Farley, at home with
virus pneumonia.

More News About Van Wallace.

"We have been greatly privileged since we have been here. We actually had Mass at the Grotto! That privilege is reserved to Bishop's and Heads of Pilgrimages, but through Bishop Woznicki's letter to the Bishop of Tarbes--Lourdes, we were granted that favor. Our Priest, Father McQuillan, said the Mass and I served. It was very inspiring indeed. Monday we overstepped our bounds again and had a Mass in the Cachot--the place where St. Bernadette lived at the time of the apparitions.

"Our day is crowded. After Van's bath, we go to the Grotto. Then to the chapel in the hospital where Van receives Holy Communion. Next we try to fulfill our obligations- writing cards, changing money, etc. This usually brings us up to lunch time. After lunch we rest a little and take care of our correspondence. Van had 500 cards to send out to the N.D. Club and friends. Then we go to the Procession of the Blessed Sacrament at 4:30 P.M. it lasts until 5:30 P.M. By the time we get back to the hotel, clean up for dinner and eat it is 8:30 or so. It is about 11:00 P.M. when we have Van prepared for bed. We are up at 6:30 and then start all over again.

"We are still making the Novena in earnest, still praying hard. It would inspire you with hope and confidence to be here when Van is placed in the baths. I can't tell you the feeling that comes over me. God's Will be done". (Excerpts from the letters of Bill Olivier, former student, who is driving Van through France)

Special Indulgence Tuesday.

Tuesday is the feast of the Most Holy Rosary. Sacred Heart Church on the campus is privileged on that day every year. For every visit made to the church between Monday noon and Tuesday night a plenary indulgence can be gained. During the visit simply say the Our Father, Hail Mary and Glory Be To The Father six times for the intentions of the Holy Father. This is a Toties Quoties (as many times as) Indulgence, that is, "as many times as" you visit the church-- and say the required prayers--you gain a plenary indulgence. You may gain these indulgences for the remission of the temporal punishment due your own sins, or you may transfer the indulgences to the souls in Purgatory--name the souls of your choice, if you wish.

A visit is concluded merely by stepping outside the church for a moment. You can return immediately and begin another visit. This is an opportunity to hurry many of your friends and relatives out of Purgatory.

There Are Rosaries In Dillon.

No student should be without a rosary. Rosaries are back on the market again, and we have been fortunate in obtaining a large supply for the campus needs. The rosaries you obtain from the Dillon Pamphlet Room or from the Prefects of Religion are blessed and richly indulgenced. There are endless blessings for those who honor Our Lady by reciting her rosary during October, the rosary month. If you are free at 5:00 P.M. come to the church for the recitation of the rosary and Benediction.

PRAYERS: (deceased) mother of Fr. Doheny, CSC (Law School); Capt. Tom Collins, sister-in-law of Prof. P. McCuster. (Ill) brother of Pat Weisapl, (Sor), anointed. One Thanksgiving. Three Special Intentions.
