ADORATION DAILY IN CHURCH-----
BE SURE TO MAKE YOUR
HALF HOUR FOR
YOUR PARENTS

Misfortune

A letter of appeal has just arrived from Vienna. It is another testimony of the great needs of students in foreign lands. So when you make an offering to any of the Relief Drives in progress on the campus, give with the assurance that your donation will bring comfort to someone.

"Some time ago the University Section of the Austrian Association for the United Nations received a donation of clothing and other things through the World Church Service center from the University of Texas. The students organized the collection themselves of their ~~own~~ free will for their colleagues of Vienna.

"In spite of the great success of this collection, it was only a drop in the ocean, because there is so much misery and scarcity in Vienna. Most of our male students have lost everything through the destruction caused by bombing and their having been taken as prisoners of war. They must face the winter without the barest necessities of life.

"We beg you to arrange, if possible, a similar gift for our poor students. You will be carrying out a Christian act and you will have given great help to thousands of needy students now poverty stricken."

The Christmas Novena For Parents

There is no opportunity to begin this Novena late. Begin tomorrow. This will enable you to get in nine successive Masses and Communion before vacation begins. Make at least one half-hour period of Adoration for your folks too. The Blessed Sacrament will be exposed every day this week from 8:00 o'clock until 5:00 on the Lady Altar in the church.
