Index

This Index encompasses the second year of publication of the Notre Dame Report, Volume 2, issues 1 through 20, published during the academic year 1972-73. Items appearing in the University section are listed under subject matter and principals involved in the event. Faculty Notes are listed under the individual faculty member's name and are noted as "f.n." in the Index entry. In the Office of Advanced Studies section, "Special Notices" and "Notes for Principal Investigators" are listed under those titles. Information Circulars are entered under the foundation or agency publishing them. Current Publications and Other Scholarly Works are entered under the author's name. Items listed in the Monthly Summary section are entered under the principal and the sponsor. Summary of Awards Received and Proposals Submitted material is listed according to category, i.e. research, facilities and quipment, educational programs, service programs. Closing Dates for Selected Sponsored Programs are entered under the name of the sponsoring agency. In each listing, the issue number appears first, followed by the page number.
