Militant Atheism vs Militant Catholicism

Why make this novena? To express your gratitude and devotedness; to mobilize your heart, soul, body, prayers and sacrifices for a world cause--the cause of the great White Shepherd of Christendom.

His towering figure and his spiritual strength stand between you and conquering, world-to-conquer militant atheism--the most dire threat in history to all that is decent, upright and holy. Communism is all-out to destroy every remnant of belief in God and immortality.

Lenin, patron "saint" of atheistic Communism, preached from the housetops that Communists must devote not spare afternoons or spare evenings weekly to his cause but "the whole of their lives."

Christ through Pius XII proclaims that

in this grave hour you must devote not a spare afternoons or spare evenings each week to His cause but--"Thou shalt love the Lord thy God, with thy whole heart, and with thy whole soul, and with thy whole mind, and with thy whole strength."

If you have never made a complete novena, this is the one to make. It begins Wednesday. If you can not spare one-half hour daily at Mass and receive Holy Communion, if you cannot spare an additional ten minutes praying your Rosary--all for nine consecutive days--for the Pope and his intentions, then do not classify yourself as a Militant Catholic. Put yourself down as lukewarm, the type of Catholic who makes God sick. "Because thou art lukewarm, and neither cold, nor hot, I will begin to vomit thee out of my mouth." --Apoc. 3, 16.
