

## MIRACULOUS STATUE

# MIRACULOUS STATUE AT N.D. FRIDAY

230132

Many cures and blessings have been granted by Our Blessed Mother at her shrine at Cap de Madeleine (Cape of Mary Magdalen) in northern Canada. A statue of Our Lady has been the source of these wonders. When the statue was in need of repairs recently another of the same size and detail replaced it. A few months ago this replica was taken to a Congress in honor of Our Lady at Ottawa, Canada, and while there it was the occasion of a number of cures.

A child who had been crippled ran forward as the statue was carried in procession at the Congress. "My God! She never walked before!" her astonished father cried. A priest was suddenly cured of tuberculosis of the hip, and walked for five hours behind the image. A deaf person had hearing restored.

This miraculous statue will be here on the campus tomorrow, Friday. It will be placed in the sanctuary of the church for your veneration all Friday night and Saturday morning. Notre Dame will thus become a place of pilgrimage for a day.

This is an extraordinary opportunity for every student to honor the Mother of God and to invoke her blessings. Bring all your requests to her on this occasion, no matter how desperate and difficult they may seem. Pray

with great faith in the power of Mary and you will be heard. Make more than one visit to her statue.

At 5:00 P.M. Friday, as soon as the statue arrives from Detroit, the student body will give a welcome to Our Lady in the church. When the church bell rings, come to the church for this service. Father William Robinson, C.S.C., will give the sermon of welcome. There will be hymns and Benediction of the Blessed Sacrament.

At 7:30 P.M. Friday, there will be rosary devotions before the statue, with hymns and Benediction. The rosary is the devotion particularly pleasing to Our Lady of Cap de Madeleine. Make every effort to attend both of these services. A Solemn Mass in honor of the Queen of the Holy Rosary will be celebrated at 6:15 A.M. Saturday in the church.

### All Night Guard of Honor

Veneration of the miraculous statue will go on throughout the entire night. Those anxious to volunteer for this nocturnal watch can sign up for a definite half-hour period. Leave your name with your rector. Lest there be a break in the Watch, a definite hour has been assigned to each hall.
