What are you doing for these Poor Souls?

Our friends in Purgatory cannot help themselves -- except by suffering.

We can pay their debt of punishment by assistance at Mass and by receiving Holy Communion, by prayer and the cheerful acceptance of suffering and humiliation.

Tomorrow, November 11, is the anniversary of the Armistice closing War I. The most efficacious manner for Catholics to honor their war dead is by pooling all their spiritual cash and offering it to God for the relief of the souls in Purgatory.

You can say a Hail Mary . . .

You can visit the Grotto . . .

You can offer up your study and classes for the Poor Souls, but all cannot equal the power of the Mass which is the prayer and Sacrifice of our Blessed Lord.

Tomorrow go the full way for the Poor Souls : assist at Mass TOGETHER.

Tomorrow show the Poor Souls that you are charitable.

Certainly,

You will have to fast,

To rise early, if a civilian,

To deny yourself a little sleep.

Tomorrow you will prove that you are made of real spiritual stuff.

"Have mercy on me, at least you, my friends, for the hand of the Lord has touched me."
