For The Team at Twelve-Thirty.

On Saturdays during October the Rosary Devotions are held at 12:30 in the church, and they are offered primarily for the football team. When you hear the church bell ring as you are leaving the dining hall this noon, you will know what it means.

Enrollment in the Miraculous Medal.

The members of the football team will wear the Miraculous Medal in today's game. You may wear the same medal and gain the indulgences it carries if you will come to the church for the enrollment which will take place after the Benediction. Among the many high indulgences carried by this medal is the very special one of a plenary indulgence every time you recite six Our Fathers, Hail Marys and Glorias, provided you be in the state of grace and wear the medal suspended from your neck.

Knights of Columbus.

The regular Communion Sunday for the Knights of Columbus is next Sunday, October 5. The front pews at the 7:00 o'clock Mass will be reserved for the Knights, who are requested to be present in full force. Confessions this evening after supper in the basement chapel will eliminate their need of going during the morning Mass.

Chicago Club.

By request of the Chicago Club a Requiem Mass for the repose of the soul of Philip DeRoulet's mother will be sung in the church at 6:30 Monday morning, October 6. Members of the Club are urged to be present and offer their Holy Communions for this intention.

Philadelphia Club.

Word has been received recently of the death of the mother of John Neeson, a prominent alumnus, to whom our students from Philadelphia are indebted for much encouragement and inspiration. The members of the Club have sent a spiritual bouquet to Mr. Neeson in expression of their sympathy, and on Monday morning in the Sorin Chapel a Mass will be offered by their request for the repose of Mrs. Neeson's soul.

The Devil's Mission.

For the past two weeks you have been learning the secret of Notre Dame through the medium of the Mission. Those who have entered into the spirit of this religious exercise are refreshed in mind and soul, and they should be able to work cheerfully, with clear heads. If they keep the Mission alive throughout the year with daily Communion and the other aids suggested, they will be a source of gratification to their parents.

The Devil has been conducting his own mission these two weeks - in various hide-outs, most of them stinking of stale beer and unclean bodies. Those who have turned their back on God to make the Devil's Mission have muddled heads and aching hearts, and they will eventually bring sorrow and regret to their parents.

Spiritual Reading.

The primary purpose of the Pamphlet Rack is to supply spiritual reading suited to your needs and capacities. You can't make definite spiritual progress without spiritual reading. Look over the stock and find things that will help you.
