THE MAN OF MARY'S HEART.

Of all the suitors seeking love of maid
Was ever one who might be more dismayed
Than he who challenged Mary's cloudless
gaze
To rate his worth as mate to love all days?

The angel spoke his soul's astonished,
"Hail!"
Beholding her whose beauty ne'er would fail
The woman, blest of all, and full of grace
To bear Life's child and mother Adam's race.

Above all Maids in true discernment's art,
In gladness she surrendered hand and heart
To Joseph, symbol bright of valiant youth
Whose might of arm was as his soul's for-
sooth!

Do then the tears that gleam in Mary's eyes
Find source in woe or mirth when they arise
Beholding art depicting Joseph bold
As wrinkled, gray of hair, and sadly old?

Patrician born, was he, of David's line,
A lover bold, made strong by love's design
To guard the Father's choice of daughters
pure
The Maid most fair to heaven's Connoisseur.

The call to Mary's sons who meet the name
Is test of knight in search of heaven's
fame
Let men of truth, on banners bright, un-
furled,
Proclaim the youth of Joseph to the world!

This verse, written by Father John Bernard Kelly of the Archdiocese of New York, seeks to popularize the theory that St. Joseph was young, of an age comparable to Mary's, and not, as art has almost always depicted him, an old man.

DISCORD.

People disagree, violently, about Two-Time Tommy..... "It's kid-stuff, Father; you ought to know better....." "The girls like it; they're asking for it....." "I go for Bulletins on Two-Time Tommy; my roommate is one of those er-er, those....."

Whether you like it or not is not the question. Two-Time Tommy is NOT far-fetched and unreal. The Bulletin built up the Two-Timer to illustrate AN ACTUAL CASE and to shame students like the one in mind in these Bulletins into a realization of how UNFAIR they are. So, whether you like Two-Time Tommy or not, his serial carries on tomorrow.....
