### Creed Of A Hot-Tongue.

"I swear because: it is a fine mark of manliness....it proves I have self-control....  
it makes my conversation pleasing to everybody....it indicates how clearly my mind  
operates....it leaves no doubt in anyone's mind as to my good breeding, culture and  
refinement....it impresses people that I have more than an ordinary education....  
it makes me a desirable personality among women, children and in respectable society.  
....it is my way of honoring God who said: "Thou shalt not take the name of the Lord  
thy God in vain.'....it is a strong way to express a weak mind." (Hi-Y News)

### Salute To The Liturgy Club.

The Bulletin publicly thanks all members of the Liturgy Club for accepting the respon-  
sibility of October adoration. Unselfishly members have donated their time for so-  
liciting halls and posting adoration notices. The response has been gratifying.

The term "liturgy" is generally thought to mean nothing more than rubrics, candles,  
incense, beautiful vestments. It is much more than that. For it is the worship of  
God--the official, public prayer of the Mystical Body of Christ adoring its invisible  
Head, Jesus Christ.

One of the objects of the present-day liturgical movement is to give the laity a bet-  
ter understanding of the Liturgy itself and a better opportunity for participating in  
the Sacrifice of the Mass.

You participate in the Mass by praying it with the priest and by using the daily mis-  
sal. Liturgy Club members will sponsor instructions in the use of the missal to help  
you follow the priest not only through the invariable parts of the Mass but through  
its changing Introits, Orations, Epistles, Graduals, Gospels, Offertories, Communions.  
(Time and place of instructions to be announced later....Daily missals may be pur-  
chased at the offices of the prefects of religion or at the Book Store.)

Mass and Communion: the very best of all forms of active participation in the Mass is  
the reception of Holy Communion. Do not lose sight of this--the Mass is not only a  
Sacrifice but a Sacrifice which includes a Sacrament as an integral part. By receiv-  
ing Holy Communion you participate in the Eucharistic Sacrifice as actively as did the  
Apostles at the Last Supper. "Take ye, and eat. This is my body." Matt. xxvi, 26.

### For Seniors Only.

"The only degree you can take to heaven with you is your degree of Glory. You must  
possess it if you wish to take your place with the college of the Blessed. The degree  
of Glory is given in one department only, that of science. It is the Master's degree  
in the Science of the Master. Death is the Commencement and eternity is the life you  
enter with this sole credential. The signature which makes it valid is written in  
the Blood of the Unspotted Lamb upon the Everlasting substance of your souls. The  
seal is the glory of the cross. There is only one examination necessary. Its subject  
matter is Knowledge, Love and Service of God. You may need additional credit; there-  
fore, you should check up now with the Great Registrar and see how you stand today  
in the book of life." (Anon)

To third-floor Walshites--consult Matt. v. 43-47; Luke vi. 32,33,35.....Your brand of  
tobacco is bitter-sweet but we'll stuff it in our pipe and smoke it!
