Sunday Masses.

The schedule of Sunday Masses for the Summer Session will be the same as last semester: 6, 7, 8:30 and 10:00. The 8:30 Mass will be a Low Mass. The 9:45 Mass for Seniors in the Basement Chapel will be discontinued.

Formal Opening of School.

The formal opening of the Summer Session takes place Sunday with Mass at 8:30. This will be a Solemn High Mass offered by the President of the University. The Mass will also commemorate the Silver Jubilee of the Holy Father's episcopal consecration. Father Eugene Burke, C.S.C. will preach on the Pope.

All Freshmen and Sophomores will attend this Mass. Others are invited to join in asking God to bless this school year and to guide the Holy Father in bringing souls to Christ and to peace.

May Devotions Close Sunday Night.

Sunday is the last day of May, the month of our Blessed Mother. Solemn closing of May devotions is traditional at Notre Dame. The ceremony will take place Sunday evening immediately after supper in Sacred Heart Church.

This will be an occasion for you to thank Our Lady for her blessings and to ask her to continue to assist you in your work of serving Christ by study, prayer and the practice of all the virtues throughout the coming year.

Easter Duty Holdouts.

This Sunday, Trinity Sunday, closes the period set up by the Church in which Holy Communion must be received by Catholics under pain of mortal sin. Ring the buzzer twice and go to confession tonight either in Dillon, Cavanaugh or Breen-Phillips - until 10:00.

The Memorial Day Mass.

Do more than just think of the war dead tomorrow. Get up for Mass and Holy Communion and pray for them. Look upon your presence in the chapel tomorrow morning as a duty. Those who died in battle gave their lives for your sake that you may be blessed with freedom and peace. Hurry them into heaven by your prayers. Remember especially your pals who have already died in the present conflict.

The traditional Memorial Day Mass offered at the Memorial door of the Church will start at 8:30. The Mass will be offered by Father Murray, C.S.C. Captain H. P. Burnett, U.S.N. will speak. The Naval R.O.T.C. will be present. Father O'Donnell will read the roll. The ceremony will be closed with taps.
