sity asks the students to help Religious Bulletin
keep the campus tidy..... April 1, 1938.

..especially to keep off
the grass. (Give the young
blades a break!)

BE A GOOD EGG!

What kind of egg are you--good or bad? Some as yet have not fulfilled their Easter Duty. Don't postpone this grave obligation. In fact, never put off a necessary confession, or sudden death may find you unprepared. If you find it difficult to get up enough nerve to go to Confession, say a prayer to Our Blessed Mother--she understands.

A Novena For Vocations

begins next Monday. Not only common sense but prayer also is necessary for selecting the state of life most suitable to you and to God. The sermons last Sunday on Vocations, and a recent Bulletin on that subject, stimulated many of you to think. Not a few students want a special novena to help them reach a decision. What will it be: the Priesthood, the Brotherhood, or Matrimony? On Holy Thursday Christ instituted the Sacrament of Holy Orders. Dedicate this novena to Christ the Priest. Special prayers will be offered up at Benediction for your novena intention. Let's get together now and pray for light and courage to follow the decision made. Go to Mass, Communion and Benediction for nine consecutive days. Do all that you can; then leave the rest to Christ.

PRAYERS: (deceased) friend of Redman Duggan. Ill, father of Jack Erhard (Cav.).
