

Has the Religious Bulletin Been of Any Spiritual Benefit?

"No. One humorous paper on the campus is enough" (At least).

"I have gotten a lot of good "dope" from it."

"Yes, because usually the humor outweighs the irony."

"No, My Religion means more to me than flippancies."

"Very much so. It shows one what to do and how to do it. I'm trying to make up for having been a rotter."

"Not a bit, but I would hate to see it discontinued."

"It has been a wonderful help to me, as it has just seemed to hit me exactly, every time."

"I should say so. It ought to be issued in book form."

"What did You Learn From the Bulletin?"

Several students have stated that they learned from the Bulletin things they never knew before. What were some of these things? It will be helpful to know.

"Judge Not , That You May Not Be Judged."

Freshmen: Always condemn the vice of impure speech, but do not pass judgment on the speaker. You will usually find one of the following defects that will mitigate his offense:

1. Slow or retarded mental development;
2. Vicious companionship outside of school;
3. A bitter home life.
4. A naturalistic tendency in High School instruction and environment;
5. A child's judgment of right and wrong.

When you have more opportunity to meet parents, you will understand better the problems of their sons. People who cannot read may have deep spiritual understanding; but when spiritual understanding is absent is hard to educate the children before the third generation. Study "Jiggs" .

Prayers.

Three special intentions, three sick and four deceased relatives of students.
