Questions About Your Rosary.

Q. Must the beads be blessed before indulgences can be gained on them?

Only one indulgence can be gained on a non-indulgenced set of beads, and that is a plenary indulgence (full remission of temporal punishment) for a Rosary that is said under two conditions: 1) before the Blessed Sacrament, 2) with meditation on the mysteries. (Recent confession and Communion are also necessary. It suffices that confession be made on the eight days before or after the rosary was said. It suffices that Communion be received the day before or within eight days after the recitation.)

Every Rosary said with devotion -- no matter where it is said -- merits an indulgence of 5 years. A Rosary said anywhere, but in the company of others, merits an indulgence of 10 years, once a day.

Q. How can the Crozier Indulgences be gained?

The beads must first be indulgenced by a priest who possesses special faculties to attach this indulgence. The Crozier Indulgence gives 500 days for each Our Father and Hail Mary recited on the beads. For five decades the total would be 27,500 days.

The entire Rosary need not be said to gain these indulgences. A single Hail Mary or Our Father said while fingering the beads would obtain the indulgence. The indulgence is gained by the person who fingers the rosary beads, and not for their owner, unless he uses them.

Q. What is the Dominican Indulgence?

Every priest in the Order of St. Dominic can attach this indulgence to rosary beads. Other priests can obtain this same faculty. This indulgence grants 100 days for every Our Father and Hail Mary. The Rosary of five decades totals 5500 days. To gain this indulgence one must meditate on the mysteries. The Crozier and Dominican Indulgences can be gained by one and the same recitation.
