 6 percent of the students enrolled in the college.

NEW YORK UNIVERSITY—has opened a course in the operation and management of restaurants, cafeterias and tea rooms. The course deals, in a practical way, with the problems that arise in the business field.

OHIO STATE UNIVERSITY—A new course has been added to the curriculum, which will endeavor to instruct men in the art of baking “pies like mother used to make.”

Dates Announced for Outdoor Track Meet

The Interhall athletic board yesterday announced that the annual interhall outdoor track meet would be held this year on Cartier field, May 27 and 28. The events will take place on the cinder track each afternoon at 4:20 o'clock.

The performances of the teams in the indoor meet held last winter in the gym brought to light a quantity of promising track material, and assures a fast encounter when the men meet on the outdoor track. The competition promises to be close, Brownson winning last winter's engagement by five points.

There are to be 15 events, run off in the following manner: Tuesday, May 27: 100-yard dash, 120 yard high hurdles, 440-yard run, mile run, discus throw, high jump and shot put. Wednesday, May 28: 220-yard dash, 220-yard low hurdles, half mile run, 2 mile run, pole vault, broad jump, javelin throw and a half mile relay composed of four men.

Rockne expressed the desire to see as large a number of men entered in the contests as possible in order to make the affair a success, and to get a line up on next year's prospects.

LAW CLUB BASEBALL.

In order to look over the many candidates for the Law club baseball team, a practice game was held Wednesday afternoon between the seniors and the juniors. The seniors came out on the long end of the 12-7 score.

Chuck Collins was on the mound for the juniors and pitched nice ball throughout, although his support at times was erratic.

Tom Donovan heaved steady ball for the seniors, and looks to be a mainstay in the twirling staff of the Lawyers. Mike Schmitt broke into the hall of fame by knocking a home run in the fourth inning with two men on base.

ILLINOIS DIAMOND SQUAD PREPARES FOR HARD SERIES

Urbana, Ill., May 7.—With the conference season reaching the stage where the title is within reach of three or four Big Ten teams, coach Lundgren of Illinois is preparing his charges for a series of stiff games during the week beginning Saturday, May 10. Ohio State will entertain at Columbus next Saturday while Iowa, Notre Dame and Wisconsin will appear at Urbana in the order named. The encounters with the Irish and the Badgers will be features of the interscholastic athletic carnival to be held here.

The Illini mentor is still in a tight position without the services of "Lefty" O'Connor whose absence throws the burden of the mound duty on Wally Roettger. "Hoge" Workman of Ohio State will be a feared man on the mound for the Columbus school since his formidableness of last year is still remembered in the Illini camp. Harper has been substituted in the Illinois line-up for "Red" Grange who failed to come up to expectations as a batter. As a fielder Grange always gave a very creditable performance.

Harry Gill is preparing his sen-

offer that the locals could not solve. Sheehan's crew gathered ten hits off Gause while Nolan was the only local to get a walk. Gause struck out three of the Blue and Gold batters.

Sheehan opened hostilities in the first frame with a two bagger and scored on sacrifice flies by Crowley and Vergara. In the Crimson's half of the first, Niness connected with a three base hit with two out but Knight fled out to Vergara to end the inning. Notre Dame rode blank in the second while McGrath's support in the second dampened the Indiana batters in quick order.

Sheehan singled in the third and stole second after Quinlan and McGrath had counted for two outs. Crowley struck out and the Irish leader was left on second. A similar order of events completed the inning for Indiana. In the fourth, Vergara doubled to deep right and scored on Nolan's home run. Dunne singled and scored on Quinlan's sacrifice fly to Lahoda.

Again elegant fielding support ended the inning for Indiana after three of the Crimson clads had come to bat. Sheehan opened the fifth for Notre Dame with a single and scored on Crowley's two base hit. Nolan singled but was out at second when Dunne grounded to the Crimson second baseman. While the play was in progress, Crowley on third raced for home. Silver was out, Gause to Parker. Indiana went blank in its half of the fifth.

Norte Dame sluggers came back again in the seventh for two more runs when Sheehan began the fireworks by singling to right and going to second on an error. Crowley fled out to Lahoda and Sheehan went to third on Vergara's sacrifice. Nolan walked and stole second while Dunne singled scoring Sheehan. Silver reached first

on an error but Pearson fled out to Lahoda.

Notre Dame made another attempt to score in the eighth when Quinlan walked, reached second on an error and third on a sacrifice by Crowley, but was put out by Moomaw when he tried to get home. Indiana idled out the game and garnered two hits in its ninth with long drives into center field.

The Keoganites displayed their usual batting strength although not faced by any puzzling offering

from the Crimson mound. Joe Quinlan on the keystone sack for the Irish played a nice fielding game but still looks a little weak at bat. Quinlan is one of the hardest working players on the Irish club. Crowley, Vergara and Dunne displayed their usual hitting ability and each man scored one run. Dunne copped two hits in three times at bat while Vergara and Crowley connected with a two bagger each.

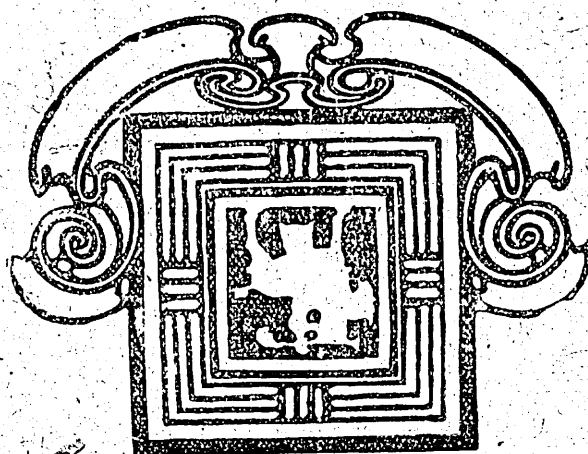

KLAN RUMOR PROVED FALSE.

A report that the K. K. K. was planning on burning a fiery cross on the field south of the post office, and west of Cartier Field, reached some five hundred students just as the May devotion services were finished last evening, and they all hurried to the spot where it was reported the Klan would stage a demonstration. Neither klansman nor flaming cross could be sen, so the students returned to their respective halls.

BADIN DEFEATS DAY.

The Badin hall baseball nine annexed another victory yesterday afternoon when the club from the west campus defeated the Day Dodgers, 14 to 2 in an Interhall league game. Harmon and Powers composed the batteries for Badin while Smith twirled for the Day nine with Kintz and Sweeney behind the bat. Haecker of Badin connected with a home run.

The Best Clothing Store for You

EVERY clothing store wants your trade; we do, and we figure that the best way to get it is to make this a store for YOU. If we do that and you know it, we'll have big business; and we have that.

Our idea in making a store that serves YOUR interest first is this!

1. Good quality in stylish clothes is first.
2. Prices as low as good quality allows; there's a bigger total profit in many sales at a small margin than in a few sales at a large margin.
3. Guarantee you satisfaction.

[These are just some of the ideas that have made this "The Best Clothing Store for you"]
