## The Sacred Heart

The Sacred Heart, in His revelations to St. Margaret Mary, said, "Behold the Heart which has so loved men and in return only receives ingratitude and contempt. That is why I ask thee to make reparation . . . In spite of all my eagerness to do them good, they treat me with coldness and contempt." *Can this be said of YOU?*

The object of the Nine First Fridays devotion, and of Adoration of the Blessed Sacrament is reparation. This weekend prove in action your sense of gratitude, love and appreciation — reparation — to the Sacred Heart. Not just on First Friday, but on Thursday and Saturday also, attend Mass, offer up your Communion, be absolutely faithful to your periods of Adoration, all in reparation to the Sacred Heart for any offenses or sins committed any place, any time, on the occasion of any football game.

Everybody is giving tribute this week to the memory of Rockne, a *man's man*. Make yours, not a sissy's, but a *man's* tribute — and it will take a man to do this! Amidst all the excitement, enjoy yourself but keep your head and stick to that program of reparation to that great Heart of the Son of Man who loves *MEN* so much.

PRAYERS: Please remember in your prayers the Rt. Rev. Msgr. J. A. Solon, '84, pastor of St. Mary's Church, DeKalb, Ill., whose funeral was on Monday.
