

We Thank God!

The Pharisee in the Temple thanked God that he was not like the rest of men, a sinner. May God in His Mercy ever deliver us from this attitude!

We thank God that in His Mercy He has shown us how not to be sinners, that He has turned aside the wrath we have deserved for our sins, that he has drawn us closer and closer to Himself in the Blessed Sacrament of the Altar, that He has taught us how to die. Life takes on a new meaning when it is viewed in the light of God's Mercy: Faith and Hope make Charity the guiding force in our lives.

Prayers.

Jos. Cardosi asks prayers for his mother, who is sick, and Charles Totten for his father, who is to undergo a serious operation next Tuesday. A student in Walsh Hall asks prayers for a non-Catholic friend who is sick, and who places great faith in prayer. Prayers for three special intentions are also requested.

Help Wanted.

Students who find time hanging heavy on their hands this morning can make themselves useful in the office of the Prefect of Religion. There are 800 letters there to be folded and stamped.

Late Sleepers.

Today and tomorrow are the sleepest days of the year. Those who have never seen the inside of the Sorin Hall chapel are invited to come today and tomorrow for Holy Communion--today after the 8:30 Mass in the church, and tomorrow any time after 8:30.

For Father Brooks.

"Dear Father: Enclosed you will please find

\$1.21	in pennies
1.85	in nickels
2.10	in dimes
1.00	in halves
<u>\$5.16</u>	as the total.

"This money is intended for Father Brooks, and a mention of it on the Religious Bulletin will be appreciated inasmuch as some of the boys contributing were not sure that the money would reach you.

"Has Badin Hall contributed its total quota towards the fund as yet? If not, how far are we behind? There are men over here who can and will see to it that the quota is reached.

"Badin Hall Infrequent Communicants,
as well as the Daily Communicants."

Unfortunately, there is no record of any contributions from Badin Hall as such. Most of the contributions have been anonymous. Badin's quota is \$50.00
