### Meat on Friday in the Dining Hall (But not in Caf)

The following are dispensed from the law of abstinence while on the Notre Dame campus, that is, they may eat meat on all days of the year, including Friday, with the exception of the Vigil of Christmas, Ash Wednesday, Good Friday and the forenoon of Holy Saturday. (Note carefully the limitations of the dispensation.)

1. All men and women in the Armed Forces of the country. (While on or off campus)
2. All civilian students when on campus and eating in the university dining halls or Student Infirmary.
3. All prefects and employees who eat in the dining halls proper or elsewhere in the Dining Hall (not the cafeteria) or in the Student Infirmary.
4. All dining hall and Infirmary employees during working hours when eating in the Dining Hall or Student Infirmary.

All who eat in the Notre Dame cafeteria (other than servicemen and servicewomen) are to abide by all the laws of abstinence now in effect; they are not dispensed.

Difficulties in the procurement of food and in the preparation of two different menus are at the basis of this dispensation. No one is dispensed from self-denial. Pray more frequently. Make better efforts to uproot bad habits. Live a Catholic life shining with good example.

### Mass Servers Needed.

There is an opportunity for a number of students who serve Mass to show extra generosity towards God by volunteering to take a daily Mass assignment in the Basement Chapel of the Church. Servers are needed for the 6:00 and 6:30 morning Masses. Report to Brother Boniface, the sacristan of the church, who makes the server appointments. Servers are needed for the Sunday Masses also.
