

PERSONAL CATHOLICISM

University of Notre Dame
Religious Bulletin
May 21, 1940

WASHINGTON HALL AT EIGHT.....TONIGHT.

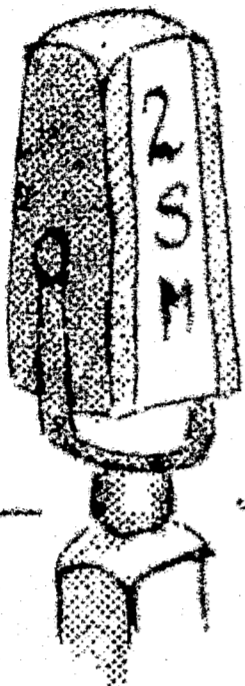

The Bulletin is especially grateful to Fr. "Will" Carey (in charge of lectures) for bringing Fathers Rumble and Carty to a Notre Dame audience.

Father Rumble, a convert, an Australian Missionary of the Sacred Heart, is regarded in his native land as their own edition of Monsignor Sheen. He is the radio priest of Station 2-SM of Sydney. . . . Hundreds of you are familiar with his RADIO REPLIES, which Father Carty has adapted for American readers. . . . Fr. Carty's an ace pamphleteer.

Tonight at 8:00 sharp in Washington Hall, Father Rumble will give you plenty to think of on the subject of "PERSONAL CATHOLICISM."

RADIO REPLIES, which we have often plugged on its own merit, is available in Dillon, Howard and Cavanaugh. Outside readers, interested, should write for a copy (50¢) not to The Bulletin but directly to "Radio Replies" --- Saint Paul, Minnesota.

Last night's Bulletin was "awful." It was "such a come-down." --- Comment: Maybe the shoe fitted.....maybe it pinched. In any case it was at least read. Maybe last night it reached good Brick McGutzky even!

If anyone is looking for an intellectual motive to purity, let him consider the divine indwelling of the Holy Trinity.....

....On one occasion Our Lord said:

If any man love Me, he will keep My word and My Father will love him and we will come to him and make our abode with him.

The Father and Son, first and second Persons of the Trinity, will take up residence in the Christian soul as long it is in the state of grace.....And the Holy Ghost is there too!....For, as St. Paul said by way of a rhetorical question:

Know you not that you are the Temple of God and that the Spirit of God dwells within you?

Which of you, realizing this, will not from LOVE RATHER THAN FEAR, shut the gate of your Temple in the face of any enemy (bad thought, word, deed) which would seek to profane or pollute the Temple of God, which you are? --- Quoting St. Paul once more:

If any man defile the Temple of God, him shall God destroy!

It is better to love yourself, to keep God within you than to entertain your enemies!

No Catholic senior will want to leave the campus to enjoy "senior week" without talking his problems over frankly and confidently with a priest-----at least if the problems have been bothersome. Many seniors have already "found themselves" once again through these talks during the last couple of days and nights.

THE REVIEW OF POLITICS for this quarter (April 1940) carries an interesting article on "The Irish Constitution," which was drafted in '37 by De Valera. This "Bunreacht" (as the Gaelic goes) is one of the world's most Christian political documents. It embodies the best thought of Saints Thomas and Bellarmine, of Suarez, of the papal encyclicals. It recognizes God, the family, the human person, morality, rights-----many of the features the totalitarian states snuff out. It seeks to make social justice the activating influence in Irish national life. . . .

. . . Professor Gurian, editor, and his associates and contributors have brought new credit to Notre Dame for this distinctive REVIEW. . . . Published quarterly, the REVIEW fills 500 pages annually, every page a page of studied thought. . . . \$2.50 a year (\$2.00 to students at ND). A few sample copies available from Doctor Gurian at 50¢. *** ILL: parents of Neal Geary.
