What A Sunday Collection Looks Like.

There is a good bit of speculation as to what a Sunday collection looks like. The following figures are for yesterdays:

30 pennies.....	\$.30
212 nickels.....	10.60
204 dimes.....	20.40
23 quarters.....	5.75
	<u>\$37.05</u>

The Mission collection a week ago amounted to \$50.00. The average collection lately has been about \$35.00. The collections other than third Sunday are devoted to the deficit from the pamphlet rack. The rack has been costing something more than \$100 a week. In a good week the rack will produce \$25.00.

I.

"I never seek spiritual advice outside of confession any more because the priests will not speak frankly on certain subjects."
Try once more.

II.

"I'm not really a bad chap, but I do a lot of things I'd rather my mother never knew."
You can't be bad if you still remember you have a mother.
