

Religious Bulletin.
April 26, 1924.

38001

The number of Communion during Lent was 38,001. Who was the one? The daily average was 905. Last year's average was 814.

158,484

The number of Communion from the beginning of school till Easter Sunday was 158,484. The daily average was 800 -- exactly the average for the first semester. That average will fall considerably if you don't get the sleep out of your eyes in a hurry.

86

Last year the Junior class returned 86 questionnaires on the survey. This year the senior class has made the same return. More returns make more work, but one would be willing to do it for this year's seniors.

692

The number of questionnaires returned to date is 692, divided according to halls as follows:

Day.....	51
Sorin.....	60
Corby.....	65
Walsh.....	84
Badin.....	77
Sophomore...	85
Carroll.....	73
Brownson....	105
Freshman....	109
Main Bldg...	2

The survey boxes will be left in place for one more week. A little more propoganda among your friends will help.

75

There are seventy-five steady daily communicants in this years Senior class. The whole standing is as follows:

Daily all year.....	75
Daily at times.....	51
Frequently (and weekly).....	50
Seldom.....	36
Unaccounted for.....	12
Unaccountable.....	9

Quite a few seniors have become daily communicants this year.

A Letter of Thanks.

A beautiful letter from Mr. and Mrs. C. P. Walsh thanks the faculty and students for the devotion shown in the many Masses and Communion offered for the repose of the soul of their son Frank. Their gratitude to God for giving their boy such a beautiful Catholic death is most edifying. Faith develops the Catholic spirit of resignation. We need the lesson of death -- and at N^otre Dame it is always a beautiful lesson.

April 26, 1924 a

Notre Dame Spirit.

Last night 1400 students cheered the team to victory -- especially after the lights went out.

*

This morning 267 students responded to the call of charity and received Holy Communion at the Mass for the repose of the soul of William Dockman.

*

Where were the other 1133?

*

Some went to the cafeteria.
Some took a walk around the lake.
Most of them, stayed in bed.

*

Brownson Hall has had two warnings within two weeks. Less than half the hall responded this morning. A third Brownson man is in proximate danger of death. He does not know it. If God sends a fourth warning, He may take one less prepared than those who have gone.

*

Sophomore is strong for optional devotions. It sent a delegation of twelve to Mass this morning. Sophomore Hall is full of Notre Dame spirit -- by midnight.

*

Redeem yourselves. Offer Holy Communion tomorrow morning for the repose of the soul of William Dockman. Let his parents receive real consolation: do not add to their sorrows.

*

Tomorrow morning.

John F. O'Hara C.S.C.,
Prefect of Religion.
