

If You Want to Know Why, Look at the Night List.

Dear, dumb old Sorin! Sorin Hall had five representatives at Holy Communion during the Mass Tuesday morning for the repose of the soul of Edmund Glade. On the spiritual bouquet card posted in the hall, two days produced the following results:

Masses said.....2
Masses heard.....1
Holy Communions....3
Rosaries.....2

you blame freshmen for making asses of themselves on the trip when the charity seniors burns so fiercely?

Prayers

John Wallace asks prayers for an uncle who died a few days ago. "Rip" Miller, coach of Indiana, who received the Character Prize at last year's Commencement, made a trip here the other day to ask prayers for a friend who was seriously injured in an auto accident. Riley McGreevey, of Freshman Hall, asks prayers for a relative. A very special intention is recommended by a priest. Pat Canny asks prayers for a friend who died a few days ago. "Red" Smith, of the football team, earnestly requests a remembrance for his mother, who is sick.

Thanksgivings.

The Cross-country team wishes to make public acknowledgement of the special protection afforded on the Indiana trip. The bus in which the team was riding overturned while going at a speed of twenty miles an hour, and no one was injured. -- Everyone at Notre Dame owes a special prayer of thanksgiving to the Blessed Virgin for the protection afforded last Saturday, when a very hot fire in Corby Hall was checked in time to save that building and the church.

Big-Hearted Badin.

Badin Hall owes Father Brooks \$110.00, the amount contributed by Sophomore Hall last week.

The Deficit.

Expenditures for the pamphlet rack to date.....	\$1119.92	
Outstanding bills.....	185.00	
Receipts to date.....		...
Totals.....	1304.92	\$914.56
Deficit.....		\$390.36

Two-Dollar Bills are Unlucky....

But the one a Junior contributed the other day for Father Brooks covers just one four-hundredth part of that worthy priest's needs.

Bring the Team Home With a Smile.

It was very difficult for you to receive Holy Communion on arrival in Minneapolis, because the persons in charge there countermanded orders to have street cars waiting to take you to the church immediately, slowed down the train so that it would not arrive in at a reasonable hour for fasting people, and paraded you to their heart's content before they would let you break your fast. You can do better this week.
