

# ABOUT THE NOVENA FOR WORK

## THE GREAT HINDU MAGICIAN — HE GRANTS WISHES

Seniors, to land a job, some of you will need the help of your professors as references. All of you will need the help of God.

If you haven't yet begun your Novena for Work, get set tonight. God helps those who help themselves.

Besides your morning Mass and Communion, go to the Grotto and to Adoration. Maybe you've been lazy. Maybe world conditions make you cynical. Try now to recapture the drive and optimism of the days when Adoration meant so much to you.

Lay your problems and your future at the feet of Christ. Tell Him that you want more than just a job (a job might lead up a blind alley)—pray that he may place you happily in your life work.
