Thanksgiving Mass at 7:30.

The Mass tomorrow morning will be at 7:30. Hear it in thanksgiving to God for all the benefits He has conferred on you during life, especially during the last year. Offer it in a particular way for the benefits of which you have not been conscious: there are many of them that you will learn about only when you get to heaven.

Holy Communion During Vacation.

If you are remaining here, remember that the basement chapel is attended for confessions and Holy Communion from six till seven a.m., and the Sorin chapel from 5:15 till noon. Holy Communion makes you happy, and you might as well be happy during these days. If you are going home, give your pastor a treat: let him see you at Holy Communion every day. Even if you were only an Easter Bird before you came here, there is no law against your practicing your religion at home.

Father Barron's Letter - III.

"P.S. 3 - A wedding present of \$10, a peace offering of \$5 from the Black Hand, \$15.40 from Brownson Hall, and some smaller gifts have brought the total to 53.60.

"We Spend Our Scant Days."

From T. Morris Longstreth's The Sky Through Branches (Copyright, the Century Company)

We spend our scant days saying "No,"
Too timorous to take
The hand, which made the rock to flow,
Held out for living's sake.

"Yea," "Yea," and "Yea" cries God to me,
While "Nay" to Him say I,
A brook that would deny the sea,
A light-drawn lark the sky.

From a Protestant Mother To her Son Here.

"..... There is so much good in those daily Bulletins you sent; do read them very carefully and obey them as well as you can. There is nothing so good as a daily reminder of one's faults and a feeling that others are interested in your soul as you are. My dear boy, when I read and see how careful they are of so many things that other schools never consider, I thank God again and again that you were so fortunate as to be accepted at Notre Dame....."

Prayers.

Leaflets for your intentions in the Bengal Mission Novena to the Immaculate Conception have been scattered through the halls and are at the rack. If you wish to have the clips forwarded to headquarters, leave them in the box at the rack in Sorin Hall. Dan Guiney's brother was critically injured in an auto accident. A sister of Prof. Downey is reported dying. James Cole's sisters are ill. Dr. John Boyer, a recent alumnus, died a few days ago. Robert Hilger asks prayers for a sick relative and for some friends. Mr. Bea's father is very low. A student at St. Mary's, California, was injured, perhaps fatally, in an auto accident last week.
