INTERNATIONAL STUDIES

GERMAN PROTESTANTS FACE THE SOCIAL QUESTION, by *William O. Shanahan*. By bringing about a massive reorganization of the traditional agrarian world the Industrial Revolution so altered man's work, his home, and his habits of thought as to place Christianity in jeopardy. The German Protestants became entangled with the national political history in attempting to deal with the social question. How their attempts entered into German history after 1815 provides the narrative of this book. And throughout, the historian's interest in depicting the ties between Christianity and western culture has not been lost to sight. In this dimension, the story of the German Protestant response to the Industrial Revolution illumines the fate of western man.

PETER E. DIETZ, LABOR PRIEST

By Mary Harrita Fox. A biography of America's first labor priest, who worked alongside such men as Samuel Gompers, Matthew Woll, Daniel Tobin, and Philip Murray. **\$4.75**

NOTRE DAME 100 YEARS

By Arthur J. Hope, C.S.C. A complete and popularly written history, by a man who for over 25 years has been closely associated with Notre Dame and Notre Dame men. **\$4.00**

REVIEW OF POLITICS

Edited by Waldemar Gurian. A quarterly magazine that provides a full range of articles which consider the problems of contemporary life. Without neglecting the analysis of institutions and techniques, the editors aim to give primarily a philosophical and historical approach to political realities.

Walter Lippman says, "I regard the *Review of Politics* as having very few equals and no superiors in the English-speaking world in the serious discussion of international politics." **\$4.00 a year**
