Holy Communion of Reparation.

The First Friday of each month is dedicated to the Sacred Heart of Jesus, which represents His Sacred Humanity and Its virtues, particularly Mercy and Love of Sinners. The proper act for the day is reparation for all the injuries, insults, neglects, blasphemies, sacrileges, committed on the Friday of the Crucifixion, and on every other day since that time, against the Sacred Humanity of Our Lord. Offer your Holy Communion for this intention Friday; make your adoration in the same spirit. That sort of meditation keeps alive the fruits of the Mission.
