STAR OF THE SEA

When the storm of temptation breaks upon you, fix your gaze upon the Star of the Sea. Call upon Mary.

When tossed by the rising tide of pride and ambition, when lost upon the troubled waters of scandal and contention, look then to the Star of the Sea. Invoke her name.

When the billows of anger, of avarice, of lust, batter against your soul, when the shame of sin and the fear of judgment paralyze your heart and sink you into despondency, think of Mary.

In perils, in sorrows, and in fears, put your confidence in her. Let her name be on your lips and the thought of her in your hearts that her intercession may ever attend you.
