

Rosary Devotions Close at Five.

The solemn closing of the October Devotions will take place this afternoon at five o'clock, and not at seven, as stated on Wednesday's Bulletin.

Visits All Day.

The indulgences for the Poor Souls may be gained until midnight tonight. The visits may be made in the hall chapels as well as in the church. The conditions are; 1. The reception of Holy Communion, yesterday or today, and 2. Prayers each visit for the intentions of the Holy Father. Give the Poor Souls a break. You'll be a poor soul some day -- if you're lucky; some one will be good to you then if you take care of them now.

Sorin Hall Kittens.

Sorin Hallers who get kittenish late at night on Halloween and after big football games should remember that there are early risers as well as late retirers in the hall, and that late retirers may become early risers on occasion.

The Last Mass Is At Nine.

On Sundays and holydays of obligation the student Masses are at 6:00, 7:00, 8:00 and 9:00. Some fifty students got fooled yesterday when they tried to find a Mass at 10:00. There are none in South Bend and there was none at the University. Keep this in mind when the eighth of December comes around. If you make it a point to go to the student Mass, as you should, you will be spared worry.

The President's Feast Day.

Monday, November 4, is the Feast of St. Charles Barron, patron saint of Father O'Donnell, President of the University. You are asked to offer your Holy Communion for his intentions that morning.

Eugene Cavanaugh.

Prayer is doing good work for Eugene Cavanaugh. His condition yesterday was described as "very much improved."

Coach Rockne.

Coach Rockne's condition continues to improve, although he must have complete rest for some time yet. The Rt. Rev. Bishop has graciously granted permission for him to have Sunday Mass in the house, so yesterday he was able to hear Mass and receive Holy Communion. He is deeply grateful to you for your prayers, and hopes that you will continue to remember him.

The Team

Weather reports from Atlanta indicate that Indiana is not the only state that has weather instead of climate. Just put an extra decade in your beads today for the boys. Slippery turf often makes broken legs and hearts.

7.17%

There are many inquiries about the number of non-Catholic students at Notre Dame. The actual number is 219; 168 of these are Villagers. The total registration is 3055, so the non-Catholic students form 7.17% of the total. The total last year was 233.

Prayers.

Msgr. Moran, of Cleveland, deceased; a student's friend, killed; Jack Williams' uncle, ill; three other sick persons; four special intentions.
