How to Choose a Wife.

Remote Preparation: "Seek ye first the kingdom of God and His justice, and all these things shall be added unto you." -- Matt. 6:33.

Proximate preparation:

1. Read "You and Yours" and "Courtship and Marriage" and fix Catholic ideals in your mind.

2. Remember that while your character is forming the mental attitude you form towards women will be the one you will always keep.

3. Respect the rights of your future family.

4. Respect the wishes of your parents, always remembering that you are marrying the girl, and not they.

5. Use as much common sense as you would in buying a car, always remembering upkeep and depreciation.

"Like that putty-faced canine?" he ~~ventured~~ he sneered. "He's a piker in English -- just learning. He can do pretty good in Spanish, and in Greek he's good; but he's only got nine languages, and you've got to have thirteen to rate the union. Now listen to me."
