All Souls Day.

Drawing the Veil.

"And He said to His disciples: It is impossible that scandals should not come. But woe to him through whom they come!

"It were better for him that a millstone were hanged about his neck and he cast into the sea, than that he should scandalize one of these little ones.

"Take heed to yourselves. If thy brother sin against thee, reprove him: and if he do penance, forgive him.

"And if he sin against thee seven times in a day, and seven times in a day be converted unto thee, saying: I repent: Forgive him."---Luke, XVII, 1-4.

The Visits Today.

You can gain a plenary indulgence for some Poor Soul every time you make a visit to the church today. If you have not fulfilled the conditions of confession and Holy Communion, you may offer up Holy Communion tomorrow morning. You must be in the state of grace to gain the indulgences. You can go to confession at any time during the day in the Sorin Hall chapel. Ring the bell -- twice for confession.

The Novena for Examinations.

If you start tomorrow morning you can end your Novena on the first day of the exams. Non-Catholic students can make the Novena by saying any prayer of their choice for nine successive days. We take the custom from the example of the Apostles, who prayed nine days for the coming of the Holy Ghost at Pentecost.

The Class for Non-Catholics.

This class meets every Monday and Tuesday, at 7:00 p.m., in room 117 Main Building.

The Wisconsin Trip.

There will be a Mass at St. Patrick's Church, near the station, as soon as you arrive in Madison. Keep up daily Communion on your trip. Don't break your Novena.

The Beautiful Decorations of the Engineers.

The artistic wink displayed on the Engineering Building was characteristic of the old school engineers, before the Bulletin woke them up---half awake, half asleep.
