A Letter From one of the Boys.

Vigan, Ilocos Sur, P.I.,
April 9, 1924.

Rev. and dear Father:

I was so very much attracted at reading a pamphlet of Notre Dame titled "Frequent Communion for College Men." This pamphlet has given me enormous advantages of receiving Holy Communion daily. Kindly please send me some more of this kind for free distribution.

I am a student of the Seminary College of Vigan, under the directorship of the American Fathers S.J. I am now at present in the Third Year High. I am living in the palace of the Bishop, Monsignor P. J. Hurth, formerly of Notre Dame.

I give many thanks.

Gregorio Yabes.

Blessed Charity

Father Kelley's classes in Religion I made up the following spiritual boquet for Frank Walsh:

Masses heard.....	1040
Communions.....	1050

Way of Cross.....	239
Aspirations.....	2026
Mortifications.....	1260

Take Your Troubles to Father Irving

Father Irving will now devote his entire time to confessions and spiritual direction. Feel free to call at any time or to stop him on the campus for an appointment.

Easter Duty.

The Church requires a reckoning by Trinity Sunday as a requisite for life membership. God may demand a reckoning before that time. "Watch ye therefore and pray for at what hour you know not the Son of Man will come."

May Devotions.

Father Collentine will preach tonight at 7:30. The sermon will be broadcasted along the Niles Road for the benefit of those who need it.

The Senior Marathon

The endurance test begins tonight, after the May devotions. Those who survive will watch the Religious Bulletin next week. It will be recalled that the Junior Prom of last year received no mention. Those who were present will understand why.
